Firstly: Summary

Unlike Judaism, Islam or other known Jesus „Christ“ and his Christian sect (Christian jargon: „religion of love“) rule, commandments or laws about human's social existence but it is about

o idolatry of the instigator as „god“ ,

o Unleashing of any moral rules (Christian jargon: „freeing from the yoke of the law), since criminals break laws, commandment and rules and feel free if they do not exist,

o accomplishing that die idolatry for Yehoshua-ben-Pandera (Christian jargon: Jesus „Christ“) and that one of their superior slaveholders (e.g., popes) by all fair and foul means (foul mouth, foul play, perfidy, infamy, crimes, barbarities, atrocities etc.),

o providing felons' and/or foul players' „morals“ (Christian jargon: „love“) for addressing and worshiping the instigator of the sect, in exchange. In Christian jargon, those felons' "morals" are called „How to find a just god?“. By those faked, spurious and counterfeit „morals“ (Christian jargon: „love“) Christian foul mouths, foul player, criminals and felons want to get rid off their compunctions, on the one hand and their due social reputation as foul player, criminals and felons. Predominately the latter is one most reason why Christians cannot stop to force all people to their denomination (Christian jargon: Christianize others). On the contrary, by psychological projections the opponents and enemies of this organized crime, e.g., the Pharisees, the Jews etc. are depicted as those foul mouth and foul player (colloquially: as those swine) Yehoshua-ben-Pandera (Christian jargon: “god’s” son) and his fellow Christians are -

o providing unscrupulousness the color of „morals“ (Christian jargon: „love“) and thus to remove all obstacles and inhibitions for the conscience of one's and social reputation to perpetrate it. This means that the Christian foul mouths and foul players even in view of their unscrupulousness are reputed as „upholder of moral standards“ and are ready for committing all the foul mouth and foul play (crimes) that are necessary to accomplish their selfishness (Christian jargon: “spiritual welfare”, “modesty” and “humbleness”).

In short, Christian sect is about unleashing desperadoes (foul players) from any inner (compunctions) and outer (laws) restraints so that their depravity gets its flings. This is what Christian organized crime achieved in the European Middle Ages, at most. To his, of course, corresponds the fact that Christian sect of all sects has a very easily working machine of “remission of sins” (see: Joh 20:23).

In Christian sect, unscrupulousness -- according to perfidy of a foul players' sect -- is lied

as "love" (semantic simulation).

It is a matter of course that this robotizing of foul players (Christian jargon: „justification to god“) even among Christian desperadoes is regarded to be incredible. It turned out to be one of the most important issues why Christians quarreled, libeled, fought and massacred one another.

Indeed, such a relief from bad conscience (from falsehood, befouling, lying, deceiving, foul mouth and foul play) or this „remission of sins“ according to Christian jargon is the hard core when conditioning (making fierce) the followers for the utmost lies, deceits and crimes that necessarily follows from an organized crime of deception serving its selfishness at any price and at all costs.

Never refusals to obey orders or even collapses because of scruples or compunctions shall happen. This would be the end of the organized crime. That is why an easy-going machine of remission of sins (see: Joh 20:23) and rogues' morals necessarily and inevitably belong together. Yehoshua-ben-Pandera (Christian jargon: Jesus „Christ“) complies with those requirements.

The only condition to whitewash one's consciences and crimes (Christian jargon: to get „remission of sins“) is to be member of the „right“ gang or Mafia (Christian jargon: „right belief“, see: Mk 16:16). To say is in Martin Luther's jargon: "sola fide, sola gratia, sola scriptura". In view of such a machine of „remission of sins“, any compensation between perpetrator and his victims means cracking jokes ...! Christian foul players (desperadoes) forgive their foul mouth and crimes one another according to Joh 20:23 and of course to the exclusion of the victims and sufferers ...

That a very typical for „morals“ (Christian jargon: „love“) of a foul players' sect. Some phony, befouling and criminal individuals that do not suffer the effects of foul play (Christian jargon: "sins") forgive something they did not experienced, at all.

Here, we don not want to mention the human right of self-determination, with detail. It is one's human right of a victim to accept or reject any apology for foul play that was or is perpetrated on him! Already seen from this aspect, Christian sect is an organized crime on human rights striving for obstructing the human rights of self-determination whom an individual wants to forgive and whom it does not want to do so.

