## ***Jesus "Christ's" perfidious Avowal to Terror and Terrorism***

This file is also available in [PDF](#), [ZIP](#) and [WORD.EXE](#)

The real "glad tidings" of the Christian chronicles (Christians' cant: "gospels") are that Jesus "Christ" is an almost perfect terrorist and terrorists' trainer. That is why Christian terrorism is that successful. This is to apply as well to the infamous intentions of Jesus "Christ" as to their moral camouflaging. The latter is extremely important for terrorists. Camouflaging barbarities to the utmost, that is what differs the average criminal from the terrorists.

The fact that, e.g., Catholic sect denied all their barbarities and atrocities for millennia until recently, demonstrates the particular terrorist character of Christian sect and their hard-boiled lies, hoax, deceit and barbarity.

Jesus "Christ" introduced knowledge that a terrorist does not only commit outrages, barbarities and other abominations. The terrorists also have to fake honorable reasons for their infamous, perfidious and insidious abominations. Jesus at first recognize that a terrorist is a felon faking to be a "martyr" or even "saint", yes a Satan that pretends to be "god". That is why Jesus "Christ" and his Christian sect cannot stop talking about "truths", "morals", "love", "god" and "charity" etc. And not only a few individuals they can lead up the garden path by those feigning.

If the swindler introduces himself as swindler, he has already lost. If the devil calls himself devil, he has already lost. The only chance he has to name himself the "god" ...

- Jesus realized that.
- He did that.
- That's why he succeeded!
- That is why Christendo(o)m is thriving.

In this way, his insidious fellow terrorists, i.e., the Christian under-slaveholders (slaveholder is Jesus "Christ" !) are used to emulating him excellently ("imitatio Christi")!. That is why Jesus monkey-Christ's and his Christian desperadoes' (Christians' cant: "innocent sinners")' hatred is hidden as "love" ("loving god", "love" of the next, "love" of the enemy and all the other sorts of "love" those deprave mind could contrive! This would not be that bad if lying about oneself would not be connected with lies about the "beloved" next

ones. I.e., the Christian desperadoes (Christians' cant: "innocent sinners") only can foster the lies about themselves (their self-deception) by denying those moral traits of other the Christian desperadoes (Christians' cant: "innocent sinners") do not have and not are a patch on them. Folks having those good traits Christian terrorists do not have are venomously slandered, libelled and reviled by infamous and perfidious Christian desperadoes in a terrible rage.

In order to fake to be „models of morals“ the Christian terrorists libel others the morally cannot hold a candle to them as „Pharisees“, criminals, felons tempting the „poor“ Christians for Satan etc. – that means as that what the Christian desperadoes (Christians' cant: "innocent sinners") indeed are themselves. This kind of behavior is called a psychological projection, i.e., charging others of that evil or depravity that is to apply to oneself. The worst „Pharisees“, felons and terrorists are the Christian desperadoes (Christians' cant: "innocent sinners"). In addition, Jesus "Christ" cares for it that at least once there was a devil in the shape of a human being: he in his very person! „God“ is what the Christian terrorists fancy to be and Satan is what the Christian desperadoes (Christians' cant: "innocent sinners") are, indeed! Jesus and the Christen are oozing with the venom of psychological projections. As others need bread and water in order to live, they need psychological projections to live.

Jesus was sure himself having refined skills of deceit to the uttermost, so that nobody can hold a candle to him:

*“And if thou wouldst know concerning me, what I was, **know that with a**  
**[1]**  
**word did I deceive all things and I was no whit deceived.”***

However, no camouflage, no deception, no hypocrisy, no lie is perfect. No deceit is perfect as well as no crime, even if Jesus believed having achieved the perfect crime, indeed.

Each need and/or each shortcoming the Christian desperadoes (Christians' cant: "innocent sinners") tried and are used to trying always to feign a distinction.

Aber keine Tarnung, keine Täuschung, keine Heuchelei, keine Lüge ist perfekt. Kein Betrug ist perfekt, ebenso auch kein Verbrechen – auch wenn Jesus glaubte, tatsächlich das perfekte Verbrechen erreicht zu haben.

For instance, Jesus' disgraceful birth – according to the standards of then time the Christian desperadoes (Christians' cant: "innocent sinners") even boosted – in any case, never begotten by this mother's husband, they faked as “idyllic attraction”: God secretly impregnated Mary in order to conceive „immortal blemish on humankind“ (German philosopher Friedrich Nietzsche). Ah, ah, ah – don't make me laugh...!

As a matter of fact, this tale is cribbed from the Mithraic (religious) rival and without further ado taken for Jesus by the early deceitful Christian desperadoes (Christians' cant: "innocent sinners"). However, this is not our objective here but <sup>[2]</sup> in our investigation on “The (cribbed) Star of Bethlehem”.

About the humiliating birthplace of the Christian „god" Jesus in a stable in between animals, filth and urine his insidious schmucks Christian) reacted in a manner that is quite typical for objectifications (incarnations) of perfidy : Just

because, just because, just because he was that disgracefully born he (Jesus) was something extraordinary bad, pardon, good... and we are " god's" chosen ones.

Just because, just because, just because – and all the more... that is the language of objectifications (incarnations) of perfidy , especially that one of the Christian desperadoes (Christians' cant: "innocent sinners")!

Obviously among other, according to the standards of then time there were two handicaps of Jesus the Christian desperadoes (Christians' cant: "innocent sinners") evidently failed faking to be any sham-distinction according to desperadoes' or terrorists manner: Just because, just because... This fist was

· Jesus' deformity (ugliness) <sup>[3]</sup> and the second

· his homosexuality. <sup>[4]</sup>

About both they resolutely remained silent. Pertaining to Jesus' homosexuality the early Christian desperadoes (Christians' cant: "innocent sinners") even were

prepared to conceal it by the felon of perjury. <sup>[5]</sup>

They intended to do so because according to the Jewish " god's word" -- the instigator of Christianity feigned to fulfil --homosexuality is an abomination to the god:

*Le 18:22 RSV*

*22 You shall not lie with a male as with a woman; it is an abomination.*

In reality, the Christian desperadoes' (Christians' cant: "innocent sinners") "god's" son an abomination to god!!! Who really wonders? However, he is not an abomination because he was gay but because for other reasons...!

When the spouse of East Roman emperor Constantine asked Christian priests about Jesus' outward appearance she got an evasive answer that this allegedly was not important.

After having succeeded in getting Jesus' (bodily and mental) deformity into oblivion and having installed Christian terrorism of state in Christianly enslaved and brainwashed countries, the Christian desperadoes (Christians' cant: "innocent sinners") started bustling beautification of their instigator (Jesus "Christ" ) they lifted up to their "god". Already in Byzantium they began doing so.

Is the outward appearance of a god void of any significance like that one of a human being? God -- a creepy, nasty, spiteful, misshapen little devil like Jesus "Christ" ? No, that even is impossible according to the Christian desperadoes' (Christians' cant: "innocent sinners") own "doctrines", so far one can call that doctrines.

[6]

In the so-called "Gospel of Barnabas" there are related talks of Jesus with Satan. One easily can infer by them why the Christian desperadoes' (Christians' cant: "innocent sinners") are not used to reputing Satan as Satan but as the "god".

[7]

At first, Satan attests his interlocutor Jesus) being "sound in mind" (Listen, listen!) and afterwards the devils explains the question that is keeping the Christian desperadoes (Christians' cant: "innocent sinners") on tenterhooks since millennia until the present-day: Cur diabolus Deus (Why Satan became the "god"), which the Christian desperadoes (Christians' cant: "innocent sinners") are used to feigning as the question: Cur "deus" homo? (Why "god" became man?):

*"O Lord, you have unjustly made me hideous, but I am content thereat, because I desire to annul all that you shall do. And the other devils said:*

[8]

*"Calf him not Lord, O Lucifer;, for you (Jesus) are Lord."*

For a better understanding the following must be clued. According to prophet Isaiah (14:12), which the author of "The Gospel of Barnabas" as well Jesus "Christ" knows, Satan evenly is called Lucifer or the fallen "Morning Star". In chapter 22:16 of "The Revelation of John" – the last part of Christian "New Testament" (the Christian addition to the Bible) – Jesus "Christ" proudly and this time not perfidiously calls himself the "Morning Star"! In view of this background the allusion of the author of "The Gospel of Barnabas" becomes understandable. By far, "The Gospel of Barnabas" is not the only Gospel debunking Jesus

“Christ” that way. E.g., this is also done by the so-called “Apocryphon of James”.

