Jesus' Will to Power by Instigation to foul Play, respectively, Satanism

The most important psychological Projections of Jesus "Christ" and the Christians

The Jews as psychological Projection of the Christians

This file is also available as [PDF](#), [ZIP](#) and [WORD.EXE](#)

(The notion of psychological projection in principle is defined on: <http://www.bare-jesus.net/e206.htm>)

The Christians' portrayal of the Jews, viz, Christian anti-Semitism, is only an account of the Christians' own unscrupulousness, perfidy, insidiousness, depravity, calumny and infamy but no description of Jews' traits. Christian anti-Semitism is about a very Christian psychological projection. When Christians conditioned their "sheep" or "robots" and phrased, especially in Germany: „Jewry is criminality“, they only told what Christendo(o)m is about and thus perfidiously perpetrated a psychological projection.

At least in their unconsciousness and from the bottom of their foul players' heart they know: Christianity is criminality! Since they do not want to admit the truths about themselves to themselves, they project it on the inveterately, secretly or openly hated enemy, viz, the Jews. Consequently, the Christians can cheat themselves: That is not me to whom my bad conscience always reproaches to be that unscrupulous, insidious and perfidious schmuck, swine and bastard. Those are the Jews but not me (Christian foul player)!

Boasting about "love" towards one's enemies in sight of Christian anti-Semitism is due to unscrupulousness that even lost relicts of ethics and decency in favor of foul mouth, foul play, barbarities

and other sorts of abomination.

By such psychological projection, false, perfidious and infamous Christians want to escape the truths about themselves. More over, anti-Semitism is an "impressive" model everybody can study how those thoroughly false Christians insidiously "love their enemies" ...! Nobody „loves“ his enemies like the Christians do ...! Here, it is about a psychological projection, very, very typical of Yehoshua-ben-Pandera (aka: "Jesus Christ") and one of the Christians.

In no way, the following saying of Jesus "Christ" only is driveled goofily and/or following to much wine but is of a deeper meaning:

Lu 14:26 NKJV

"If anyone comes to me and does not hate his father and mother, wife and children, brothers and sisters, yes, and his own life also, he cannot be my disciple.

By the way, in Christianly conditioned countries one is used to calling somebody preaching such abomination to be a preacher of hatred as far a Christian one is not concerned but, for instance, a Jew or Muslim etc. However, in Christianly enslaved countries calling Jesus „Christ“ to be a preacher of hatred, one has to reckon to become prosecuted by the henchmen of this preacher of hatred. That is what we are pointing out as psychological projection. Neither the foul players' "god" Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") nor his fellow Christian objectifications of perfidy cannot do without psychological projections.

How else underhand foul players and objectifications of perfidy etc. could pretend to be „lovable“, „kind“ and „truthful“ individuals without projecting their abominable traits, in particular their foul mouth and foul play of theirs on others? How else they ever could pose as such without the spite, venom and foul play of psychological projections? What else one can expect from an accursed one of god (see: De 21:23) and his fellow underhand foul players?

Already, this quotation (of Lu 14:26) very clearly demonstrates how those accursed ones of god (De 21:23) , viz, Christian sect, poison(s) human relationships all over and even instigate(s) foul play, in particular, bestiality, barbarities and atrocities! How else a human being can presume to instigate hatred on one's father, mother and children or even wife and husband but an accursed one of god (see: De 21:23)?

Therefore, the Christian has to hate himself! Latin Vulgate Bible the only authoritative within Catholic sect is still more debunking! There it is written „... odit ... animam suam“, that means (if one does not) hate the soul of one's own ...! In addition, the Christians want this soul -- they inveterately hate -- to live eternally ...! However, Yehoshua-ben-Pandera (aka: Jesus "Christ") does not need to order his fellow

Christians to hate their soul, since without doing so nobody of brain becomes Christian. Here, one has to state that brain obviously is not that much developed, at least at the current level of evolution. If already Christians are used to hating their souls, how much more god will hate them?!!!