The Christian Mafiosi according to Joh 20:23 are used to rob this human right from human beings to make the (trapped) prey of their sect more dependant on the sect's Mafiosi (slaveholders). The prey shall be fooled that there is no "remission of sin" outside this sect. Hereby the Christian foul players once more declare lies for "truths" and truths to be "lies" ... By robbing human rights from individuals, Christian sect debunks itself to regard their trapped prey in the same way like they regard animals, for instance, sheep ...!

There is no better promotion for foul mouth, foul play, i.e., crimes but Christian sect. What this foul sect tries passing off as „remission of sins“ is nothing but oil for the robots producing (Christian) types of foul mouths and foul players.

Secondly: Jesus "Christ's" Crime Laundry Machine craftily applied by the Christian foul mouths

There is not only money laundry and brainwashing but also whitewashing of crimes. Even concerning the latter nobody can outdo death penalty convict Jesus "Christ" and his Christian desperadoes and terrorists. Finally, terrorists desire to be reputed as „martyrs“. Will you kindly shut up! Foul players „kindly request“ to be regarded as „saints“. Tyrants and despots like, for instance, the pope demand to be worshiped as „holy fathers“ ... Be quiet, will you?! They will not achieve that without whitewashing their perfidy of their own (for instance, as „brotherly love“) or their infamous outrages, abominations and other barbarities, defying any description. Nothing comes from nothing and so no success of a religious crime, too!

Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") is right foreseeing that much foul play has to be accomplished when the last want to become „first ones“, i.e., the rulers and slaveholders of their victims, slaves and robots, Christian jargon: "beloved sheep". Christian foul players (Christian jargon: "sinners") „love“ their next ones (congeners) as each farmer loves his cows nourishing him. This also means to degrade the first to be the „last ones“. Satan and Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") are sly, slick and furtive enough as to realize that this cannot be done without much foul play (befouling, fiendishness, baseness, hypocrisy, lies, crimes, felonies, murders, mass-murders, atrocities, abominations and other barbarities).

Yehoshua-Ben-Pandera cares for it. In the „Apocryphon of James“ there is reported quarrel of Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") with his accomplices Peter and James. In addition, this writing was found again in 1945 in Nag Hammadi because the deceivers' sect wanted to get rid of it forever. Of course, in the sect of foul play nothing is true, everything a falsehood or forgery that debunks the liars, deceivers, felon and barbarians.

In an organized crime, lies and deceptions are the rule and truths, if at all, exception. Of 72 chronicles (Christians' cant: "gospels") only 4 (four) are palmed off to be true. However, hereby the Christian foul players miss to see that they admit that way that truth is an exception and lies and the deceptions are the rule. These means, hereby the Christians inadvertently and indirectly admit to be an organized crime of deceptions.

It at all, the relationship of authentic and non-authentic in an honest sect would be the reverse than this Christian one.

Jesus reminds the „benefits“ he allegedly has done for his fellow Mafiosi:

*„Know, therefore, that he (the “Son of Man”) healed you when you were ill, **in order that you (Christian) might reign.**” [i]*

Oh yeah, that the wolf in a sheep's clothing puts down his masks saying what is organized crime is about: reigning, reining an reigning. That is usually feigned as "severing the next ones", "spiritual welfare", "salvation", "modesty" and "humbleness" etc. That is what Christian sect is about – not „heaven“, „god“, „truths“, „love“, „spiritual welfare“, „morals“ etc. : to rule, reign, dominate, suppress, enslave and robotize their fellow human beings. The nice concepts

of Jesus' and his fellow Christians' sheep's clothing is just the fake making the utmost crime, the most foul mouth, foul players and abomination, viz, Christians unassailable!

Oh yeah, if „the sick needing a physician“ (Lu 5:31) and those, who are „poor in spirit“ (Mt 5:3) want to reign, in particular, those ones to whom they cannot hold a candle, then such a rule cannot be accomplished without hypocrisy, lies, deceits, oh yes, not without sturdy crimes, felonies, outrages, atrocities and other abominations. This is what Jesus "Christ" correctly foresees. For these foreseeable barbarities and abominations of his accomplices (Christian sinners) Jesus "Christ" concocts, adjusts and cants „morals“ and even "god" corresponding to those depravities. Thus, he wants to prevent his Christian desperadoes (Christians' cant: "innocent" sinners) from collapsing because of a sore conscience when perpetrating perfidy and infamous outrages for the benefit of themselves and that of Christian swineherds' sect.