That's “deification” in Christian sect, i.e. why Satan or his son became the “god” to the Christian desperadoes (Christians' cant: "innocent sinners")...

That is why the Christian „god “is besotted with all the sick, cripples, (moral) weak ones, the failures and mischief of the god's or nature's creations...: Because Satan (and similarly Jesus and the Christian sinners) vow vengeance on all that turned out like Satan and the Christian desperadoes (Christians' cant: "innocent sinners") so gladly would have done.

That is what Jesus or Satan's son says in, “The gospel of Barnabas”. Jesus was one of them, i.e. of the failures of creation, of the ugly, of the misshapen, of the despised deformities concerning body and mind, of the depraved.

When doting on the failures of nature's or god's creation Jesus firstly “loved” and promoted nobody but himself like Satan is used to doing according to the Christian desperadoes’ (Christians' cant: "innocent sinners")' own doctrines.

Of course homosexuality is a kind of sexual preference but not for Jesus and all the depraved Christian desperadoes (Christians' cant: "innocent sinners"). Jesus knew the Jewish divine scriptures and that according to them a homosexual is an abomination to god.

So – like Satan in “The Gospel of Barnabas” he vowed vengeance. And that

vengeance on humankind is his Christian sect.

By Jesus, a failure of god's or nature's creation, maliciousness and/or a spiteful little devil exalts himself to the god and he is able to do so because of all the spiteful little devils that exist among each generation of human beings. That is what we are going to produce evidence now.

Here, in "The gospel of Barnabas" it is alluded

- to Jesus' ugliness,
- to his „discrimination“ by nature's or god's creation
- to be a misshapen dwarf, further to his alleged –according to then moral standards the Christian desperadoes (Christians' cant: "innocent sinners") above all even boosted –
- “abominable” sexual preference as well as
- to the disgraceful circumstances of his begetting and birth.

For that he vowed vengeance on each and everything -- like Satan does on the god according to the Christian desperadoes' (Christians' cant: "innocent sinners")'

[9]

own doctrines. This what the following saying of the “Gospel of Thomas” reveals – another gospel the Christian desperadoes (Christians' cant: "innocent sinners") wanted to get rid of for ever but failed due to a bright fellow of Nag Hammadi in Egypt that hid and conserved all those scriptures for posterity:

*„Jesus said, "I shall destroy this house, and no one will be able to (re)  
[10]  
build it..."*

“House” means truths, human beings, morals, and the world! This is an announcement of total vengeance and of totalitarian terror of which he is completely sure to succeed. And as a matter of fact, he is the most successful terrorist and his sect the most prosperous barbarianism and terrorism, beyond doubt.

Oh yes, this is quite another Jesus than his insidious schmucks (Christians) want to fob off on their conspecifics. He even sees the danger of “misunderstandings” that in view of all propagated hypocrisy one could repute him as a “peaceful” individual “loving” his next. By this conflict of lie, hypocrisy, deceit on the one hand, and real intent on the other, it is given rise to “eternal” „misunderstandings“:

*Jesus said, "Men think, perhaps, that it is peace which I have come to cast upon the world. They do not know that it is dissension which I have come to cast upon the earth: fire, sword, and war. For there will be five in a house: three will be against two, and two against three, the father  
[11]  
against the son, and the son against the father."*

Oh yes, oh yes in view of all that hypocrisy of “love”, “charity”, “peace”, “modesty”, “humility”, “love of the enemies” etc. indeed and in fact a lot of “misunderstandings” can start going around that Satan or his son (Jesus)

was in favor of "peace" and "love"...These „misunderstandings“ Jesus feels sorry for himself and how he fabricated them, we will describe in detail, yet...

On top of everything, one should imagine what numerous "prosecutions of Christian sinners" now will come into existence in wake of such a declaration of war of Jesus (Satan's) Christ on humankind, because he and his insidious schmucks (Christians) "only", "simply", yes "solely" fake, feign, sham, pretend and lie "love", "peaceableness" and "peace", however indeed and in fact, want fires, swords and wars ... Jesus and his Christian desperadoes (Christians' cant: "innocent sinners") would be no swindlers, if they would not fake and pose the victims as the "perpetrators „and the perpetrators as the "victims".

Oh yes, these "unjust" and "unfair" prosecutions" of Christian desperadoes (Christians' cant: "innocent sinners"), because those that are assaulted, oh yes, even are going to be murdered by the Christian desperadoes (Christians' cant: "innocent sinners") are "only", "simply", yes "solely" that presumptuous to defend themselves... "Only," "simply", "solely" .... Oh, what an "unjust", "depraved" world...!

At this point we have to drop some remark son hatred and vengeance.

Indeed, hatred and revenge are no evil and insane traits, provided they are legitimate responses on accordingly outrageous situations and/or figures of human beings. Nobody honestly can accuse the Nazis' hangmen to be vindictive because of executing death penalty on them. The same is

pertaining to the Christian barbarians. Otherwise any punishment, jail and jailing would be hatred and vindictiveness but not justice.

It is not only everybody's right but also everybody's duty to defend and preserve the „house" Jesus wants to destroy forever! Fighting criminals, felons and/or brutes is installing justice and even real democracy (instead of a faked one) and no hatred and revenge.

In the past Christian desperadoes (Christians' cant: "innocent sinners") feigned "love". At present, they are used to faking "human rights" and "democracy" – just what is up to date." Modest " and "humble" Christian desperadoes (Christians' cant: "innocent sinners") are used never to missing a chance to deck themselves in borrowed plumes...

I would like to think that the honor of humankind requires clamping down on this "immortal blemish on humankind" German philosopher Friedrich Nietzsche (1844-1900 C.E.) of lies, deceit, atrocities, barbarities and terror. In this context, one also has to take into account the mendacity of that depraved individuals so gladly put themselves into shoes of „martyrs “.

The worse their depravity, the more their pose of " martyr"! So, that scum of humankind (Christian sinners!) always is used to turning justified and due abhorrence, disgust and hatred on them because of their murders, other barbarities and abominations into the opposite of blind and evil hatred on "humankind", yes even on "god", although there is no blasphemy and insult of the god, if Jesus and Christendo(o)m are not that...!

Those, who realize ("mirror") themselves in Jesus "Christ" and in Christian sect hereby turn out as malformations of soul, to which untruthfulness, lie, hypocrisy and corresponding crimes not only have become second but already first nature. And the brainwashing does the rest, they harm themselves mutually.

Of course, each cultured mind has and shall have pity on failures of nature. However, this never entitles to

- lying and deceiving,
- revenge on all that do not turn out that badly, to
- turn everything topsy-turvy, or at least to
- warfare, murders and atrocities on those without such handicaps.

As said, with the term „house “in the" Gospel of Thomas" Jesus means world, human beings and the truths. With it, insidious Jesus believes having succeeded in the perfect crime, forever.

He was convinced that nobody after him would be able to reconstruct his and his insidious schmucks' (Christian sinners') distortion and falsification of the truths and facts. He boasts about this very big. So, one does not know if there is a god, however it is safe to say there is a devil or that there are devils: Jesus and his insidious schmucks (Christians) faking to pose as the "god" respectively "god's" chosen ones!

· **Pertaining to Christian sect it might be much about but nothing about theism and religion.** Comparably, Christian sect and/or "religion" or theism is the same as the Mafia and the serious entrepreneurs.

· According the Christian desperadoes' (Christians' cant: "innocent sinners") doctrines of their own, Jesus matches the criteria of Satan...

„Behind the facade of „love “, lurks the brute of hatred and vindictiveness in a sheep's clothing that on top of everything is still hypocritical and false enough clapping others on the back while warning them of “wolves in a sheep's clothing”.

So, hardly someone hit son the idea that precisely the „good shepherd” that is warning one of those" disguised wolves”, indeed is that wolf or brute in a sheep's clothing he is warning of ...

