Firstly: Paul: We (Christians) are ungodly!

Secondly: How Christianly enslaved Countries try replacing Christian felons' "morals"

Thirdly: How the apparent crucified one wants to crucify the World

Fourthly: The faked Relationship to "God" as Satanic Weapon of Christian foul Play

Firstly: Paul: We (Christians) are ungodly!

Once and again the liars and deceiver make a Freudian slip and inadvertently tell the truths. Saul (Christian jargon: Paul) writes:

Ro 5:6 NRSV

*6 ¶ For while we were still weak, at the right time Christ died for **the ungodly (Christians)** .*

In Christian "language" "weak" generally is a canting (euphemism) for perfidious, infamous and criminal. One should think it over: Christian foul mouths are godless according to Christian "theology", Christian topmost "theologian" or chief ideologist. The feigning believers in (Christian) "god", in truth do not believe in god, at all. You Christian foul mouths should

do what you always did in such cases: declare the scripture to be "non-authentic" ...! That is the way the Christian liars and deceivers always tried preserving their mask ...! Now, let us listen what audacious and impudent those the ungodly are determined to threaten others being obedient to those religious Mafiosi. Although in Jesus "Christ" " says:

Mr 16:16 NRSV

"The one who believes and is baptized will be saved; but the one who does not believe will be condemned"

One should complete the just cited quotation by the verse:

*Jesus "Christ" , Jesus "Christ" ,
Satan's catamite,
Vomits all spite!*

The Godless are threatening others! That is the way how rogues and Mafiosi "love" their fellow human beings, all over ...! However, this is not what folks trusting in god are used to believing. That is what ungodly objectifications (incarnations) of perfidy and Mafiosi kidding themselves, who are used to vomiting: that their foolishness shifts mountains and that everything is possible to them (see: Mt 17:20).^[1] That is the Christian foul mouths' way of making business, making bargains, striving for one's selfishness by lies, deceits, perfidy, psychological terror, infamous terror, foul play – to be brief: by stopping at nothing! That is the evidence of the ungodly Christian foul mouths, viz, of Christian organized crime! If the ungodly presume to preach "god", then it is about the most perfidious and infamous kind of rogues, felons and Mafiosi!

Why are the Christian foul mouths ungodly and why in particular Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ")? Because if one presumes to puke that everything is possible to oneself (see: Mt 17:20) and that "faith" shifts mountains, then one exalts oneself to god. For individuals trusting in god only to god everything is possible (omnipotence). However, pied piper Jesus "Christ" gulls each Christian into believing that everything is possible to him. That is what Jesus "Christ" and the Christian foul mouths do. If faith shifts mountains, then it is also shifts the truths. What is easier to lie and to work sorcery or to shift mountains? And if faith shifts mountains, then it also shifts god out of the individuals' mind by replacement of an idol (Yehoshua-Ben-Pandera, aka: "Jesus "Christ" ").

One cannot repeat it enough: Whoever exalts himself; a fellow of his or his domestic pig to the "god" does not believe in god and consequently is ungodly. Therefore, Christianity is no religion, no theism but atheism, an organized crime or Mafia misusing the imagination of

god only to make its foul play unassailable. Everything is possible to you means: We Christian foul mouths are "god" of our own.

The following passing of „authority“ proves that Yehoshua-ben-Pandera (aka: „Jesus "Christ" ") gulls his henchmen into believing that they can play „god“ on Earth:

Mt 16:19 NRSV

*19 I will give you (Peter) the keys of the kingdom of heaven, and **whatever you (Peter) bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven.**"*

Let us put a question, in this context:

However, can he advise to pray to following phrase to "god" if the authority to bind and to loose is not up the god but by Peter and his successors, the popes?:

Mt 6:10 NRSV

10 "... Your (god's) will be done, on earth as it is in heaven."

God is unable to help and his will cannot be done if the authority to bind and loose on earth and even in heaven is sold by Satan's Messiah (Greek: Christos) to Christian schmucks in frocks, i.e., to the popes, of course in exchange that „Jesus "Christ" " is worshiped as the „god“.

On the contrary, according to the "ideology" of those "the sick needing a physician" (Lu 5:31) god has to pray to the Christian popes if he wants something because according to the Christian bedlam the authority is passed to the (godless) popes (making themselves to be "god") and not to god. Thus, Christian foul mouths and „Jesus "Christ" " himself only can pray to the popes because one only can pray to somebody that has the authority to bind and to loose on Earth that is also bound and loosed in heaven. Passed is passed. If „Jesus "Christ" " has passed this authority to the popes even he ("Jesus "Christ" ") has to pray to the popes if he wants something to happen ... The popes have that „authority“ to manage everything on Earth what the gullible Christian nincompoops erroneously suppose god to have. That is the way Yehoshua-ben-Pandera coaches his henchmen exalting themselves as "god" on Earth ...

Another question is to put here: What will happen if the popes according to the "authority to bind and to loose" on Earth manage something, god does not want. E.g., it is to suppose that god does not agree with Christian murders even if Christian Mafia lie to be obedient to "god" while murdering those who do not want to be its slave or henchman.

Do not worry, the ungodly do not believe in god. Therefore, this conflict is unimaginable to them ...! There only can be conflict with someone that does exist. However, if one does not believe in god one cannot have a dispute with him. More over, with Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") is no dispute because he agrees to everything, provided that he is worshiped as "god" ...! And that is what his Christian Mafiosi bigotedly do!

However, if there would be a dispute among "Jesus "Christ" " and his Christian sect, primacy of course is up to the popes ... As said, passed is passed and that also means lost! Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") has passed his authority to those who worshiped him as god – as Satan offered to him when both encountered in the desert!