Therefore, conscience of human being must be deadened and replaced by a Christian shammed one in order to produce those infamous robots he needs to turn human beings totally in robotized liars, deceivers, Mafiosi, i.e., in Christian automatons and robots.

To his accomplices (Christian shmucks n' mugs) he gives the following program. They shall steadily warn of “wolves in a sheep’s clothing” so that no duffer, jerk n' nerd, goof n' fool and/or moron ever would suspect him (Jesus "Christ“) and them (the Christian rogues) being precisely those wolves in a sheep’s clothing they always a so "kindly" warn others. For instance, in that way he modeled it to do:

Mt 7:15 NRSV

15 ¶ „Beware of false prophets, who come to you in sheep's clothing but inwardly are ravenous wolves.

It is typical of psychological projection blaming others with that dirt that undoubtedly and first belongs with oneself. Thus, he it is said: beware of Jesus "Christ" and the Christian rogues!

Patting others that „trustingly“ on the shoulder certainly will have the effect that the victims of our (Christian) deceptions never will suspect me (Jesus "Christ") and us (Christian sinners) being precisely those ravenous wolves or hyenas in a sheep's clothing we continuously are warning others. Thus, they are lured into our trap and fall into our (Christian) trap. When the Middle Ages have come, we are as mighty enough as to strip off our sheep's clothing because we can accomplish our true nature as ravenous wolves or hyenas without becoming punished.

However, at first we (Christian "the sick needing a physician", Lu 5:31) have to sneak into our victims' confidence as long as they are not fallen into our trap – as each deceiver has to do so. Deception only succeeds if the victims believe the perpetrator never being capable of plotting or perpetrating that what he precisely has made up his mind and/or is going to accomplish.

Jesus "Christ" knows that the victims of Christian deception, respectively, those ones of Christian crimes and abominations never believe them (Jesus "Christ" and his Christian fellow desperadoes) to be capable of that what they really are: wolves or hyenas in a sheep's clothing. Indeed goofs and morons are convinced that Jesus "Christ" and the Christian rogues with frocks or without frocks are not that what they are, indeed: wolves or hyenas in a sheep's clothing...

The Christian desperadoes' (Christians' cant: "innocent" sinners)' sheep's clothing consists of concepts like, for instance, „brotherly love“, „charity“, felons' love, pardon: „enemies' love“, enslavement, pardon: „spiritual welfare“, megalomania, pardon: „humbleness“, „modesty“ etc.

Hence, Jesus "Christ" did not invent money laundry but crime laundry for himself and his Christian accomplices: At first, the crimes, outrages and atrocities are denied, if possible for millennia. If they do not succeed in doing that without ridiculing themselves, then they say: Do not always see the wolf in us but behold our nice sheep's clothing (of „brotherly love“, love of anus, pardon: „love of truths“, love of felons, pardon: „enemy love“, „humbleness“, „modesty“, enslavement, pardon: „spiritual welfare“ etc.).

Then the machine of Jesus' and the Christian desperadoes' crime laundry is working that way: Christianity's tenet, i.e. their sheep's clothing is excellent only human beings or the churches depraved them. Oh yeah, even Satan's son, Christian sect's supreme rogue and terrorist that is lifted up to the „god“ by his accomplices then works as the sheep's clothing of this religious Mafia: Jesus (as said, now working as the Christians' sheep's clothing) is excellent only the church depraved the sheep's clothing, i.e., him.

That is Jesus' and the Christian sect's crime laundry machine whitewashing all their depravity, mendacity, perfidy, foul mouth, crimes, outrages, barbarities and abominations, already for two millennia. Jesus "Christ" is the most cunning and refined inventor of crime laundry machines!

