Well, he was not the first and not the last one that wanted to make followers and money by threatening his conspecifics of Armageddon and the end of the world: Solely the ones that join him would become saved and all the unbelievers were heading for disaster and hell.

Such sectarian rogues and terrorists don't become extinct. They are born again and again. And again and again all their "prophecies" of doomsday and the end of the world stay unfulfilled. Here (concerning Jesus or the Christian sinners), and there (regarding small sects and gurus) it is the same and nothing new.

Armageddon and the end of the world do not happen at the predicted time, however the sect -- of the poor insane and lunatic ones that had been obsessed by such "predictions" -- that allegedly was established for this precise purpose doesn't disband when deceit and self-deception of the "end of the world" become evident because it did not happen.

Therefore, those sects continue their psycho-terror and terror against the unbelievers by threatening them with eternal punishments in the hell although the unbelievers turned out to be right and the believers to be wrong. The same happened pertaining to Jesus and the Christian desperadoes (Christians' cant: "innocent sinners")!

Although Jesus did not believe in any heaven, doomsday and hereafter -- as we already produced evidence in part e103, he nevertheless did not refrain from psycho-terrorizing and terrorizing his "beloved" next ones by shamming doomsday that, of course, he faked to hold in person.

Hereby he abominably wanted to increase the number of those the sick worshipping that cripple regarding body and soul as the "god". Until today, this contemptuous aptitude of psycho-terrorizing others is praised by his perfidious schmucks (Christians).

The end of the world or doomsday this unscrupulous megalomaniac psycho-terrorist wanted to hold, of course, Jesus predicted to occur in his lifetime. Obviously, he knew that mental ill persons -- once became addicted -- cannot free themselves from the swindler even if deception becomes evident.

Mt 16, 27:28 RSV

*27 For **the Son of man is to come with his angels in the glory of his Father, and then he will repay every man for what he has done.***

*28 Truly, I say to you, **there are some standing here who will not taste death before they see the Son of man coming in his kingdom.***"

In his perverse sort of language („tasting death“!) he says that the end of the world and his mendaciously as deceitfully fabricated doomsday he – the megalomaniac one – wanted to judge the world will occur in the lifetime of then living Jewish generation to whom he was

serving up all his lies, deceit and sorcery.

Even if the Christian desperadoes (Christians' cant: "innocent sinners") are unscrupulously enough to be capable of the meanest lie and any baseness, vileness and spite, they hopefully do not dispute that the "forecasted" time already elapsed for a long time. Otherwise the Christian desperadoes (Christians' cant: "innocent sinners") can produce counter-evidence by presenting folks that have been still living since the days of super terrorists Jesus "Christ" ...

That making slaves and cashing up by this fabricated "doomsday" -- he euphemistically but enough meaningfully describes as fishing"! -- is not about a unique gaffe of man's terrorist (Jesus "Christ") in no way but about a permanent as mendacious weapon of psycho-terror in order to intimidate his conspecifics and to get them on their knees worshipping this abominable deformity -- regarding body and soul -- as their "god":

Lu 9, 26:27 RSV

26 For whoever is ashamed of me and of my words, of him will the Son of man be ashamed when he comes in his glory and the glory of the Father and of the holy angels.

*27 But I tell you truly, **there are some standing here who will not taste death before they see the kingdom of God.***

Isn't he right holding out a high sham reward or much counterfeit money for those ones being not ashamed of the words of such a perfidious rouge, isn't he? Because this would be the first a human being would and has to do even those who kept a rest of truthfulness. However, in this context we are mainly interested in the time he "heralded" the big "day of the revenge" (see: Lu 21:22) that is called "doomsday", "Armageddon" or „end of the world“.

Mr 9:1 RSV

*1 ¶ And he said to them, "Truly, I say to you, **there are some standing here who will not taste death before they see that the kingdom of God has come with power.**"*

Mt 24:30 and 34 RSV

30 then will appear the sign of the Son of man in heaven, and then all the tribes of the earth will mourn, and they will see the Son of man coming on the clouds of heaven with power and great glory;

*34 Truly, I say to you, **this generation will not pass away till all these things take place.***

However, Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") and you Christian desperadoes (Christians' cant: "innocent sinners"), where and when did doomsday occur? Where and when did the death of this penalty convict appear in the "glory" of his "megalomania", pardon, "on the clouds" of his meanness, baseness and insanity, pardon, of the "heaven"...? Is the Christian desperadoes' (Christians' cant: "innocent sinners") god called Godot? The Messiah of the Jews should be called Immanuel. Already here, the Christian desperadoes (Christians' cant: "innocent sinners") "contradict" their constantly "mistaken" omniscient "god" by correcting the name to Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ"). However now, perhaps his name isn't Yehoshua-Ben-Pandera or Jesus but Godot... My word, „on the clouds of heaven with power and vindictiveness, pardon, "great glory"... I am already trembling all over...