Oh yes, how easily one can “misunderstand” Jesus... Oh yes, indeed – the (Christian) insidious schmucks of this terrorist indeed talk allsorts of duffers, mugs, morons, schmucks, idiots and other weak minded ones into buying that Jesus and his fellow Christian sinners only, solely and just have „charities" and nothing else in their mind and if still something else, then even still „enemy love “.

They let the Christian desperadoes (Christians' cant: "innocent sinners") take liberties to tell them that Jesus was the best prophet, because he even had the

cheek to command "enemy love" to his adherents and never had the slightest idea of „**fires, swords and wars**“ ...

Already, a little reflection would debunk the liar and hoaxer, because love is an emotion (feeling), and only hypocrites, liars and swindlers of course and of course command "feelings".

I.e. already the way he fancied emotions debunks that falseness, mendacity, hypocrisy and consequently deceit already had become Jesus' first and not even second nature. Nothing else is to say about his insidious schmucks (Christians).

Commanding emotions, e.g. "love", is a mistake only an emotional totally shattered and destroyed individual can make. Exactly in this manner, Jesus and his Christian desperadoes (Christians' cant: "innocent sinners") unmask themselves, if - on top of everything being blinded - they even enumerate what sort of things one shall „love“.

In German there is a proverb: If the wolf eats chalk... So, if the wolves eat chalk they fancy, contrive and command all sorts of "love", most of them nobody knew before...

If they still have boozed sufficient litters of „oil“ before, then they even command to "love" the devil from the bottom of their (spiteful) heart... And do cross my heart: Don't the Christian desperadoes (Christians' cant: "innocent sinners") do that when pleading their infinite and unshakable "love" to Jesus?

Each human being, who at least has preserved relicts of honesty and decency, knows that one can order respect but never emotions. So, Jesus loses his mask that way without getting aware of it.

Every once and a while his real intents of hate, vengeance, barbarity and terrorism shimmer through his sheep's clothing. However, if he has boozed enough oil and eaten a lot of chalk, the brute can disguise itself as nobody else ever could do:

*Mt 10,34 – 36 RSV*

***34 "Do not think that I have come to bring peace on earth; I have not come to bring peace, but a sword.***

***35 For I have come to set a man against his father, and a daughter against her mother, and a daughter-in-law against her mother-in-law;***

***36 and a man's foes will be those of his own household.***

So, here Jesus attests himself that MAN'S FOE is the one that camouflages himself as "man's son" or even "god's" son...

Again, he has to warn of the „misunderstandings“ he himself concocts that the faking „good shepherd“, „god's son “ could have in mind: „Love“, „joy“, „peace“ etc. . And now and then, it is elation at the swindler's victory, he obviously could not withstand, to rub it in the duped how gallantly he bamboozled them.

Doesn't he fabricate all those “misunderstandings”?

*Mt 5,1 RSV¶*

*1 ¶ Seeing the crowds, he went up on the mountain, and when he sat down his disciples came to him.*

Here, one has to have compassion: A more or less dwarfish has to climb up a mountain in order to give prestige to himself.

So, mountains became very significant to him and to his insidious schmucks even today. Don't they put a cross on each high mountain and even statues in Rio de Janeiro or Lisbon in order to demonstrate what Mafia's "protection money territory" one has entered?

*Mt 5:2 RSV*

*2 And he opened his mouth and taught them, saying:*

His insidious schmucks (Christians) even have to be "taught" that one cannot talk while one's mouth is closed and therefore her topmost fellow opened it... My word! You never know what all sorts of things one can learn from Satan and Jesus Satan's) Christ besides lying, swindling, bamboozling and perpetrating abominations...! You never know...

Don't the Christian desperadoes (Christians' cant: "innocent sinners") have the knack of titivating little frogs, creeps n' crooks? Athirst he taught them and afterwards – what a miracle! -- he started speaking...: (And there are folks disputing that he could work any "wonder" but sorcery...!):

*Mt 5:3 –11 RSV*

*3 ¶ "Blessed are **the poor in spirit**, for theirs is the kingdom of heaven.*

4 "Blessed are **those who mourn**, for they shall be comforted.

5 "**Blessed are the meek**, for they shall inherit the earth.

6 "Blessed are those **who hunger and thirst for righteousness**, for they shall be satisfied.

7 "Blessed are **the merciful**, for they shall obtain mercy.

8 "Blessed are **the pure in heart**, for they shall see God.

9 "Blessed are **the peacemakers**, for they shall be called sons of God.

10 "Blessed are those **who are persecuted for righteousness' sake**, for theirs is the kingdom of heaven.

11 "Blessed are **you when men revile you and persecute you and utter all kinds of evil against you falsely on my account**.

Oh my goodness, what numerous "misunderstandings" come into existence when oozing with such a hypocrisy and when strewing that much "counterfeit money" in the landscape, right from the top of a mountain...?

One never knows what happens if a wolf eats chalk or boozes oil. Folks may think the brute really wants peace, kindness, and friendliness instead of fires, swords and wars... Isn't Jesus to blame for those "misunderstandings"? Who can know that he praises all he isn't and doesn't want...?

That is what the matter looks like if a wolf or brute eats chalk. None of the gospel writers relates how many liters of oil Jesus boozed before this speech on the mountain... However, most of the gospel writers do not mentioned that obviously insignificant masking of Jesus "Christ".

Isn't it maudlin that such a hypocrite in view of that huge allocation of "counterfeit money" wonders that some confuse him as „peacemaker“ „prophet of the charity“, "merciful", isn't it?

He (Jesus Monkey Christ  
) is completely "innocent" because of all those "misunderstandings"... He, for instance, praises the merciful, the meek ones, the peacemakers – so, who can know that he does not want peace but fire, sword or mercy but war? Who can know that he is not "meek" but irascible or that the "merciful" one is belligerent?

Oh, do not begrudge the dwarfish „devil's“ -- that wanted to play god Mithras so gladly -- “generous” strewing of cribbed “candies”, right from the top of the mountain downwards into the landscape. There are enough receivers of those cribbed goods...! Cur diabolus deus? Why did Satan become the “god”, in Christendo(o)m...?

Isn't Jesus a paragon of self-denial?: The mourning, the meek, the merciful ones, yes even the peacemakers are praised to the utmost by the swindlers' “god” or Satan, although he desires to bring „division, fires, swords and wars“. Oh, what Jesus is “suffering” ...!

Doesn't he have reasons for shedding crocodile tears for being “misunderstood” that much, when his mask of hypocrisy, lies and deceit is confused with the matters he wants to accomplish: Fires, swords, warfare...?!

Does this „lamb of Satan“, pardon, of “god“, this „lamb “ of" innocence” provide himself the victims of his deception allegedly to be crucified “for the sins of the world”, however instead of being crucified himself, wanted to crucify the world and lay it in ruins? In the gospel attributed to his fellow swine (“disciple”) Philip Jesus says:

*„The Eucharist is Jesus. For he is called in Syriac "Pharisatha," which is "the*

*one who is spread out," for Jesus came to crucify the world.*

Always these „misunderstandings“ and that are only due to the morons' ignorance not knowing that each deceiver pretends the reverse of that he indeed is up to plotting... I.e. that deceiver and monstrosity, who wants to crucify the world does not introduce himself as their tormentor to the victims but as the "innocently crucified one" ...

Now the mugs, the duffers, the jerks and all" that are poor in spirit“ do not recognize the one that his hanging “tortured“ on the cross, exactly is going to become their tormentor and torturer that is going to crucify them!

When they finally grip that, they already are trapped and the few that look through that perfidy become jailed or even are burnt alive at the stake, before they can achieve anything... Christian politicians, i.e. Christian trained brutes enable much, what „usually “ is impossible among human beings...

Precisely as Satan - who is nothing but a projection of Jesus an the Christian sinners' traits and nature according to the Christian desperadoes' (Christians' cant: "innocent sinners") doctrines of their own -- did not like that god was better than he, i.e. that god was the first one and he a lower being, Jesus and the Christian desperadoes (Christians' cant: "innocent sinners") are rebelling on god and against nature while trying to warfare on their conspecifics.

What one does to one's neighbor one also does to the god – according to Jesus' “terms” of “charity. That means , if the Christian desperadoes (Christians' cant: "innocent sinners") warfare on their conspecifics, against their neighbors and next, they also warfare on the god...!