By fabricating that crime laundry machine, Jesus "Christ" and the Christian rogues are perpetrating our Planet's most fiendish and vindictive outrages of hatred and the most execrable abominations. By this machine of crime laundry, those spiteful little devils, stabbers, poor perishers, felons, perfidious killers, murderers, mass-murderers and barbarians, i.e., wolves in a sheep's clothing, continuously pose as „saints“, „holy fathers“, „martyrs“, wolves of „love“, „brotherly lovers“ providing enslavement, pardon: „spiritual welfare“, „vicarious atonement“, „humbleness“, „modesty“. Thus, hyenas even allege to „love“ their next ones and not only this but even to „love“ their enemies! One never knows what things hyenas or even Tasmanian devil animals even can do ...!

The crime laundry machine of Jesus "Christ" whitewashes everything! The Jesus' and the Christian desperadoes' sheep's clothing is doing it! Each time the (Christian) wolves accomplish their traits, then they present their sheep's clothing pointing to its components as "excuse": Don't see the blood or the barbarities we perpetrated but behold our sheep's

clothing of „brotherly love“, „enemies' lovers“, „spiritual welfare“, „vicarious atonement“, „humbleness“, „modesty“, „holy church“, „holy god's mother“, Satan's shmucks, pardon: „god's chosen ones“ etc..

Never see what we perpetrated and are going to commit but always behold our extraordinarily nice sheep's clothing nobody can deny and outdo ...!

Nothing works that excellently like Jesus „Christ's“ crime laundry machine!

Now, the crime laundry machine in the back, the wolf can strip off his sheep's clothing:

*Jesus said, "The kingdom of the father is like a **certain man who wanted to kill a powerful man. In his own house he drew his sword and stuck it into the wall in order to find out whether his hand could carry through. Then he slew the powerful man.**" [ii]*

This is the ravenous wolf or hyena of which everybody should be warned! This wolf – without his sheep's clothing -- does not want to “love” his next ones, his enemies or even to “die” for them or any “martyrdom”, “vicarious atonement”, “spiritual welfare” etc. as the Christian shmucks are used to feigning with much fuss. He and his fellow Christian foul mouths and foul players want to kill everybody that turns out better by nature than he and his grudging and envious Christian fellows are doing. Instead of “love”, a program of murder is to accomplish! That means that what history of Christian barbarianism tells even Jesus "Christ" – the instigator of this barbarity - secretly utters. Jesus "Christ" trains the Christian foul players for that foul play. In “The Gospel of Thomas” verbatim, he expresses murder!

Jesus "Christ" our Planet's best felons' coach!

In particular, Jesus "Christ" sees that he and his Christian accomplices only will succeed as ravenous wolves or hyenas if they

a) appear disguised in a sheep's clothing and

b) divert suspicion from themselves by pointing their finger at alleged other „wolves in a sheep's clothing“, “trustingly“, i.e., by psychological projections.

Whoever but Christian desperadoes (Christians' cant: "innocent" sinners) are wolves or hyenas in a sheep's clothing? I know nobody one has to warn more of being wolves or hyenas in a sheep's clothing but Jesus "Christ" and his Christian accomplices. By a psychological projection Jesus "Christ" warns of himself and his fellow bandits and/or desperadoes (Christian sinners), in fact while hoping that nobody of the victims gets the idea the „good-hearted“ warning one (and his accomplices) are exactly those wolves or hyenas in a sheep's clothing.

That is Jesus „Christ's“ and the Christian desperadoes' (Christians' cant: "innocent" sinners') ' perfidy and insidiousness nobody is able to outdo! Jesus' and the Christian desperadoes' perfidy to palm slurry off as “champagne” on others is an unparalleled depravity in humankind's history!

Even the German Nazis desperadoes that could compete with the Christian desperadoes pertaining to perfidious traits – and by the way almost each of them was a well conditioned member of Christian sect – deemed such a sheep's clothing as “sentimental humanitarianism”. Regarding this aspect, the German Nazis were not that perfidious and insidious but preferred open and brutish abominations and thus failed.

If the German Nazi-desperadoes would had dressed a sheep's clothing, then they possibly would had survived everything, like Christian sect of bastards n' dastards outlasted everything, until now.

It is already insolence of Christian perfidy to "argue" that German-Nazi holocaust has nothing to do with Christian sect. Firstly, the latter delivered and exported the "ideology" of anti-Semitism to the Nazis, secondly the holocaust was not the first mass-murder of Christians on the Jews and thirdly up to 95 per cent Christianly robotized individuals perpetrated it.