However, as said, if that what such swindler "predicts", of course, does not occur those sects (of deceit and self-deception) never are used to disbanding. A few decent and fatuous ones that could be successfully deceived leave the sect but the insane scum of the world, the religious rogues and perfidious Mafiosi continue to stay together. This is also the case concerning "Jesus "Christ" " and the Christian desperadoes (Christians' cant: "innocent sinners").

Usually the Christian desperadoes (Christians' cant: "innocent sinners") are depraved enough

to disparage and slander (projectively) their inner and outer competitors and rivals because of those wrong prophecies about the end of the world that produce evidence of lies and deceit and already unmasked their "god" Yehoshua-ben-Pandera (Satan name: Jesus "Christ") as man's swindler.

For instance, "Jehovah's Witnesses" are disparaged and libeled by other fellow Christian desperadoes (Christians' cant: "innocent sinners") because this inner Christian rival repeatedly "failed" to "predict" the end of the world and Armageddon. What, for instance, those stupid and depraved German Christian desperadoes (Christians' cant: "innocent sinners") -- that already committed the holocaust -- do not know or very Christianly conceal is the fact that their "god" (Jesus "Christ") evenly and repeatedly failed doing the same...!

Pertaining to wrong "predictions" of doomsday "Jehovah's witnesses" - an inner Christian rival - is a sheer follower of Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") that is just doing an "imitatio Christi" - i.e., an imitation of Christ. Hereby, the Christian desperadoes (Christians' cant: "innocent sinners") inadvertently and in a sense of a Freudian slip admit depravity and abomination of their "god" and more over even of their own while speaking just about their inner rival "Jehovah' Witnesses".

Anyway, those depraved Christian swineherds (clergies, bishops, cardinals etc.) enticing those campaigns - as they already instigated the German to anti-Semitism and genocide on the Jews - know that. So, inner Christian competitors "Jehovah's Witnesses" is persecuted in ill-famed Christian sectarian republic of Germany by arguments inadvertently and protectively unmask the true selves of the prosecutors.

Indeed, Jesus tells his perfidious schmucks and infamous fellow terrorists what it is actually about: Not about a „Last Judgment“, „doomsday“, „heaven“ or „hell“ but to run free one's fantasy of vengeance and to live it up. It is too good to threaten others having that what one wants to have oneself that gladly: Soon, all your abundance and all your beauty will be shattered as we (Christians) would like it to be wrecked and soon, all those having a fair life

we (Christians) so gladly also want to have, will go to hell for everlasting punishment.

However, conspecifics, we (Christians) are no monsters. There is one single way out to save you from getting everlasting grilled in a hot pan full of oil: You immediately comply with our Christian insatiable domineeringness, lust for power and become our slave right now and prettily obey like children or slaves what we (Christians) command you to do. In view of the fact that we always leave an escape route for all our conspecifics, whoever can be that presumptuous calling us (Christians) rogues, monsters, barbarians or even psycho-terrorists and terrorists...?

To each terror we (Christian) are used to perpetrating we (Christians) generously leave way to dodge. Why? Because our god Jesus knows all dodges to make others slaves subservient to himself: And now, get on your knees, acknowledge us (Christians) as your slaveholders and be our (Christian) slave. Then, if you promptly obey us and comply with all our orders no Christian will denounce, libel, vilify, hurt, kill and burn you. That is the true way out, the true "humility" and "modesty":

Lk 21:22 RSV

22 for these are days of vengeance, to fulfil all that is written.

Exactly, precisely – that is it what is about!: Not about love, charity, enemy love etc. – concepts that only but very useful to Christian desperadoes (Christians' cant: "innocent sinners") to lull the victims they (the Christian sinners) have in their sight into a false sense of security in order to take revenge on them when the victims foolishly think that we are servants of theirs... It is about vengeance, vindictiveness and revenge what Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") offers to all the depraved and to the scum of the Earth.