Here, also the secret of Christian “charity” and “love” to their next ones and enemies is revealed. If one hates oneself and more over one should “love” one’s next as oneself, then “love” your next ones as you “love” yourself means: hate your next ones as you hate yourself. This reveals Christianity, in particular Christian history and the perfidy and infamy of Christian mind ...

Why does a Christian hate himself? The answer: Because he cannot bear the truths about himself (see: Joh 16:12). The truth is that Christians are beings in a human shape that concerning morals hardly can cope with developed animals like pigs, rats or brutes. Comparing Christians with those animals might be an insult for the latter. Many readers wrote to the author of this treatise he shall not call Christians „Christianly conditioned German shepherds“ because German shepherds are animals with a good mind, on which one can rely much more than on Christians. These readers thinking that way are right!

However, a Christian cannot go around with his scripture quoting it that he has to hate his/her mother, father, husband/wife, children etc., and even him- or herself. In that way, Yehoshua-ben-Pandera (aka: Jesus „Christ“) would not make his fellow Christian objectifications of perfidy worship him as their “god” ...

Those poor old sods and/or spiteful little devils rightly hate themselves but please desire to be reputed as „salt of the Earth” (Mt 5:13), “light of the world” (Mt 5:14) and – mark my word – “city on the mountain” (ibid.) ...

Therefore, if Yehoshua-ben-Pandera (aka: Jesus „Christ“) successfully gulls his fellow objectifications of perfidy and spiteful little devils (Christians) into fooling themselves to be „salt of the Earth“ and/or „light of the world“ he (Jesus) can be very, very sure to become worshiped as „god“ by this organized (religious) crime. Because they want to be reputed as “salt of the Earth”, that means rulers of humankind, they do not want to be remembered to be miserable pieces of shit even hating themselves (see: Lu 5:31) ...

Well, how does a Christian try getting rid of the truths he cannot bear (see: Joh 16:12) about himself? What tricks, in particular, psycho-tricks Yehoshua-ben-Pandera (aka: Jesus “Christ“) proffers to his fellow Christian foul players, of course in exchange for being worshiped as „god“. This spawn of hell calls the latter “modesty”, “humbleness” and even “self-humiliation” ...? Very keen-minded German philosopher Friedrich Nietzsche (1844 - 1900) accurately says that Christian sect is about to „avoid knowing what is true“^[i] or about „lying at any price“^[ii]. Finally, one has to be aware that an individual hating itself deems himself to be a piece of shit. However, one also can become „god“ or „king“ of shit ...

- The first tool of repressing the hated truths about oneself are semantic simulations (“juggling with names”), viz. attaching to the cliché (signum) of a word mostly a reverse meaning (ad signatum).

Nobody more insidiously masters this perfidy than Yehoshua-Ben-Pandera and his Christian rogues n' frogs with frocks and without frocks.

- Another trick evenly trained by Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") are psychological projections we here are pointing out. That means, charging the evil traits and the deficiencies of one's own poor and bad nature on the one's hated rival, competitor, adversary or enemy. Nobody masters this infamy more than Yehoshua-Ben-Pandera and his Christian rogues n' frogs with frocks and without frocks.
- A further trick of repressing the hated truths about oneself is the tricky Christians' perfidy of false comparisons. E.g., everybody that can become dangerous to Christian organized crime is slandered to be a "Nazi" by those infamous bastards n' dastard or spiteful little devils. Nobody masters more perfidiously that infamy but Christian foul mouths. Even, if the Nazis seem to be unsurpassable bastards, Christian objectifications (incarnations) of perfidy, i.e. "sick ones needing a physician" (Lu 5:31) anyway outdo them. Here, one has to take into account that many of the Nazi atrocities, e.g., the holocaust, are joint crimes of Nazis and Christians. More over, the Christians do not only conceal the truths about the ("moral") standards they share with German Nazis but bold as brass, unscrupulous as Mafiosi are and thoroughly perfidious as they always have been, they have the cheek to project their common standards (they are sharing with the Nazis) on their adversaries or enemies (psychological projection), for instance, pertaining abortion, suicide, voluntary euthanasia, "infallible" leadership and anti-Semitism. Here, Nazi felons' "ethics" and Christian felons' "ethics" completely coincide. Without Christian underhand foul mouths' sect, Mafia and its conditioning of anti-Semitism of Christianly enslaved Europeans, this genocide presumably never would have been perpetrated. Those Christian Germans and Europeans did what they were conditioned by Christian beast of priests as their prey. In contrast with the impression Christian rogues of deceit try giving, this was not the first mass-murder Christians committed on the Jews.
- The utmost infamous and unscrupulous tool of repressing the truths Christianly enslaved and conditioned individuals cannot bear (see: Joh 16:12) are provocation crimes. Here, the perpetrator commits a crime and accuses the competitor, rival or enemy having perpetrated it. Nobody masters this heinousness more perfidiously than Yehoshua-Ben-Pandera and his fellow Christian schmucks n' mugs or thugs n' nuts!