They cannot hit god directly but indirectly by his creatures! The Christian desperadoes (Christians' cant: "innocent sinners") always brainwash their conspecifics that what one does good to one's next is also a good deed for the god and repress the knowledge that this is the same pertaining to misdeeds and harm to one's next. **All Jesus' (Satan's Christ) and the Christian desperadoes' (Christians' cant: "innocent sinners") calamities, reviling, crimes, felons, atrocities, barbarities and terror on the conspecifics (next ones) are also such on god!**

That is what is meant by saying: What you have done your next one, you also have done to me (the god). However, Jesus (Satan's) Christ is completely apologized one's more: Because he failed to see that ...! He just fakes "morals" in order to take impregnably revenge ("fires, swords and wars") on his next ones for the misery of his own...

Consequently Satan deemed god to be a failure because of his imperfect or defective creation. This stirred up Satan to take revenge on god who allegedly created him unfairly and unjustly, just because he (Satan) was inferior to the god.

So, Satan got goaded on taking revenge on god and thus wages war on the god, in order to put the last as the first and all upside down as downside up. Nothing else does Jesus (Satan's) Christ. This is the goal of Jesus Satan's) Christ and Christendo(o)m.

Secretly and concealed the Christian desperadoes (Christians' cant: "innocent sinners") deem god -- that supposedly great omnipotent like omniscient god -- for a failure. That is why they lifted up Jesus -- instead of god! -- to the „god“ and call him “god” -- as Satan lifted himself to the “god” instead of god and calls himself “god”, according to the Christian desperadoes' (Christians' cant: "innocent sinners") “doctrines” of their own.

*„The world came about through a mistake. **For he who created it wanted to create it imperishable and immortal. He fell short of attaining his desire. For the world never was imperishable, nor, for that matter, was he***

***[13]***

*who made the world.”*

Again, this is written in the “Gospel of Philip”. Here at the latest, it becomes clear to everyone that Christian sect has nothing do with god. It has a “god” of its own (Jesus) instead of god. Because god is a “washout”, he needs a “son” or the devil as guardian ordering him how to get along...

According to Satan's or Jesus' perception god “generously” is allowed to reign, if the devil and/or his son (Jesus) have settled everything to the advantage of their own and their followers (Christians), before.

For instance, that the lastare reputed to be the first . Of course, this does not mean any guarantee on the other hand that both, Jesus and/or Satan, will intervenes again, if god would do something the fiend and man's foe (Jesus) do not consent:

*1Co 15:28 RSV*

***28 When all things are subjected to him (Jesus), then the Son himself will also be subjected to him (god) who put all things under him, that God may be everything to everyone.***

That is exactly the way Satan fancies his relationship to the god. Aren't Satan and his son (Jesus) “generous”, aren't they? After having settled all according to

their profit and selfishness and having accomplished all their vengeance of swords, fires and wars, then, yes, then god may be god under the surveillance of Satan and his son (Jesus)... That's precisely how Satan fancies god's job under his (the devil's) supreme command...

Well, Satan and/or his Christ (Jesus) indeed became the "god" -- instead of the god-- in Christian sect. The brainwashed Christian slaves are hoaxed into believing that god had castrated himself in favor of Satan or his Christ Jesus) and passed all power and authority to them. So, Jesus (Satan's) Christ can give lessons to that washout (the god) how to execute his job, aright:

*Mt 11:27 RSV*

***27 All things have been delivered to me by my Father; and no one knows the Son except the Father, and no one knows the Father except the Son and any one to whom the Son chooses to reveal him.***

*Lu 4:6 RSV*

***6 and said to him (Jesus), "To you (Jesus) I (Satan) will give all this authority and their glory; for it has been delivered to me (Satan), and I give it to whom I will.***

What amazingly Jesus and Satan resemble according to the Christian desperadoes' (Christians' cant: "innocent sinners") "doctrines" of their own: Both

1. share the view that god made the wrong ones the first and evenly pertaining to the last and that it is to intervene against that failure -
2. deem god to be a washout regarding his job -
3. feel obliged to correct god's „creation“, at first in that sense being worshiped as the "god" himself and to hold the reign instead of the washout god)
4. claims that god had realized that they (Jesus and/or Satan) could better do

the job (as the god). Therefore, he (god) had handed over all authority power of the keys) to them (Satan or his Christ) and does not care to whom –especially to what other felons, Mafiosi and/or barbarians -- they pass on that "divine" authority...

Always, again and again Jesus is discernible by the words of Satan according to his own words and the “doctrines” of his sect. By the way, that what is claimed and faked supposedly to be delivered to Jesus or Satan by the god we call their „counterfeit money“.

Incidentally, the pope-terrorist in Rome also claims to have got delivered those “authority of the keys on Earth and in heaven” from Satan or Satan's Christ, i.e., the instigator of his sect (Jesus) that “produced” that many barbarities and abominations as no organized crime before and afterwards.

Therefore, he is used to faking to be entitled to torment humankind as deputy slaveholder (of slaveholder Jesus -- Satan's -- Christ). Whoever can doubt that the pope-terrorist is deputy of Satan and his Christ on Earth...?

And just by a little reflection one would succeed in conceiving that an irascible devil like, for example, Jesus (Satan's) Christ, who could not set fire to the world as quickly as possible, never honestly could esteem the meek, kind and peaceful ones:

*Lu 12:49 RSV*

***49 "I came to cast fire upon the earth; and would that it were already kindled!***

*„Jesus said, 'I have cast fire upon the world, and see, I am guarding it*

**[14]**

***until it blazes. "***

- My word, what " meekness"!
- My word, that "peacemaker"!
- My word, that model of "mercy"!
- My word, what a terrorist's "pure" heart!

By these avowals he confesses not only being a deceiver but also being an perfidious terrorist! An perfidious terrorist he is because generally he veils this terror on humankind as " brotherly love", "enemy love", "charity", "mercy", "truthfulness" and other sorts of insidiousness. His and the Christians' most trait is to be perfidious.

Isn't the Christian desperadoes' (Christians' cant: "innocent sinners") belief powerful, isn't it? It shifts mountains and the truths anyway...! Now, it becomes quite evident that "god" has delivered all authority to Satan or to Jesus (Satan's) Christ!

Well, whoever is not even that stupid is able to find out that all is sheer bluff. Anyway, his insidious schmucks (Christians) exactly understand the message that is camouflaged by „love“, „humility“, „modesty“ and „meekness:

*Heb12:29 RSV*

***29 for our God is a consuming fire.***

German desperado Martin Luther calls Christian sect's "god" a „tower, good defense and arms" in a song. That is why the Christian desperadoes (Christians' cant: "innocent sinners") are besotted with ranking Satan as the "god". It is always about war and warfare – and do never forget: What evil the Christian desperadoes (Christians' cant: "innocent sinners") do to their next they allegedly do to the god according to Jesus, i.e., the warfare on their next means waging war on god...

*Mt 25:40 RSV*

*40 And the King will answer them, 'Truly, I say to you, **as you did it to one of the least of these my brethren, you did it to me.**'*

*Mt 25:45 RSV*

*45 Then he will answer them, 'Truly, I say to you, **as you did it not to one of the least of these, you did it not to me.**'*

Thus, all what (of "division, fires, sword and wars") Jesus and his insidious schmucks Christian sinners) inflicted on their next ones, means evenly perpetrating the same on the god: Invective, insult, prosecution, spite, maliciousness, pyres, stakes, crusades, assassinations, mass-murders, genocide and all other barbarities!

Why are those Christian abominations against their next ones not only ones against their conspecifics but also warfare on god?: Because they want to abolish god, firstly by fellow swine (Jesus) as "god" of their own and secondly, they cannot strike god directly but only by his creatures (human beings, next ones).

Jesus already had the same enemies as the Christian desperadoes (Christians'

cant: "innocent sinners") have, until the present day: Those that did not want him as slaveholder subservient to his insatiable lust for power, i.e., worshiping him as the god. That is why Jesus (Satan's) Christ and the Christian desperadoes (Christians' cant: "innocent sinners") are – besides Satan -- the first abomination to god and all morals.

The more one knows about psychology of Christian evil, the more one knows that Jesus and his insidious schmucks (Christians) at first did not inflict harm on their conspecifics but on god and secondly on their next ones.