This wolf in a sheep's clothing creeping into the confidence of others by continuously warning of „wolves in a sheep's clothing“ (psychological projection) does not want to love or to serve but to reign, indeed by stopping at nothing, even not at murder.

The „sword“ of the last mentioned quotation of „The Gospel of Thomas“ symbolizes the „morals“ he contrives and adjusts to the needs of his Christian accomplices, their foul mouth and their foul play. Thus, his sheep's clothing or mask is checked if it is stable and working for his deceits (and felonies of murder). Instead of loving his enemies the Christian felons coach want to kill them and conditions his fellow Christian foul players evidently to do so. That is the wolf and everything else, especially the traps set by those spiteful little devils (Christian sinners) is his sheep's clothing.

- o That is the instigator of that perfidy!

- o That is the Mafia of infamy!

Another declaration of intent of coaching felons and felonies he pukes in the following way:

Jesus said, "I shall destroy this house, and no one will be able to build it [...]."

[iii]

By the notion of "house", he means the world, human beings, truths etc. Here, the wolf dresses off his sheep's clothing showing his true self. This ravenous hyena will destroy everything so that nobody is able to reconstruct the world, truths, human beings etc. "Glad tidings" ...! This corresponds with his sayings of the canonized chronicles (Christians' cant: "gospels"):

Firstly:

Crimes of hatred on humanity is what this ravenous wolf in "love's clothing", i.e., in a sheep's clothing wants to accomplish.

Lu 14:26 NRSV

26 „Whoever comes to me and does not hate father and mother, wife and children, brothers and sisters, yes, and even life itself, cannot be my disciple

Secondly:

Destruction of human beings and the whole world is what this wolf in a sheep's clothing has in mind:

Lu 12:49-53 NRSV

49 „I came to bring fire to the earth, and how I wish it were already kindled!

Lu 12:51-53 NRSV

51 Do you think that I have come to bring peace to the earth? No, I tell you, but rather division!

52 From now on five in one household will be divided, three against two and two against three;

53 they will be divided: father against son and son against father, mother against daughter and daughter against mother, mother-in-law against her daughter-in-law and daughter-in-law against mother-in-law. "

Oh yeah, and when Rome was burning in the year 64 – the ever most terror act of human beings on human beings – not this ravenous wolf in a sheep's clothing nor his accomplices (Christian swine in a sheep's clothing) were to blame but their enemies (psychological projection). Even this trick belongs to Christian perfidy and infamy.

Destruction, crimes, barbarities etc. – that is what this ravenous wolf wants to accomplish and everything else is his sheep's clothing to lull the victims into a false sense of security to lure them into the traps.

The most perfidious, insidious, i.e., depraved felon is the one that instigates to hatred on one's father and mother and the children of one's own. There is no more abhorrent creature in the universe than is spiteful little devil (Jesus "Christ") and his fellow desperadoes or criminals (Christian jargon: sinners).

Already because of this instigation of hatred on the closest interpersonal relationships of human beings Christian religious Mafia deserves

o the most punishment and

o is to prohibit in countries where human rights are accomplished.

The Christian desperadoes (Christians' cant: "innocent" sinners)

are very mistaken when thinking that there is any human right of deceptions, crimes, outrages of hatred, barbarities of revenge and other kinds of abominations. There is neither any human right of organized crime nor one of enslaving – the very program of Jesus "Christ" and Christian sect! On the contrary, human rights oblige to prevent them. This prohibition has to start by prohibiting Christian parties in public life.

Jesus "Christ" and the Christian priests made up their mind to become slaveholders of humankind at any price and all costs. This gathering of losers fancies winning by insidiousness, perfidy and infamy what they are lacking by nature. No Christian success is achieved honestly but cheated, pilfered and robbed by insidiousness, if not by murders and massacres.

The least what they ever would do is to regard or to respect human rights as each other organized crime is used to doing so.

Jesus "Christ" realizes that the perfect crime cannot be done without "morals" that are adjusted to that insidiousness, crimes and outrages one is going to commit. Christian sect, i.e., Christian foul mouth and foul play is about perpetrating the almost perfect crime against human rights, in particular, to become slaveholders of one's fellow human beings. It is about exalting oneself by hypocrisy, mendacity, crimes, outrages and other barbarities. The "sword" according to "The gospel of Thomas" he is gauging stands for faked "morals" adjusted to the crimes and abominations that inevitably are going to come when lifting up oneself to slaveholders. The "sword" is checked if it can withstand the individual's conscience that shall not disturb Christian desperadoes' (Christians' cant: "innocent" sinners) 'perpetrations of lies, deception, crimes and abominations.