- Last not least, fabricating a „god“ of their own serves the purpose of repressing unbearable truths (see: Joh 16:12) or to make them a little bit more bearable. The Christians trade this „god“ by the name Jesus „Christ“. Hereby, Christian Mafia wants to direct thinking and enslaving of human beings to their hypocrisy, insidiousness, pseudo-morals and perfidy quite according to the slogan: each lie, fraud, deceit, foul play, outrages and atrocity is ,viz, provides the sheep's clothing for itself as ravenous brute when being faked to be a perpetration of “god”. In Christian Mafia „god“ is only a tool making Christian foul mouths, befouling, mendacity, insidiousness, foul play, outrages, atrocities and other sorts of abomination to be unassailable. Thus, the Christian objectifications (incarnations) of perfidy, i.e. "sick ones needing a physician" (Lu 5:31) can strut in pilfered plumes and pose as “reverends”, “salt of the Earth”, “saints”, “martyrs”, “holy fathers” etc. Nobody masters this infamy more than Yehoshua-ben-Pandera and his fellow Christian underhand foul players.

Satan has a catamite.

His name? Jesus "Christ"!

In Christianly enslaved countries, psychological projections on the Jews exist since the Christians cannot admit the abominations of their own. Therefore, they need enemies like, for instance, the Pharisees, the Jews, Judas Iscariot or even Satan. In a fit of „charity“, „loving“ one's next or even enemy the Christians from the bottom of their depraved heart are used to projecting all the inveterate hatred on them.

Since Christians cannot bear the truths,

Thus, they strut in pilfered plumes!

By the way, German Nazis were downright Christianly conditioned brutes. In their brains Christian foul play's perfidy and infamy was humming. From the Christians Hitler adopted

- anti-Semitism,
- leader cult
- fake of infallible truths,
- ideology of salvation he called

- "Final victory".

In Christianly conditioned countries, fascism is Christian ideology that has become independent. Even for this independence, those who give birth to the phenomenon stay responsible. At least 95 per cent of all Nazi barbarians were Christians and the Nazi leader (Hitler, Goring and Gobbles) completely until they committed suicide. Until they died, they belonged with the sect of the accursed one of god (De 21:23) and did that what accursed ones of god are used to doing!

Repressing, forging, fudging, falsifying, canting and repressing the truths about the mental and physical failures and shortcomings of Yehoshua-ben-Pandera ("Jesus Christ"), in particular, his defeat on Palm Sunday were the historic cause of Christians' felonious hatred and hardly surpassable psychological projections on the Jews that are past description and beyond comprehension. Instead of being Messiah, this creep n' crook and monstrosity of evil and sewage, viz, Lord Muck n' Schmuck, aka: Jesus "Christ" turned out to be as an accursed one of god according to: De 21:23. However, who was to blame? Not the loser, not the accursed one of god but the Jews...! He did not succeed in bamboozling the then upper crust of Jewish society what only honors the Jews. Were not the Jews right rejecting an accursed one of god (De 21:23) as faking peer of "god" ...? When failing to trap the upper Jewish crust he decided to continue Satan's rebellion of the last ones on the first ones, viz, putting upside down and downside up. Hedged in parables he discloses why the „god“ of Christian foul mouths and foul players allegedly dotes on all the failures and miscarriages of nature:

Lu 14:16-24 NRSV

- 16 Then Jesus said to him, "Someone gave a great dinner and invited many.**
- 17 At the time for the dinner he sent his slave to say to those who had been invited, 'Come; for everything is ready now.'**
- 18 But they all alike began to make excuses. The first said to him, 'I have bought a piece of land, and I must go out and see it; please accept my regrets.'**
- 19 Another said, 'I have bought five yoke of oxen, and I am going to try them out; please accept my regrets.'**
- 20 Another said, 'I have just been married, and therefore I cannot come.'**
- 21 So the slave returned and reported this to his master. Then the owner of the house became angry and said to his slave, 'Go out at once into the streets and lanes of the town and bring in the poor, the crippled, the blind, and the lame.'**
- 22 And the slave said, 'Sir, what you ordered has been done, and there is still room.'**
- 23 Then the master said to the slave, 'Go out into the roads and lanes, and compel people to come in, so that my house may be filled.**
- 24 For I tell you, none of those who were invited will taste my dinner.'"**

The notion of „compelling“ (Latin Vulgate Bible: *compelle*), (see: verse 23) constitutes Christianity as an organization of foul play, viz, organized crime not by the „weakness of the flesh“, some „black sheep“ or accidents but by criminal intent on human rights, viz, freedom of religion of the instigator of this organized crime or sect Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ").

The upper crust rightly rejects this ugly cripple, this miscarriage of nature and/or this spiteful little devil and his pigswill. He (Jesus "Christ") confirms that they are right doing so since "*none of those who were invited will taste my dinner*" (verse 24). More over, they are right because later he and the later head of his sect (Simon Peter), both will turn out to be accursed ones of god according to De 21:23. After this defeat, he decides to take advantage of the misery of the wretches ones, of the "poor, crippled, blind and the lame" ones (verse 21). That is the „mystery“ of Christendo(o)m why Christian „god“ does not like the successes of nature but only its failures, miscarriages and the evil ones and the felons. Who doubts that Satan is addressed as "god" by Christians? The main thing for Satan and his (Jesus) Christ is to be worshiped as "god". Anything else does not count since everybody but the last ones are sour grape for Satan and his catamite called (Jesus) Christ!

Hereby it is provided evidence that Jesus "Christ's" charity for the „poor, blind and lame“ (verse 21) is nothing but perfidiously canting his failures and defeats. The venture of this „prophet“ of perfidy and infamy is to take advantage of the misery of the wretched ones to become worshiped as "god". This iniquity the spiteful little devil tries apologizing in the following way:

Lu 5:31-32 NRSV

31 Jesus answered, "Those who are well have no need of a physician, but those who are sick;

32 I have come to call not the righteous but sinners to repentance."

This poor old sod allegedly is no villain, no rouge buttering up the felons all over and making their foul play unassailable for being worshiped as "god", in return ...! One never knows what Lord Schmuck n' Muck or Lord Slob n' Flop has to suffer because of his flops ...!

Venomous Christianity,

Fattens itself on others' misery!

Whoever wants to be worshiped as „god“ has to "provide" counterfeit benefits for those that shall

worship him. The Planet's most coach for foul play even „provides“ the illusion of „being perfect like god in heaven is perfect“ (Mt 5:48) for the „sick ones needing a physician“ of all people ...! (Lu 5:31) Who wonders about the folly and conceitedness of Christian jerks n' nerds or bastards n' dastards? What else one can expect from those who are accursed of god (see: De 21:23)?