There is no more godless biped but Jesus (Satan's) Christ and there is no more blasphemy but Christendo(o)m.

One only can hit the god by hitting the next ones. Evenly, they firstly do not warfare on "infidels" but on god because they firstly want to be reputed as the first (reigning ones) as Satan once rebelled against the god. Driving motive of those "religious" barbarians and/or sectarian creep n' crooks is their insatiable craving for being slaveholders of their conspecifics.

Jesus and Christendo(o)m are just techniques of perfidy how to bamboozle and outwit one's "beloved" next, how to reign above them and thus making them subservient to oneself... That his respectively their "charity" ...!

That is why Christian sect has a "god" of its own (Jesus), instead of god. Whoever really can doubt that Christian sect is the most abominable barbarity on this planet worshiping Satan or the Satan's Messiah, fiend's anointed one or devil's Christ as "god" and that is used to perpetrating the demon's infamies? Jesus is "apologized". Jesus completely missed to see that the notion of the "next" does not only imply the good things one is conferring on one's next but also the wicked .

Otherwise it would have dawned on Jesus and his insidious schmucks (Christian sinners) that their "notion" of dealing ("loving") with the next ones implies the good as well as the bad (evil) things. That is why the lawfully convicted felon and death penalty convict (Jesus) -- however could it be else? -- once more is sheer a "lamb of innocence" ...

Why did Jesus fail to see this? Because these sayings are that "moral" camouflage and simulation he slyly is offering to his salves (Christians). How could somebody defend himself against Jesus and the Christian desperadoes' (Christians' cant: "innocent sinners") lies, deceit, ambush, spite, depravity and crimes? Firstly by claiming human rights and other morals!

So, Jesus deprives the targeted victims of their weapons of morals and human rights ("love") in order to defend themselves against his and the Christian desperadoes' (Christians' cant: "innocent sinners") barbarities and abominations.

Jesus is doing this by hypocritical and false claims to all those moral concepts ("love", "charity", "god" etc.) he and his insidious schmucks lack more than any other biped and that could be opposed to him and his insidious schmucks (Christians).

While hatching his abominations he is already neutralizing the opponents' and victims' arms. So, one cannot argue

- against (atheist) Jesus "Christ" with the notion of god, because godless Jesus "Christ" claims himself to be the "god".
- against Jesus depravity because he is claiming all morals.

This is the very lie and deceit of Jesus and the Christian desperadoes (Christians' cant: "innocent sinners") is that successful. That is what he means when saying: Before plundering a house his insidious schmucks (Christians) shall fetter the

homeowner, so that he is unable to defend his goods and his life against the (Christian) robbers.

*Mt 12: 29 RSV*

*29 Or how can one enter a strong man's house and plunder his goods, **unless he first binds the strong man? Then indeed he may plunder his house.***

Those who admire those mean, base and spiteful tricks should know that this is sheer cowardliness and if something else then it is humankind's most abominable, base and disgusting abomination. The Christian desperadoes (Christians' cant: "innocent sinners") cowardly deceive because of their weakness and inferiority of mind, morals and/or body. While making up one's mind living a lie or deceit, one already concedes to be a loser that is unable to match the demands of life.

Even each victory that occurred because of deceit is always an evidence of being unable to pass a candid, sincere and fair competition with the other fellow human beings. Even if Catholic priest-terrorists present themselves that dolled up, so that they already can compete with parrots, they stay those miserable, paltry creeps n' crooks and/or creeping worms...

Pertaining to Christian barbarity it is about using the concept of "god", "love", "truths" and "morals" for Jesus' and the Christian desperadoes (Christians' cant: "innocent sinners") own ends: Enslaving all their conspecifics making them subservient and waging war on those that do not want to accept those depraved creeps n' crooks as their slaveholders. This does not mean that they do not take their vengeance out on the weak ones that are still weaker than this Christian creeps n' crooks n' disgusting worms... On the contrary!

Isn't a swindler like Jesus (Satan's) Christ that wants to bamboozle others right when praising the stupid ones („poor in the spirit“) to be blessed? The fairly

intelligent ones can get wise to the perfidy of furtive Jesus...

*Lu 12:51 RSV*

***51 Do you think that I have come to give peace on earth? No, I tell you, but rather division;***

Isn't Jesus right praising to be blessed those "thirsting for justice", those that are "prosecuted because of justice"? Before Christian terrorism turned those lives into corpses, they presumably were craving for justice, morals and humaneness...!

· How many victims of Christian abominations were thirsting for justice?

· How many victims Christian barbarianism were unjustly prosecuted?

· How many of them unjustly reviled and libelled by Christian terrorists?

Finally, here Jesus already praises the corpses of the murders, mass-murders and genocide of his barbarism, i.e. of Christian sect and cynically „consoles“ those victims because of misery nobody else but he (Jesus Monkey Christ ) provided and inflicted on them...

Jesus' and the Christian desperadoes' (Christians' cant: "innocent sinners")' intent to accomplish division, sword, fire and war certainly cannot be fulfilled without the victims' thirsting for justice, without unjust prosecution by Christian swineherds and without the Christian desperadoes' (Christians' cant: "innocent sinners") reviling and spitefulness! E.g., what innumerable misery did cause setting Rome to fire, perpetrating the genocide on the Jews, Native Americans in America, the crusade in the Middle East against Moslems, the assassinations of all

the Christian competitors and rivals?

How many folks did thirst for justice because of the Christian barbarities? Those thirsting ones for justice will be so long as Christian sect is allow to commit their crimes without getting punished for them. Oh yes, Jesus (Satan's Christ) – this prime example of Christian: He is not only instigating and thus providing misery, crimes, murders, barbarities and abominations but he is also used to “consoling” all the victims he and his insidious schmucks (Christians) “produce”, provided, provided, yes provided that they are still alive...

Aren't the Christian desperadoes (Christians' cant: "innocent sinners") right when presenting such cold “comfort” (“sermon on the mountain”) as window dressing and/or “superiority” of their sect? Does any other felon or Mafiosi commit barbarities and evenly provide cold “comfort” for the victims...?

(Jesus) Satan's Christ – the model of all felons, especially for those ones of the Christian desperadoes (Christians' cant: "innocent sinners")! (Jesus) Satan's Christ and his Christian desperadoes (Christians' cant: "innocent sinners") – the blackguards, brutes, barbarians and terrorists with “heart” (of cynic!) ...! My word, sometimes there is also monogramming thieves and among Jesus' rogues and barbarians, anyway...!

However, you tormented, you tortured, you murdered ones, the instigators of your misery and his insidious schmucks, the perpetrators, are “comforting” you... For thanking them, please a little kiss on their rings; get down on your knees, will you?

You suffering ones, console yourself: Your tormentor, your torturer (Jesus Monkey Christ ) is like an arsonist, who shares the funeral of his victims in order to enjoy his success of his abomination and to deride them... That is almost the perfect crime: Not only perpetrating crimes and tormenting others but also "consoling" the bamboozled and tortured ones --provided, provided, provided that they are still alive...!

Jesus knows that a crime only under that condition is perfect, if the malefactor successfully is disguised as „benefactor“, yes even as „redeemer “ of all that misery and abominations he (himself) provided and inflicted on them. Jesus masters that excellently, doesn't he?

Couldn't Jesus predict, i.e., all the "meekness" and „peacefulness“ of his sect?

[15]  
*Jesus said: "He who is near me is near the fire..."-*

Whoever is closed to this Satan's Christ indeed is closed to the fire of deceit, vengeance, spitefulness, wars, murders, the mass-murders , genocide, barbarities and all other abominations. Here, the Messiah , the Christ of Satan is summarizing the history of the sect of his own.

Behind all „love “ and “charity“ that brute is shamming, there is hatred, spitefulness, maliciousness and vengeance as ruthless lust for power that should

schmucks (Christians) are mastering this that excellently that Jesus is already worrying one could take his counterfeit money as real money.

<Jesus said,> "***Whoever does not hate his father and his mother as I do***  
***[16]***  
***cannot become a disciple to me.***

Oh yes, whoever does not hate like me...