Therefore, Jesus "Christ" provides for an anaesthetization for the individual's conscience.

1Jo 3:19-22 NRSV

19 And by this we will know that we are from the truth and will reassure our hearts before him

*20 ¶ **whenever our hearts condemn us; for God is greater than our hearts, and he knows everything.**^*

*21 Beloved, **if our hearts do not condemn us, we have boldness before God;***

22 and we receive from him whatever we ask, because we obey his commandments and do what pleases him.

The here -- in the epistle of John -- mentioned "condemnation of heart" means the conviction by the bad conscience of one's own. In this context "god" means the wolves' sheep's clothing or that what the Christian foul players abusively call "god's word", in particular, the faked "morals" or "love" of Jesus "Christ" canted corresponding to the Christian lies, deceits, outrages, atrocities and abominations. In paragraph 6 of this chapter we already debunked ridiculousness of Jesus „Christ's“ "commandments of love" -- that the Christian desperadoes (Christians' cant: "innocent" sinners) put in place of the natural conscience of human beings ... Thus, Jesus "Christ" turns folks with flaws into downright criminals, trained Mafiosi and brainwashed robots of barbarians. In the Middle Ages, those Christian wolves or hyenas did not need to dress up a sheep's clothing because of having the power of accomplishing their wolf's nature to the full without any punishment.

Jesus "Christ" knows that accomplishing the (almost) perfect crime means to contrive "morals" doctored to the crime to come so that the bad conscience of the (Christian "theistic") perpetrators are deadened. For him, it is not to imagine that a Christian perpetrating foul play could collapse because of a bad conscience. E.g., the Christianly brainwashed Spaniards chopped off a leg and/or an arm of the native Indians in America to Christianize them. However, they stopped doing that when a Christian shmuck of priest ordered to do so.

Hence, the Indians of America should “realize” Christian shmuck of priests as their “benefactors”. Now, one should imagine that a Christian rogue in frock or without frock would order to stop that Christian abomination (Christian jargon: “love”) because he collapsed due to a bad conscience while his Spanish fellow desperadoes were perpetrating this abomination. Imagine, this would mean that America, in particular Central and South America, would not have become Christianized because of humanity of Christian priests ...! Not to imagine ...!

Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") foresees everything and cares for perpetration of each befouling, crime, outrage, barbarity and abomination. He really creates very perfidious robots, automatons of atrocities and zombies of barbarities that are brainwashed, conditioned and programmed for stopping at nothing when promoting the advantage of Christian organized crime and that one for themselves.

How Christian swineherds' sect ever could be successful if it would not have a sheep's clothing they always can point to when abominations like the mentioned ones could not be darkened and not kept secret, any longer? Do not look at the Christian sinners' crimes and abomination but at their sheep's clothing! Isn't that clothing superb nobody can deny and outdo?

The “glad tidings” of Christian “theism” are "software" turning our blue Planet into a bedlam and a sort of hell!

The first commandment for Christian salves or of Christian brainwashing is:

Never look at the wolf of a Christian but always at his sheep's clothing of “brotherly love”, “charity”, “spiritual welfare”, “loving the enemies” etc. Understand, the wolf will always kill his enemy but the sheep's clothing will “love” him ... Therefore, you never will find any flaw on their sheep's clothing.

The second commandment for Christian slaves or "software" of Christian brainwashing is:

You are never allowed to call the Christian insidious predators wolves, hyenas and/or slaveholders. Will you kindly shut up! You solely are permitted to call them to be "humble" and "modest". Moreover, the Christian predators of infamy will award you by not jailing or even burning you, while being alive ... They will award you by preventing a cremation for you before you have died ...

Fighting Christian sect, in particular, in Christianly enslaved countries at first and predominately does not mean to fight an imagination of an anthropomorphic "god" but to fight

- o against enslaving,
- o against dehumanization,
- o against robotizing for crimes and
- o to fight for human rights.

Jesus "Christ's" "glad tidings" are a program or "software" of abomination turning our planet into a bedlam and/or into hell.