By the way, this smarming happens in that much-vaunted sermon on the mountain. Christians deem the latter to be very groovy since here their coach of foul mouth n' foul play (Jesus „Christ“) does not omit any treacle a felon of deceit ever could fabricate to blarney those who shall worshiped him as „god“, in return.

What the Christians lack by poor nature,

They try cribbing by moral failure!

The reason for Jesus Christ's hatred on the Jew is due to his failure of deceiving the Jewish upper crust. His Christian fellow objectifications (materialization) of perfidy, i.e. "sick ones needing a physician" (Lu 5:31) imitate that hatred of his. This hatred on the Jews all the more is abominable because it only is the projected hatred of his against himself according to Lu 14:26! Nobody instigates others to hate against themselves that does not hate himself. Consequently everything is debunked about Yehoshua-ben-Pandera (aka: Jesus "Christ"), Satan's very catamite! His Christian fellow objectifications of perfidy imitate him – even regarding his hatred on the Jews. They only project the hatred against themselves (see: Lu 14:26) on the Jews. In particular, by Judas Iscariot Christians do nothing but protectively illustrate the traits of theirs. Do you want to know what Christians are? Watch, how they depict Judas Iscariot! Jesus "Christ" is the most Judas Iscariot that can be imagined and that ever existed. What else one can expect from an accursed one of god (De 21:23) and his fellow objectifications (incarnations) of perfidy, i.e. "sick ones needing a physician" (Lu 5:31) that are accursed of god, too?

Since Yehoshua-ben-Pandera (aka: Jesus „Christ“) lost the trial of strength to become „King of Israel“ (Joh 12:13) when this showdown took place on Palm-Sunday, at last from this point of time this „prophet of love“ that even mendaciously preaches „to love one's enemies“ inveterately hates the Jews like he hates himself, all over. Why? Because failing to become „King of Israel“ (Joh 12:13) also means failing to become Messiah (Greek: Christos) of god! Instead of Christ of god, he turned out to be Christ of Satan or as felons, anyway as an accursed one of god according to De 21:23).

That is what Christian conjurers of lying and deceiving („theologians“) conceal: that „King of Israel“ and „Messiah (Christ) of god“ belong together. That means: Failing to become „King of Israel“ simultaneously means turning out to be no Messiah (Christ) of god, viz, being debunked as liar, deceiver and felon! In addition, who is to blame? The cripple with delusion of grandeur? The answer: No, his adversaries and

enemies! Everybody is to blame but him and his fellow Christian foul mouths and objectifications (incarnations) of perfidy, i.e. "sick ones needing a physician" (Lu 5:31)! Therefore, instead of turning out as Messiah (Christ) of god he turns out as an accursed one of god (De 21:23), as criminal and his followers do so, too!

Now, he has a chance to demonstrate how he "loves" his enemies ... and neither he nor his fellow objectifications of perfidy (Christians) omit this chance (of inveterate hatred on the Jews)! Thus, by the hatred on the Jews, the Christians only hate the failures of their own, in particular the moral failure of "Jesus Christ" and that one of theirs!

However could it be else?: The accursed one of god (De 21:23) or "preacher" of the "love" of one's next and enemies cannot resist to present us examples of his insidiousness, perfidy and infamy how he "loves" his enemies all over and how Christians are used to doing:

Lu 19:27 NRSV

27 But as for these enemies of mine who did not want me to be king over them—bring them here and slaughter them in my presence."

This is the way Satan, his Anointed One (Hebrew: Messiah, Greek: Christos) and all their followers (Christians) "love" their enemies, all over ...! If they massacre them, then it is only "noncompliance" with "god's word" according to Lu 19:27 ...

That is "martyrdom" this perfidious one (Lord Thug n' Nut or Schmuck n' Muck) and all his followers of perfidy (Christians) have to "suffer" and for that, they want to make you feel sorry for them ...!

My word! Now, everybody can see how an accursed one of god (De 21:23) or Satan, his (Jesus) Christ and all the Christians like mad "love" their enemies ...