- That's the "love" of Jesus (Satan's) Christ!
- That's the "love" he "loves" his conspecifics whose slaveholder he so gladly wants to become.
- My word!: That's the "love" the Christian desperadoes (Christians' cant: "innocent sinners") „loved" each other already from the very outset.
- That's the „love "by which the Christian desperadoes (Christians' cant: "innocent sinners") always and certainly are to find out!

While feigning "love" Satan and his fellows (Christians) hate each other – even Satan's son (Jesus) his mother (Mary). East Roman emperor Julian (332-363 C.E.) watched the following concerning Christian desperadoes (Christians' cant: "innocent sinners"):

***"I (Roman Emperor Julian) experienced that even beasts of prey are not that hostile***  
***[17]***  
 ***minded to human beings than Christians one to another."***

That is really the "love" by which Satan, his Christ (Jesus) and their followers (Christians) always were, are and will be recognizable...! Indeed, that is way devils are used to behaving! The evidence: Go to the Island of Hobart, South of Australia, and watch the "social" living together of the devil animals.

They behave like Christian desperadoes (Christians' cant: "innocent sinners"): The cubs bite their mother – in fact not only because of fun – and obviously hate their mother. So, the devil animals surely behave contradictory to the Ten Commandments of the Jewish god but quite according to Jesus Monkey Christ and/or Satan's commandments...

The mother has to kick their cubs out very soon in order to save their life, the cubs of their own are endangering... So, those devils are really candidates for Jesus Monkey Christ and his father (Satan's) "heaven" ...! Once more, this might be evidence how "mistakably" Jesus names Satan "god" and hell "heaven" ...

If one studies terrorism of Christian sect over centuries, especially that one of the Middle ages, then one cannot deny that Jesus necessarily did not succeed in the perfect crime admittedly but no biped did more than he did.

Even today, he succeeds well in reversing the roles of perpetrator and victims

and in nipping all attacks on his and his fellows (Christians) abominations in the bud as alleged blasphemy and in doing harm on all honest ones in favor of his fellow deceivers and terrorists. Indeed, there is no more blasphemy but Jesus and his (Christian) sect!

Each deceiver always is used to faking the reverse of what he is up to plotting. Behind the facade of „love “ -- under the sheep’s clothing the deceiver is disguising himself -- there is only the abyss of the vengeance, vindictiveness and the unsatisfied as indomitable lust for power of a deformity that want so be slaveholder of humankind, so gladly. And that is what he understands by the notion of “god's” son:

*Lu 19:27 NRSV*

***27 But as for these enemies of mine, who did not want me to reign over them, bring them here and slay them before me.”***

That is the insatiable lust for power of a slaveholder! Please, do admire his “humility” and “humbleness”. In return, hell-- the Christian desperadoes (Christians' cant: "innocent sinners") call “heaven” -- holds a place for you...

That spiteful little devil (Jesus Monkey Christ ) palms himself off as “servant” onto all morons, duffers, jerks, mugs and all the depraved... No kidding! Here, Jesus recognizes (“mirrors”) himself pertaining to his instincts of hatred, vengeance and insatiable lust for power. In view of such ruthless and insatiable vengeance one should advise him:

*Mt 5:44 RSV*

*44 But I say to you, **Love your enemies and pray for those who persecute you,***

*Lu 6:27 RSV*

*27 ¶ "But I say to you that hear, **Love your enemies, do good to those who hate you,***

This is the perfidious mind of his by which this monstrosity insinuates himself into the perfidious . That is the way how he camouflages himself and his intents of destroying humankind! That is Christianity! This his and the Christians' perfidious bestiality! He and his Christians desperadoes are the incarnation of perfidy!

Jesus, imagine – on planet Earth there is a sect calling itself Christendo(o)m that even extols itself that their instigator recommended the hypocrisy to his followers: Love your enemies, do good to those who hate you... And you Jesus want to have them slain...

**Jesus, can't you take this sect as your model?** However, if Jesus would ask us by what he should take a pattern, e.g., by the corpses of that sect, then we would get dumbfounded. And if he still would produce evidence to us that already their“ god” complained about those „misunderstandings “we would be checkmated by him...

Hypocrisy, lie, deceit turns into the first nature of those (Christian) individuals that much, so that one could think the deceiver consists of two persons – the one he (she) is faking and the other one he (she) really is. However, each swindler has to endure that split of madness, that schizophrenia. So long they are able to differ between both (what they fake on the one hand, and on the other what they really are, respectively intend) they are not insane but perfidious.

Jesus and the Christian desperadoes (Christians' cant: "innocent sinners") are a mixture of both, because gradually they start believing in their fakes, hypocrisy, lies of their own and at a later date they are hardly able to discern fakes from the facts. The deceiver always has negated what he (she) is and what he (she) is up to plotting. Otherwise he (she) does not deceive.

The question, whether the Christian desperadoes (Christians' cant: "innocent sinners") -- that secretly fool themselves to be „supermen “ („salt of the earth “, „light of the world “ -ah, ah, ah..!) -- are below the moral level of the more advanced animals, is identical with the one that is still unsolved in Christian “theology”: Whether Satan is above the moral level of those animals or below.

However, here one of the many “mysteries” of Christian sect is hidden: In contrast with reality and truths the Christian deny any soul (psyche) of animals in or to repress to truth that they and their “god” Jesus are morally very below most advanced animals.

Like any other typical deceiver Jesus fakes his inexhaustible selfishness, his lust for power that is to satisfied by nothing as a blessing not for himself but even as one for others, e.g., „remission of the sins “, for which this swindler (Jesus) would

have to beg at most or he is feigning his selfishness as “redemption of individuals“. Redemption of what?

Redemption of all the lies, deceit, evil, wickedness, maliciousness, denigrating, libeling, reviling, murdering, genocide, atrocities, barbarities and abomination he and his insidious schmucks (Christians) embody, instigate and commit.

Who did “promise” the hell to all that do not prostrate before Satan's Christ (Jesus)? The ancient philosophers or Jesus and his insidious schmucks (Christians)? So, this (lawfully convicted) felon, death penalty convict, psycho-terrorist and terrorist (Jesus) “promise” redemption of“ evils” nobody but he and his insidious schmucks fabricate...! Jesus and his insidious schmucks

- firstly commit the most barbarities, mass-murders, atrocities and abomination,
- secondly, care for “redemption” of those evil and crimes on humanity and humaneness they perpetrated and
- thirdly even cynically “console” all the victims of their abominations..., provided, of course, that they are still alive – a matter of course that is not of course... (“blessed are those craving for justice...”).

In just a phrase: It is about felons that “care” for everybody and really everything, even for those surviving his respectively the Christian desperadoes' (Christians' cant: "innocent sinners") crimes, tortures, torments, barbarities and other abominations...

In truth, it is about revenge a deformity regarding its body and its soul intends to take on humanity and humanness for the misery of his own and he is able to take it because in each generation of human beings grow again enough venomous, spiteful little devils thinking in the same depraved way he did.

*Lu 21:22 RSV*

*22 for these are days of vengeance, to fulfil all that is written.*

Oh yes, vengeance that is what it is about! Oh yes -that everything becomes fulfilled what such a venomous, spiteful little devil for reasons of his personal handicaps and deficiencies contrives and palms off as „love“, „charity“, „enemy love“, „meekness“, „peaceableness“ onto his victims... Whoever says that there is a moral progress from one generation to the following one? Christian swineherds' sect produces evidence that there is none.

In "The Gospel of Barnabas" Jesus' trait once more aptly is pictured as that one of Satan according to the Christian desperadoes' (Christians' cant: "innocent sinners") own doctrines :

*„Satan then gave a horrible roar, and said: 'Since you will to make me  
[18]  
[continually] worse, I will make me that which I shall be able!'"*

That is what Jesus obviously said to himself: Admittedly, I am a deformity regarding the shape of my body and the nature of my soul and therefore disregarded and derided by my fellow human beings. However, I have the intelligence and the ability to take revenge on the entire humankind for it. I will do so. As far as vengeance is possible for me, as far as I can arouse the worst in human beings I (Jesus or Satan) will do it...