The latter call this "glad tidings", of course. Since when do barbarians and terrorist have peace, love, friendship etc? in mind? Concepts like "God", "doomsdav", "Last

Judgment", "heaven", "hell", "love", "truth" and "morals" etc. come in handy for those terrorists and psycho-terrorists in order to make the targeted stronger opponents drowsy so that the weak and depraved Christian desperadoes (Christians' cant: "innocent sinners") can take revenge on them and defeat if not massacre them. Listen what the Christian desperadoes' (Christians' cant: "innocent sinners") god says:

Mr 3:27 RSV

*27 But no one can enter a strong man's house and plunder his goods, **unless he first binds the strong man; then indeed he may plunder his house.***

Oh yes, the Christian desperadoes' (Christians' cant: "innocent sinners") "god" - the "god" of perfidy (Jesus "Christ") -- really knows all dodges. He knows how to perpetrate crimes, barbarities and abominations successfully... He - the master of infamy -- can teach each criminal, felon, barbarian, psycho-terrorist and terrorist a thing or two. Those mentioned concepts are the best way in order to bind the strong man before the Christian desperadoes (Christians' cant: "innocent sinners") plunder them. Faking such good concepts one easily can palm each punch below the belt off as "brotherly love" and "commitment of charity" on others.

At first, the Christian insidiously fetters his victim, so that it becomes defenseless. And being defenseless all those coward, base, nasty, perfidious Christian desperadoes (Christians' cant: "innocent sinners") assault, agonize, torment, torture the defenseless one to their evil heart's content, if not burn them at the stake. Why? Because those wimps, those weaklings, those miscarriages, those damp squibs of nature that call themselves Christian desperadoes (Christians' cant: "innocent sinners") loose any honest and fair fight according to mutually accepted rules. That is why Jesus "Christ" and the Christian desperadoes (Christians' cant: "innocent sinners") are incarnated infamy - not only the scum of humankind but even that of nature. **Most animals are more honest than Christian desperadoes (Christians' cant: "innocent sinners")!** On an average, one can trust more in one's pet than in

a (perfidious, insidious and infamous) Christian!

That is what heinous Christian desperadoes' (Christians' cant: "innocent sinners") "love". That is their real "charity" and "love" of the enemy! That is man's perfidious swindler's, man's infamous terrorist's, i.e., perfidious "Jesus Christ's" true „charity“ and „love“ of the enemy. And he complies with his perfidious schmucks' vindictiveness in that way that he foolishly fixes the fantasy of a doomsday in his audience's lifetime – of course, while getting worshiped as the "god", in return... His perfidy is too much as to consider that such a relatively precise date easily can convict the perfidious liar and insidious deceiver:

Lk 21:32 RSV

*32 Truly, I say to you, **this generation will not pass away till all has taken place.***

Ah, ah, ah! He is used to talking much and talking big like he is full of vindictiveness. Because this is not the only megalomaniac trash he has up his sleeve. Listen:

Lu 21:33 RSV

33 Heaven and earth will pass away, but my words will not pass away..

Is not he right to offer sham rewards and much counterfeit money to those of his followers that are not ashamed of such an impudent megalomaniac that is a blemish on humankind?

He, this religious terrorist is not ashamed because the first thing terrorist must learn, is to cast off all shame... For a would-be "god", who just failed to "predict" "doomsdays" that never took place, viz, that ghost of vengeance (Jesus "Christ") it is pretty courageous however as

any terrorist is courageous.

Terrorists and desperados are only fascicles of nerves of nothing but courage, because their belief shifts mountains (see: Mt 17:20) and a "predicted" but never taken place "doomsdays" or even the god in favor of a "Golden Calf", anyway! One just has to believe (see: Mt 17:20) ...! According to the Christian conjurers of lying and deceiving believing means not knowing? Who is willing to contradict? Because Christian terrorists' faith indeed is no knowledge - especially it is "avoiding knowing what is true" (German philosopher Friedrich Nietzsche).

As already said, those doomsday's sect do not disband when their fantasies about the world's end turn out to be deception and self-deception because there are (overwhelming) obsessions of vindictiveness of individuals that made up their mind to live a lie (avoiding to admit what is true) anyway, when joining such a sect.

They indulge in this vengeance, hatred and lie at all costs that are shammed as each reverse even after a canceled doomsday... Therefore, the Christian terrorists' sect did not fall apart after „doomsday“ turned out just to be one of Yehoshua-Ben-Pandera's deceptions. However, Jesus doesn't turn out to be unimaginative. Hardly one "prophecy" has turned out to be wrong and sheer deceit or self-deception when he feeds his insidious henchmen and/or perfidious schmucks with another empty prediction or promise (waiting for Godot!) in order to stick at him:

Joh 16:12-14 RSV

12 "I have yet many things to say to you, but you cannot bear them now.