Do not the Christians "love" like Satan does? How do Christian foul mouths, foul players and objectifications (incarnations) of perfidy, i.e. "sick ones needing a physician" (Lu 5:31) are used to canting ("apologizing" for) the never-ending abomination for theirs? The answer: If we (Christian organized brutes) commit crimes, felonies, murders, mass-murder, genocide, barbarities and other sorts of abomination it is not due to the orders of Lord Schmuck n' Muck or Slob n' Flop (e.g. of Lu 19:27) we (Christian foul mouths) address as "god" but because of the "weakness of the flesh" or since each religion (especially those ones of foul mouths, damp squibs, miscarriages of nature, foul players, villains n' Christians etc.) only is, respectively, are executed by (in)human beings ...

Aren't the Jews right to reject such a „king“ of manslaughter on Palm-Sunday? Does not this honor the

Jews as it debunks Christians' depravity?

That is what we are pointing out as psychological projection. Neither Yehoshua-Ben-Pandera nor his fellow Christian objectifications of perfidy can do without them. In most Christianly enslaved countries not the preachers of hatred ("Jesus Christ" and the objectifications of perfidy) are called preachers of hatred but those who debunk and warn of those foul mouths, foul players and befouling miscarriages of nature and mind. What else one ever could expect from accursed ones of god (see: De 21:23)?

How else underhand foul players and objectifications of perfidy etc. could pretend to be „lovable“, „kind“ and „truthful“ individuals without projecting the abominable traits and foul play of their own on others? How else they ever could pose as such without the spite, venom and foul mouth of psychological projections? What else you can expect from accursed ones of god (see: De 21:23)?

Already, this quotation (of Lu 19:27) very clearly shows how the accursed ones of god (De 21:23), viz. Christian sect, poison(s) human relationship all over and even instigate(s) foul play, in particular crimes, bestiality and atrocities!

Even if not Yehoshua but a double hangs on the cross nothing would had happened to him he demonstrably does not want to inflict on others. No torture would had happened he and his fellow Christian underhand foul players do not want to perpetrate on others. If this deformity would had won on Palm-Sunday, then he and his (Christian) henchmen already at that time would had perpetrated what they did about one millennium later when having conquered the city of Jerusalem in the wake of the first crusade. Enraptured and overwhelmed by Christian „charity“, „love“, in particular, that one of one's enemies, Christian objectifications (incarnations) of perfidy, i.e. "sick ones needing a physician" (Lu 5:31) massacred the whole population of then Jerusalem (about 35.000 inhabitants) only by sword in only one or two days according to Satan's and his (Jesus) Christ slogan: Those who do not want me to be king over them -- bring them here and slaughter them in my presence (see: Lu 19:27): children, babies, pregnant ones, sick ones, cripples, elderly, youngsters, disabled ones, everybody! Those are the "loves" by which Satan, his Anointed One called (Jesus) "Christ" and all their Christians "love" their next, in particular, their enemies ...! What else one could expect from the accursed ones of god (see: De 21:23)?

Rejecting Satan's Christ as "king of Israel" on Palm Sunday, the Jews could prevent such a mass-murder or genocide for at least one millennium! If such objectifications (incarnations) of perfidy, i.e. "sick ones needing a physician" (Lu 5:31) want to pose as „dear“, „kind“, „pretty“ and „god-fearing“ individuals, then those befouling mouths cannot do without the venom, perfidy and infamy psychological projections.

That means, apart from the question who is hanging on the cross, nothing ever happened to the Christian Mafia's „god“ (Yehoshua-Ben-Pandera) he did not want to inflict on others. Thus, nothing unfair happens to him what he does not want to inflict on others. Truly, besides hypocrisy, falsehood and

mendacity Christian underhand foul players can complain about nothing! Nobody should expect a merciful treatment he does not want to render to others, regarding the same case.