Even not in the least, this inveterate spiteful little devil cares about god's commandment, according to which one has to honor fatherland mother. Apparently, he must have made himself that odious in his family that he retaliated with hatred against all and everything:

*Lu 14:26 RSV*

*26 If any one comes to me and **does not hate his own father and mother and wife and children and brothers and sisters, yes, and even his own life**, he cannot be my disciple.*

Oh my goodness, what a miserable and wretched poor soul consumed with the hatred and vengeance of one's own in order to instigate hatred on one's father and mothers or even on one's little helpless children ... Hand on heart, does such a poor old sod rightly suffer on the cross? My god, what an perfidious one, this Jesus "Christ" ...! Oh my god, what an perfidious dastard n' bastard and/or creep n' crook this "god" of Christian perfidious sect ...!

Indeed, that's the "love" Satan's Christ is to know and his insidious schmucks! It doesn't bear thinking about how many victims had been in wake of this stirring up of hatred against the closest relatives. How many families have been broken because of this faked Jesus (Satan's) Christ's "love" ...! Think hard about it so far your Christian brainwashed head is still capable of doing it!

Oh yes, once more, Jesus Monkey Christ again has to „console“ all his victims of his (!) abominations and barbarities: Those“ thirsting for justice“, the reviled, mistreated, hated, yes killed ones of that hatred he stirred up and instigated even among members of families...However, do not forget: Satan's Christ is “generous“: He does not only perpetrate felonies and barbarities but also “consoles“ cynically all the victims he fabricates, provided, provided, provided that they are still alive...

Obviously in Satan's “holy“ family (Mary, Josef, Jesus, James etc.) things were pretty hellish with each other. Apparently each hated everybody and everything – that is the notion of Satan's and Jesus' „love“ and “family“ ... By the way: Who is “holy father“ in this family? Chief Satan or the Roman pope-terrorist?

This inveterate hatred – that on top of everything still is a transgression of the “Ten Commandments“ of the god according to which one has to honor father and mother! -- does not come like a bolt from the blue. Who wonders that - under these circumstances of that hatred of each against everybody – Satan's Christ (Jesus') young mother became unfaithful to her already very aged husband in order to mate with Roman mercenary Joseph Panthera...?

*From nothing comes nothing.*

*Even not the misshapen Jesus suckling...!*

And in view of that much stirring up of such hatred against father and mother one shall believe the Christian desperadoes (Christians' cant: "innocent sinners") that god – they are confusing with Satan, anyway -- and not fornicator Joseph Panthera has begotten that monstrosity... Ah, ah, ah...!

So, in this way nobody but the Christian desperadoes' (Christians' cant: "innocent sinners") "god" (Jesus) himself inadvertently confirms the accounts of Greek philosopher Celsus (about 178 C.E.) about the disgrace of the circumstances of Jesus (Satan's Christ) begetting and birth – according to the standards of then time, the Christian desperadoes (Christians' cant: "innocent sinners") – as utterly

[19]

derisory it is! - even boosted.

Isn't Jesus the first of all sinners of all sinners against god's Ten Commandments, isn't he?:

*Ex 20:12 RSV*

*12 ¶ "Honor your father and your mother, that your days may be long in the land which the LORD your God gives you.*

However, never forget: The Christian top terrorist freed all his perfidious fellow from abiding by the law ... That is the Christians' perfidious deliberation ...!

So, mark these words:

- God's Commandment is to honor father and mother.
- And Satan's or Satan's Christ (Jesus) commandment is to hate father and mother as oneself!

By those love respectively hatred one always is able to differ the followers of god and those of Satan or his Christ (Jesus) and all their insidious schmucks (Christians) ...!

And what is the sinner of all sinners, man's felon, Satan's son and Christ doing? He is goading his conspecifics, i.e. all human beings into hating father and mother and all other relatives...! He does not only disregard the Ten Commandments of the god, in whose mission he is pretending to be. He also tries leading astray human beings in order to transgress god's commandments as he is doing so...!

However, how does a wily swindler of Jesus' type "solve" that "conflict"?

He is transgressing the commandments of the god while hypocritically faking the reverse of that what he is really doing – quite according to the nature of any deceiver as we already described in the preliminaries: I.e., contempt, transgression and destruction of god's commandments he commits under the cover of their „fulfilment“:

*Mt 5: 17 RSV*

*17 ¶ "Think not that I have come to abolish the law and the prophets; **I have come not to abolish them but to fulfil them.***

That's very, very typical of all the perfidious , in particular, of deceivers: Sheer

and permanent transgression a commandment of god perfidiously are called a „fulfillment “ without further ado and blushing. So, stirring up hatred on one’s father and mother is the way Satan and Satan's Christ (Jesus) “honor” father and mother...! In the same manner, lies perfidiously are called “truths“, Satan the “god”, hatred “love”, maliciousness “charity “and Satan's son “god’s son” ...! Love to be perfidious - that is Jesus "Christ" and the Christians' love ...!

In “The Gospel of Barnabas” Jesus' and/ or the devil’s method of operation are described the following way:

*„Then answered Jesus: 'Truly I say to you, that Satan (as me) ever seeks to **annul the laws of God**; and therefore he with his followers, hypocrites and evil-doers, the former with false doctrine, the latter with lewd living, **to day have***  
***[20]***  
***contaminated almost all things, so that scarcely is the truth found.**“*

Remarkably, Jesus' description of the devil once more even fits himself...!  
Remarkably, Jesus exactly does that, what he is accusing Satan to do ... That is a psychological projection - very typical of his and his Christian perfidious bastards n' dastards. The truths about himself he is unable to bear he is projection on Satan, on the he supposed enemy ... However, this (projected) Satan he is himself!

This is the same what Jesus means when saying according to “The Gospel of Thomas” that he wants to destroy the “house”, so that nobody is able to restore it... The author of the “Gospel of Barnabas” is demonstrating this by impressive evidence. The fact “that scarcely ... the truth (can be) found” (Barnabas) is managed by Jesus outstanding juggling with names, i.e. presenting all evil in the hollow word of each reverse (good).

The author of this "gospel" demonstrates this by clear evidence. If this „gospel“ really is written by Jesus' apostle Barnabas -- one those 70 disciples at large that are only mentioned in Lu 10:1, as Clement of Alexandria and Eusebius report -- that would take the cake. However, there is still another apocryphal gospel, namely that one of disciple James that evenly debunks Jesus (or Satan's son) as man's deceiver. Whether or not, the deceivers knew to be hoaxer.

Here just a sample from that Christian (!) gospel:

*“...he (Jesus) said: 'Woe to you who are in want of an advocate! Woe to you who are in need of grace! **Blessed are those who have spoken freely***  
***[21]***  
***and have produced grace for themselves.'”***

“...who have spoken freely and produce grace for themselves...” Oh yes, that is exactly what perfidious one did for himself and what we are going to do now and here! Precisely the exact opposite is what his perfidious schmucks are used to doing with their slaves...!

I.e., the reverse of Mr 16:16 is true: **Those, who believe and are baptized will not be saved but those, who do not believe in the deceivers**, Jesus and/or his fellow swine (Christians) and are not brainwashed (baptized) by them...! Ah, ah, ah...! (Christian sinners brainwashing actually could better symbolized but by baptism!).

Thus is “operating principles” of Jesus and the Christian desperadoes (Christians'

cant: "innocent sinners")' business are admitted as sheer deception pulling the wool over other ones' eyes, only for the advantage of the hoaxer. Even this "gospel" of their own the Christian desperadoes (Christians' cant: "innocent sinners") wanted to get rid of so gladly, however failed in the end, because the clever „librarian “of Nag Hammadi (Egypt) hid all those books in cave as a kind of bottle-mail for the posterity.

In 1945 the brothers Muhammad and Khalifa Ali found those Christian writings near the cemetery of Nag Hammadi. So, Christian sect was unable to suppress or even destroy them. Jesus (Satan's Christ) and all the members of his gang knew that they were deceivers and sorcerers. They enjoyed the advantages of swindling, hoaxing, sorcery and deceiving, however mutually despised and derided each other as schmucks.

And if Satan once gets cracking he works furiously:

*Lu 12: 52-53 RSV*

*52 for henceforth in one house there will be five divided, three against two and two against three;*

*53 they will be divided, father against son and son against father, mother against daughter and daughter against her mother, mother-in-law against her daughter-in-law and daughter-in-law against her mother-in-law*

Jesus, Jesus – you perfidious one, do you remember?:

*Mt 5: 5 "Blessed are the meek, for they shall inherit the earth.*

*Mt 5:7 "Blessed are the merciful, for they shall obtain mercy. Mt 5:9 "Blessed are the peacemakers, for they shall be called sons of God. "*

Oh yes, what "meek", what "merciful", what peacemaker Satan and his son (Jesus) are...! Once again, Satan and his Anointed One (Hebrew: Messiah, Greek: Christos) forgot all their good intentions...