13 When the Spirit of truth comes, he will guide you into all the truth; for he will not speak on his own authority, but whatever he hears he will speak, and he will declare to you the things that are to come.

14 He will glorify me, for he will take what is mine and declare it to you.

Joh 15:26 RSV

26 ¶ But when the Counselor (Greek: Parakletos) comes, whom I shall send to you from the Father, even the Spirit of truth, who proceeds from the Father, he will bear witness to me;

The Greek word „Parakletos“ means advocate but also prophet because in the first epistle of John that also indexed to the Christian „New Testament“ Jesus is also titled as Paraclete (Parakletos).[\[i\]](#)

After "doomsday" turned out just a faked weapon of psycho-terror in order to make slaves (Jesus: for “fishing”) and the unscrupulous liar and deceiver once more gives himself airs by announcing another prophet, although the ax allegedly was already put at the tree (the world).[\[ii\]](#)

A great Paraclete will come and console those futile vindictiveness sulking Christian terrorists that their "omniscient" and "omnipotent" “god” “Jesus "Christ" ” was that much mistaken when announcing "doomsday" and the end of the world, at last within a few decades.

Feel pity with this Christian topmost rogue, topmost Mafiosi ...! This poor boy sorrily, sorrily, sorrily has to lie and to deceive because his Christian henchmen cannot bear the truths and therefore will not worship him as “god” if he tells the truths to them. Feel pity with this monstrosity that does everything and even sacrifices himself for being worshiped as “god”, in return by Christian:

- bastards n’ dastards,
- priests n’ beasts,
- creeps n’ crooks and all their spooks,
- schmucks n’ thugs and the mugs,

- goofs perjuring spoofs,
- skunks n' monks,
- hooligans n' fooligans
- desperadoes,
- Mafiosi and
- terrorists!

Only for being worshiped as god in exchange by this scum of all creature this poor guy
sorrily, sorrily, sorrily has to lie and to deceive – oh yeah, even to conjure a “resurrection” ...!
Feel pity with him ...!

Finally his Christian henchmen would had murdered him if he would had told the truths to
them ...

Therefore, already for his right-to-live this poor guy had to lie and to deceive all over ...!

Once more: Feel pity with this death penalty convict, with this failure of nature that lost when
he tried to become king of his country on Palm-Sunday and turned out as a very bad loser, i.e.,
as a very Christian!

Oh yes, and those Christian figures of vengeance shamming “love” and “charity” felt
authorized to prosecute, terrorize, torment, massacre and murder those that do not believe
that deficient faith. And this in view of the fact that this toilet (Christian sect) is lacking “the
spirit of the truths” and is unable to bear the truths ...! And that all is attested not by
philosophers, adversaries and enemies but by their “golden calf” or “god” himself... The first
think one has to learn when becoming Christian is to cast off all shame and to lie without blushing.

Jesus "Christ" , full of spite,

Satan's Christ and catamite!

Instigated Christian sect,

The creation's toilet!

Always we said that we do not need to refer to reason in order to produce evidence that Christian sect is an organized crime of lies, deceit, psycho-terror and terror on humankind. Please, Christian desperadoes (Christians' cant: "innocent sinners"), tell us where is the difference between your „god“ Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") and German philosopher Friedrich Nietzsche (1844 – 1900) when Jesus says on the one hand that his perfidious schmucks (Christians)cannot bear the truths and Nietzsche on the other defines Christian „faith“ a denying to admit what is true? Where is the difference? There is no difference!

Belief and reason come to the same conclusion and, of course, inevitably have to differ when the Christian terrorists accomplish their most fundamental nature: Never be willing to know what is true and lying at all costs (Friedrich Nietzsche). The Christian desperadoes (Christians' cant: "innocent sinners") do not believe in god. They believe in the rogue and terrorist Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") to be their “god”. That is atheism.

If somebody worships his domestic pig as his “god” is this a religion, a theism? In principle, there is nothing else if a Mafia lifts up its instigator to its worshiped “god”!

Reason tells us that the first thing Christian barbarians’ sect needs is the spirit of truths. And who is telling the same to us? Their "god" Jesus "Christ" , Satan's catamite! And is there still somebody claiming that faith and reason are incompatible...?