Already by the puking of Lu 19:27 the bottomless hatred, the psychological projection of Yehoshua-Ben-Pandera on the Jews is to realize. This announced mass-murder is Christian "democracy"! Whoever does not want as we (Christian slaveholders) want him to do becomes slaughtered! That demonstrably is Christian „charity“! That evidently is Christian „love“, especially to their enemies! In this way, Christians are used to scarifying themselves to „human rights“! Those sorts of „truths“, „loves“, „morals“ and faking “god” Christians like ...!

A sect that pretends feces like those ones of Lu 14:26 and Lu 19:27 (of Jesus "Christ") as „god's“ word and not as those ones of Satan is an organized crime that threatens humankind, humanity, human rights, democracy, yes even life on our Planet. This stays true even, if the Christians make laws terrorizing others to tell the truths about them!

His defeat of Palm-Sunday is all the more debunking if one considers that according to the Christians' allegations god purportedly intervened in the world's history to save this deformity that wants to associate as peer to him or this accursed one of his (see: De 21:23) from being killed as a baby by king Herode. Ancient Greek philosopher Celsus (about the year 178) already stated correctly:

“But if, then, this (Infanticide of Herode) was done (by Herode) in order that you (Jesus) might not reign in his stead when you (Jesus) had grown to man's estate; why, after you (Jesus) did reach that estate, do you not become a king, instead of you, the Son of God, wandering about in so mean a condition, hiding yourself through fear, and leading a miserable life up and down?”^[iii]

This, Christians “miss” to see when alleging that "god" purportedly intervened in world's history in favor of the accursed one by him (De 21:23). The Christians purport that king Herode already was afraid of Yehoshua-ben-Pandera (Jesus "Christ") as competitor or rival to the Israeli throne. "God" allegedly prevented him from becoming murdered so that one day when is has the age of being a king might become king of Israel. However, when he reached that estate of a man becoming a „king“ this foul mouth, coach of religious brutes, deformity and monstrosity did not only fail shamefully but disgracefully became defeated. However, there is nothing Christian foul mouths are unable to cant in favor of the (“selfless”) benefit of theirs...!

However, there is more to say to it than that. Instead of becoming king of Israel (see: Joh 12:13) and hereby turning out as Christ (Hebrew: Messiah) of god, first king Herode stultifies his “competitor” and “rival”

by a white cloth that are used to wearing fools and popes. Hereby, he secondly turns out to be an accursed one of god (see: De 21:23)! In place of the throne, the gallows or cross are, respectively, is „bestowed“ as official "residence" for this felon, deformity, monstrosity and/or Satan's Christ n' catamite!

Each nation has the right to choose its ruler or to refuse those that want to rule them. By alleging the opposite, indirectly and/or inadvertently Christian organized crime turns out to be an offence to human rights, humanity and democracy! Christians' psychological projection of hatred on the Jews because they did not want that deformity, monster of deception, deceiver and sorcerer as king is not only a war on the Jews (anti-Semitism) but also a declaration of war on human rights and democracy!

If the Jews do not want Yehoshua-ben-Pandera (Christian jargon: Jesus „Christ“) as their king, it is to approve due to their human right of self-determination. However, Christian objectifications (incarnations) of perfidy, i.e. "sick ones needing a physician" (Lu 5:31) and slaveholders are not interested in those human rights, in the least. It honors the Jews having rejected an accursed one of god (see: De 21:23) to become their king. Nobody can pilfer this right of self-determination from the Jews to decide whom they want as king and whom they reject.

According to the then legal order, execution by crucifixion was up to the Roman occupation power but not to the Jews. The Jews are mendaciously blamed for a punishment they were not allowed to execute on somebody and they did not inflict on Yehoshua-ben-Pandera (Christian jargon: Jesus „Christ“). Being today unable to hide De 21:23 to the people that "he who hanged is accursed of god", befouling Christian foul mouths of deceit try a new "excuse" for veiling that they worship a felon comparable to Satan as "god". Today insidious Christian underhand foul players perfidiously allege that the Jews extremely wanted to humiliate the Christian monster of deceits and preacher of venom and hatred by crucifying him. This "apology" once more proves that Christian underhand foul players never can do without mendacity, insidiousness, perfidy and infamy. If the Jews were not allowed to perform crucifixion, they cannot be blamed for any crucifixion. More over, we do not want to judge trust in god that already some „evil“ Jews can trick the almighty „god's“ (purported) rules of „salvation of humankind“... What poor "god" Christian spiteful little devils believe? Surely, it must be about Satan what Christian foul mouths call "god" ...!