In order to know the extend of Christian maliciousness and spitefulness: In contemporary Germany or Austria - both are Christian sectarian republics -- Christian sect is used to instigating the authorities to persecuting rivals and other competitive sects exactly by that accusation the (rivals and/or competitors of Christian sects) would stir up the members of the concerned families against each other and break the families. That is exactly the intention of their (the Christian sinners') god.

· That's the Christian desperadoes' (Christians' cant: "innocent sinners'") perfidy!

· That's Christian "truthfulness"!

· That's Christian poison!

· That's the Christian desperadoes' (Christians' cant: "innocent sinners'") warfare!

· Those are the Christian spiteful little devils!

- That' Christian spite!
- That's Christian malice!
- That's Christian "meekness"!
- That's Christian "peacemaking"!
- That's the Christian desperadoes' (Christians' cant: "innocent sinners") "pure heart"!
- That is the "love" the "love" their "enemies".

Again and again, man's (psycho-) terrorist (Jesus) presumes to poisoning even the closest social relationships of human beings -- apparently, because nobody should do better than he did in his shattered family. He even offers rewards for those joining his calumny:

*Mt 19, 29 RSV*

*29 And every one who has left houses or brothers or sisters or father or mother or children or lands, for my name's sake, **will receive a hundredfold, and inherit eternal life.***

So, Satan and/or his equally perfidious son (Jesus) are distributing their counterfeit money - the currency of all liars, hoaxers, rogues and Mafiosi...! That's precisely the way how to savage one's insidious schmucks even sacrificing the family of one's own and the closest social relationship for the madness and fanaticism of Christian heels, felons, barbarians and terrorists...!

*Mt 10:37 RSV*

***37 He who loves father or mother more than me is not worthy of me; and he who loves son or daughter more than me is not worthy of me;***

Don't make me laugh, you death penalty convict! Oh yes, - which Christian doesn't want to be worthy of Satan, especially, if he is turned into the opposite, i.e. as "god" ...?

Didn't the wolf in the sheep's clothing warn of the wolves (Jesus and his Christian sinners) in a sheep's clothing? So, those victims that do not heed those warnings they are to blame themselves...

Now, let's have a look how a Mafiosi "loves" his enemies:

*Mt 10: 21 RSV*

***21 Brother will deliver up brother to death, and the father his child, and children will rise against parents and have them put to death;***

*Lu 21: 22 RSV*

***22 for these are days of vengeance, to fulfill all that is written.***

Now, he is knocking off with „charity “ and “love” of the enemies...! Aren't the Christian desperadoes (Christians' cant: "innocent sinners") right when reputing Jesus (Satan's and their Christ) as their" superstar" ...? He even enticed them in claiming “love of the enemies” before stabbing them from behind in the back or even burn them alive at the stake...!

That's no hatred, no abyss of vindictiveness, no sheer lust for power? If one doesn't think so then one should think over the following saying of man's terrorist (Jesus "Christ" ):

*Lu 16:25 RSV*

***25 But Abraham said, 'Son, remember that you in your lifetime received your good things, and Lazarus in like manner evil things; but now he is comforted here, and you are in anguish.***

According to the way man's terrorist (Jesus) and his insidious schmucks fancy vengeance nobody shall be punished on doomsday because he was wicked and did evil things but only because he turned out better by nature than Satan's son (Jesus) and all his insidious schmucks, completely regardless of any moral or immoral behavior...!

Let's hope that the Christian desperadoes (Christians' cant: "innocent sinners"), their leader Satan and his son will not also condemn god for everlasting hell because he "unjustly" created the wrong ones better than those insidious and depraved Christian desperadoes (Christians' cant: "innocent sinners")...

In what way there is Christian salvation?

**Jesus has to redeem the Christian desperadoes (Christians' cant: "innocent sinners") from god, who allegedly failed when creating the world and reputedly treated the Christian desperadoes (Christians' cant: "innocent sinners") that unjustly and unfairly... That is also the way Satan understands salvation and his mission...!**

*Question:* Why there is no punishment corresponding to depravity and wickedness of human being in Christendo(o)m?

*Reply:* Because under that conditions Jesus and his insidious schmucks (Christians) are to be punished most severely.

Nevertheless, one should not accuse Jesus of lying always:

*Lu 16:15 RSV*

*15 But he said to them, "You are those who justify yourselves before men, but God knows your hearts; **for what is exalted among men is an abomination in the sight of God.**"*

Isn't Jesus right pertaining to this aspect, isn't he? Well, let's think about what is "exalted among men":

- Jesus (Satan's) Christ!
- Jesus' (Satan's Christ) sect!
- "St." Peter- Jesus' serial killer
- "St." Paul
- Jesus "disciples" (his insidious schmucks) that became the "god" in Christian sect.
- The whole madhouse of Christian „saints“,
- „Remission of sins“ by man's sinner and the sinner of all the sinners: Jesus (Satan's) Christ
- „His Holiness“, the pope-terrorist!
- Cardinal terrorists,
- Bishop terrorists,
- Priest terrorists
- Christian sect's reign terror labeled as “charity“, “love“, “spiritual welfare“, “enemy love“,
- Sexual terror even in the marriage bed by the Christian creeps n' crooks,
- Torments by the Christian desperadoes (Christians' cant: "innocent sinners") on dying ones,
- Christian parties consisting of well conditioned and brainwashed Christian shepherd dogs

- Christian brainwashing,
- Christian doctrines etc..

Whoever could dispute earnestly that all those things evenly are exalted among human beings and are abominations in the sight of god? Who wants to contest that Jesus now and then even said the truth?

Moral and intellectual ridiculousness of Jesus and Christendo(o)m is only the one side of that "coin": The fact, that such an abomination ever could disseminate to such an extent on our planet, casts a shadow on whole humankind of this planet.

Such an "immortal blemish of humankind" (German philosopher Friedrich Nietzsche) never would have disseminated significantly, if it would not hit on so many blemishes among human beings. Each Christian is not innocent or led astray but a blemish among us human beings enabling this sullyng of planet Earth and its humankind.

Planet Earth -- that is what other civilizations on other stars turning up their nose will think in future -- is that star in a Galaxy, on which a rogue, crook, villain, Mafiosi, felon and death penalty convict (with a final and completely lawful sentence) became "god"...

An instigator of calumny, yes of 300 millions of bloody slaughters of the Christian desperadoes (Christians' cant: "innocent sinners") against each but especially against each other! In view of the proportion of dissemination of this sect and their felon „god“ Jesus, Christendo(o)m did not only sully itself but the entire humankind of our planet!

Above all, it credits the Jews that they rejected this disgrace of humankind from among the own ranks. Not those ones that did generate this deformity by blood but those who accepted it this "carcinoma", this monstrosity of depravity as one's "golden calf" or "god" are to blame.

The latter ones are to blame for enabling, perpetrating and boosting that abyss of felony ,barbarity and abomination. Jesus' depravity never could have been accomplished without the Christian desperadoes' (Christians' cant: "innocent sinners") depravity. There is the responsibility for that abomination and nobody but the Christian desperadoes (Christians' cant: "innocent sinners") deserved the punishment for that sullyng of humankind!

. If this gospel is not authentic then it is a fitting criticism on Jesus, the chronicles (Christians' cant: "gospels") and Christianity and quotation of it is to regard as those ones of philosophers Celsus (about 178 C.E) or Nietzsche (1844 – 1900). Here one hat to take into account that the Christian barbarians never recoiled from murder in order to preserve their "gadgets" of lie, hypocrisy, swindle and deceit. In this "gospel" the being of Satan aptly is described according to the Christian sinners' doctrines, i.e., Stat an as a psychological projection of Jesus "Christ" . So, Satan is the self-condemnation of Jesus and the Christian sinners by himself, respectively themselves. This "gospel's" depiction of Satan anyway is correct, whatever this scripture is called.