As demonstrated in the ninth [part of the preliminaries](#) Muhammad claims to be the Paraclete (prophet) heralded by Jesus. I.e. the Islam is the living evidence of it that Jesus threatens or "announcements" of "doomsday" or the immanent "end of the world" are lies, deceit and

if something else then psycho-terror and terror of a desperado guru, terrorist "god", religious terrorist...

Oh, yes – finally, I almost had forgotten it: Jesus, the Christian desperadoes' god, isn't at a loss for an excuse why he is so mistaken about "doomsday" the most bills of his and the Christian desperadoes' (Christians' cant: "innocent sinners") counterfeit money. An impostor and deceiver never is lost for an excuse:

*"The Lord answered and said: 'Do you not know **that the head of prophecy was cut off with John?**'"* [\[iii\]](#)

Folks, one never knows how times change and are deteriorating ... Even the "god" -- the unalterable -- is not that any more he once was. Once upon a time, he still was omnipotent and omniscient. Folks, however now, he has lost all those attributes and cannot correctly foresee any no longer and all that evil happened to the "god" because one had cut off John the Baptist's head... If Herode would had supposed such impairing effects on "god", he certainly would rather have allowed John the Baptist to live on ...

Oh, this disgrace, since that time the almighty god is no longer omnipotent and omniscient and the Christian desperadoes' (Christians' cant: "innocent sinners") or terrorists' "god" Jesus "Christ" – Satan's catamite full of spite -- is completely excused that he fails to do what a god would succeed to do... Folks, imagine what rubbish the Christian desperadoes' (Christians' cant: "innocent sinners") "god" (of perfidy and infamy!) Yehoshua-Ben-Pandera unfortunately has to drivel since this "fall" of the god...:

"For the earth does not move. Were it to move, it would fall." [\[iv\]](#)

That the wisdom of perfidy! That the "god" of the insidious ones, "the sick needing a physician" (Lu 5:31) or the scum of nature! My word, what a "divine" wisdom...! My word, true man, true insidious rat in the sewers...! I am also already tempted to believe in that perfidious and infamous cripple "god" (cripple regarding body and soul).

That knowledge is what perfidious Christian desperadoes (Christians' cant: "innocent sinners") name "divine" and unique "blissfully" making one. That is what the sect of infamy made it feel being "authorized" to prosecute Galileo Galilee (1564 -1642 C.E.) because he said the contrary... One never knows what excellent "knowledge" perfidious desperados and infamous terrorists have, especially those ones that - neck or nothing - want to be worshiped as the "god" ...

This "educated" rogue and desperado and/or terrorist full of knowledge and talents of perfidy and infamy knows how to deceive the world or how to fake to be competent of telling us something about "the end of the world" or even "heaven" and "doomsday", although not knowing that the Earth is circling around the sun... Oh yes, belief of (Christian) perfidy shifts mountains - and the knowledge that the Earth is circling around the sun, anyway... One just has to believe in this "god" of infamy, vindictiveness and hatred on everybody that turned out better by nature than those wretched wimps, miserable weaklings and perfidious scum of the Earth he is gathering for infamous revenge...

Do you know Satan's son, Christ and catamite?

His name is Yehoshua-Ben-Pandera, Christian jargon: Jesus "Christ" !

This bloodthirsty murderer,

By Christian bastards everywhere!

Let's summarize:

"Doomsday" predicted by Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") turns out to be sheer deceit of one (Jesus) that never believed in life hereafter. Not only reason but also Yehoshua-ben-Pandera (Satan name: Jesus "Christ") is our evidence that Christian desperadoes (Christians' cant: "innocent sinners") cannot bear the truths (German philosopher Friedrich Nietzsche: "Avoid knowing what is true") and that the most they are lacking is the spirit of the truth. The same is to apply to him (Yehoshua-Ben-Pandera). The infamous instigator of that plague, Satan's catamite and man's deceiver and/or man's terrorist, i.e., Yehoshua-ben-Pandera (sinner name: Jesus "Christ") is our witnesses that Christian cannot endure truths and hence believing deceits. Satan's catamite (Jesus Christ) never is at a loss for an excuse. Even for lying and deceiving he is "excusing" himself: My adherents (Christians) cannot bear the truth, therefore I (Yehoshua-Ben-Pandera, Christian jargon: Jesus "Christ") have to lie and to deceive because otherwise my followers (Christians) do not worship me as their "god" ... What harm to me ("Jesus "Christ" ") ...!