In addition, Simon Peter -- the rock on which Christian organized crime purportedly is built -- also turns out to be an accursed one of god according to De 21:23. This Christianly "holy" murderer (Simon Peter) was hanged in Rome only by Romans because of having murdered Christian rival Simon Magus -- a follower of the sect of John the Baptist! Do those insidious, perfidious and infamous Christians also want to blame the Jews for Simon Peter's crucifixion?

Anyway, this means an accursed one of god according to De 21:23 founded Christian sect since corresponding to Christian doctrines Simon Peter is the founder of Christian sect. Neither for Yehoshua's

nor for Simon Peter's crucifixion the Jews are responsible nor consequently they are not to blame for both executions! This all the less, because even in Christianly enslaved countries murderers are punished by maximum penalty, unless it is about a murder by Christian objectifications (incarnations) of perfidy, i.e. "sick ones needing a physician" (Lu 5:31) in favor of Christian sect ...!

Yehoshua and his Christian henchmen inveterately hate the Jews because the defeat on Palm Sunday was painful. Why is this defeat that painful? The answer: Because the faking „peer“ of "god" was debunked to be an accursed one of god (see: De 21:23)! As said, by failing to become king of Israel he turned out to be no Messiah (Greek: Christ) of god because being king of Israel is a feature of being Messiah (Greek: Christ) of god. Palm Sunday was the decisive moment, the hour of truth, not only if he is king of Israel but also if he is Messiah (Greek: Christ) of god. At this decisive moment, everything he claims turns out to be delusion of grandeur, lies, perfidy, deceits, infamy, felonies, outrages and abomination. He is not only „mistaken", he turns out to be the Planet's most felon. He does not turn out to be the "Messiah of god" and consequently the "King of Israel" but as the king of all miscarriages of nature, foul mouths, foul players, wily felons, perfidious monsters and infamous monstrosities that are called Christians, later!

His hatred on the truths, his hatred against himself (instead of being a peer to "god" being the reverse, viz, an accursed one of god) he and his fellow Christian objectifications of perfidy project on the Jews, until today.

Since neither Yehoshua-ben-Pandera (Christian jargon: Jesus Christ) nor his fellow Christian objectifications of perfidy can bear the truths (according to Joh 16:12), their hatred on the Jews is boundless and very fitting our Planet's most organized crime. Thus, Christian anti-Semitism turns out as a psychological projection of the Christians' hatred on the truths, god and against themselves (see: Lu 14:26). While perpetrating this psychological projection, in the course of time spiteful Christians by and by projected almost all abominable traits they (the Christians) have on the Jews. Therefore, the Jews became scapegoat for almost each evil, in Christianly enslaved countries. The Christian German Nazis adopted that fabrication of scapegoat by telling the Germans that allegedly the Jews are to blame for each evil that occurred and ever could happen to a German. The Christian sect's pseudo-authority made Germans believing in the Nazis' perfidy of anti-Semitism. By naming the Jews, the Christians indirectly and inadvertently characterize the poor, foul, perfidious and infamous mind of their own. In view of the fact that here it is about the accursed ones of god (see: De 21:23), does somebody really wonder...?

That is the „love“ of the truths of those feigning even to snuff it for them, although even their faking „god“ testifies that those Christian bastards n' dastards, schmucks n' thugs, priests n' beasts, skunks n' monks, maggots n' faggots, slobs n' flops of nature cannot bear truths (see: Joh 16:12).