Annotations:

[i] For more information on this topic see: <http://www.bare-jesus.net/e008.htm> („Jesus in Islam“). The Moslems refer to this saying of Jesus in order to proof that Muhammad is a successor of Jesus in the line of prophets.

[ii] The change from „doomsday“ -- that Jesus originally indeed wanted to hold according to his megalomania – on the one hand to the Paraclete on the other, i.e. the promises of another prophet (instead of “doomsday” within then living generation), is related to the failure of Jesus original ploy of getting (his stuntman) executed (death penalty) by the Jews. Jesus apparently believed that the Jews much more easily could be fooled than the Roman authority. So, if at all Jesus only could arrange a blood-slaughter of execution by challenging the Roman authorities by committing the felony of high treason. That was the illegitimate claim of being “King of the Jews” Jesus undoubtedly committed that felony that primarily did not provoke the Jews but the Roman authorities that hereby had had to act and acted. This change is enormously considerable, in fact, and until today the Christian sinners prefer to deny it. Before Jesus gave the impression – what Christian „theology “ does until today -- that his “tenets” are a rounded whole and everything was divinely “perfect” when he (Jesus) is accepted as the “god”. There was nothing in addition to that claimed (and faked) god. One just has to wait for “doomsday” and the end of the word that will happen in the next five minutes, at least within then living generation of human beings. Thus this terrorists’ sect responded each attempt of a supplement to the Christian belief as blasphemy. Now all of a sudden, Christian belief is incomplete and deficient. The (Christian) belief’s deficiency is now excused by the saying (of Jesus) that the “the sick” (Christians) cannot bear the truth, at all. The perfidious schmucks (Christians) aren’t able to endure the truths? Whoever wants to object to it?

According to Jesus, the Christian desperadoes (Christians' cant: "innocent sinners") are still in need of the “spirit of truths” although they are used to faking to keep absolute, solely blissful-making truths that others do not have. Therefore they are used to feeling “authorized” to prosecute others as no other sect did before and after them. More over the Christian sinners are the only sect claiming their instigator to be the “god”. More over, this – even until to today denied change of Jesus (only John reports it) becomes the more explosive when the Moslems claim that their prophet Mohammed evidently was announced by Jesus as his successor (Paraclete) in the line of prophets. Jesus obviously knew that the Roman authorities never would not had believed in his resurrection and would have recognized a sorcerer’s trick by a stuntman. So, the execution would have repeated with the right delinquent (Jesus) once more and perhaps more cruelly. Obviously Jesus was convinced that he successfully could bluff the Jews -- who believed very much in miracles – with sorcery of resurrection. He already “performed” such attempts with Lazarus. I.e., instead of giving himself airs as the “resurrected” and the “redeemer” of the world he had to disappear from the view in order to prevent that the Romans repeat the execution with the real felon. Even if one foolishly and weak-mindedly believes that Jesus really resurrected the Roman authorities never would had believes in that drivel and would hat repeated execution anyway but more cruelly and more carefully. One way or another Jesus had to disappear from the view. That the Christian chronicles (Christians' cant: "gospels") do not report that threat that the Romans (and most of the Jews) never would had believed in any resurrection of Jesus but in a sorcery of a magician (by means of a stuntman) produces evidence that the Christian sinners lie, mislead and deceit the world public and humankind. A “resurrected” Jesus "Christ" instantly would have executed once more – and that the gospel writers conceal that threat demonstrates that the Christian sinners are liars and deceivers. In order to achieved that the now apparently heedlessly left perfidious schmucks (“disciples”) keep sticking up for him he announces or promise them another prophet and endorses the need of a further prophet while alleging that they do not know the most important things, yet.

Therefore, there is that contradiction of “doomsday” that should took place at the time of then generation on the one hand and the matter about the "Paraclete", on the other. “Average” human being thinks that it was incredible that somebody is able to entice another one into dying in place of him. On September 11th, 2001, 19 Muslim „Martyrs“ hijacked four US-airplanes. Each of the hijackers knew from the very outset that he will die and that there is no escape from dying. So, if somebody is obviously able to mobilize 19 human beings dying for him, do you really think that the very deceiver from Golgotha will not get one “martyr” dying for him instead of him? If Jesus would have failed enticing someone into that, that would have been a real miracle but not that “resurrection”! This is exposed more in detail on: <http://www.yeshu.net> („How Jesus faked his resurrection“.