Like father, like son!

Like Satan, like his (Jesus) Christ!

Satan and his (Jesus) Christ do not believe in god because they believe to be "god" themselves! Who wonders that Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") advises this Christian henchmen to be better than he is as we are going to demonstrate below?

For Christian Mafiosi and their pied piper ("Jesus "Christ" ") „god“ is only a spectre making the gullible, the weak-minded, the goofs, the nincompoops, the sheep and the moral scum of nature to be obedient and thus subservient to him. How can this rogue induce his henchmen to drone out such a „Lord’s Prayer“ if he -- again like Satan -- presumes to keep all authority in heaven and on earth to himself and not to god:

Mt 28:18 NRSV

18 And Jesus came and said to them, "All authority in heaven and on earth has been given to me.

One can only pray to somebody who keeps all authority in heaven and on Earth. According to that insanity even god has to pray to Yehoshua-Ben-Pandera to get something managed because not he (god) but Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") presumes to have that authority ... Christian foul mouths honestly can only pray to somebody to whom is given all authority on Earth and in heaven. Therefore, they cannot pray to god but to their domestic pig they exalted to their "god" that is faking keeping all authority in heaven and on Earth in place of god ... More over, the last quotation refutes everybody saying that this thug n' schmuck, dastard n' bastard did not exalt himself to be "god". God is the one that is almighty and omnipotence means keeping all authority in heaven and on earth ... By the latter baloney Yehoshua-Ben-Pandera fakes to be god ... Otherwise one even has to declare the left four chronicles (Christians' cant: "gospels") of 72 to be non-authentic ...! Then it is proven

that everything in this liars' and deceivers' Mafia is non-authentic ...! Who wonders?

When Yehoshua-Ben-Pandera and Satan encountered in the desert, even Satan claimed keeping all authority on Earth and that he is willing to pass it on henchmen, provided that he is worshiped. Like Satan, like Jesus "Christ" ! Like Satan, Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") passes the „potestas ligandi et solvendi“ (the authority one can bind and loose on Earth what allegedly and simultaneously is bound and loosed in heaven) on his henchmen Peter for caring that he is worshiped as “god” by his Christian sect, in exchange. Even in this aspect Yehoshua-Ben-Pandera complies with everything he (himself) attributes to Satan ...! And Christian Mafia complies with that obligation of Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") ...

Oh my god, where has your omnipotence gone? Satan and his Messiah Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") have pilfered it in order to become worshiped as “god” ...!

You miserable god, being that impotent on Satan, Christian Mafia and its faking “god” and all their perpetrated abominations ...!

However, the Christian foul mouths honestly even cannot pray to Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") but to the popes because allegedly “Jesus "Christ" ” has passed that “potestas ligandi et solvendi” to Peter and his successors. That means that god even does not have to pray to “Jesus "Christ" ” for permitting to manage something but to the Christian popes ...! For being worshiped as “god” in exchange Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") passed that “authority” to the pope. What Jesus "Christ" sold he even cannot use any longer! When Christian Mafia alleges to keep the authority to bind and to loose on Earth what simultaneously is bound and loosed in heaven, then omnipotence has passed from Satan to “Jesus "Christ" ” and from this monstrosity to the Christian Mafia's popes ...

*This why this rat,
In white is clad!*

Christian foul mouths indirectly and concealedly claim the omnipotence (potestas ligandi and solvendi) of god to themselves, respectively, to the head of the Mafia of theirs. That is why they insist that Yehoshua-Ben-Pandera is “god” because otherwise they would admit accomplishing the depravity and bestiality of their own!

If god does not comply with the depravity, bestiality and all the foul play the popes perpetrate, then god only has to apologize to the pope because according to Christian bedlam and its “potestas ligandi et solvendi”. Therefore, god has to kowtow to the Christian popes and to excuse himself for demanding brotherly love and humanity instead of Christian perfidy, infamous bestiality and brutality ...! Oh god, what goof you are compared to

the "wisdom" Christian schmucks of popes ...!

That is the bedlam of this sect. Those are the ungodly Christian foul mouths!

Why should "Jesus "Christ" ", why should Christian foul mouths believe in god if nothing is impossible to them (Mt 17:20), viz, when faith allegedly makes them almighty?

So, Paul rightly debunks the Christian as ungodly – and do not forget that this saying is taken from the Christian foul mouths' "god's word" ...! Possibly the Christian foul mouths forgot to declare this epistle of Paul to be "non-authentic" ... However, those felons can still do what they did not, until now. Everything is possible to and from such underhand foul players, felons, Mafiosi and barbarians (see: Mt 17:20) ...!

In so far many of the alleged „non-authentic“ chronicles (Christians' cant: "gospels") the Christian foul mouths wanted to get rid for ever but fortunately in vain, seem to be very genuine, at least regarding Yehoshua-Ben-Pandera's ideology. According to „Apocryphon of James“ that was retrieved in 1945 in Nag Hammadi (Egypt) Jesus "Christ" said to his henchmen („disciples“):

“Become better than I (Jesus "Christ"); make yourselves like the son of the Holy Spirit.” [\[ii\]](#)

Become better than me – this is the only commandment this perfidious rogue and infamous Mafioso ever could give! Oh you Christian rats become better than this rat you exalted to be your Mafia's god! Do become better!

Even this quotation reveals that the Christian schmucks in frocks believe in everything but never in god! They trust in death penalty convict Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ"), but not in god. Well, if everything is possible to faith why not exalting oneself to the god or to something else you never can tell? Satan or they allegedly keep the keys of heaven (see: Mt 16:19) and the "potestas" to bind and to loose on Earth allegedly provided to them by Satan when Christian sect's instigator („Jesus "Christ" ") encountered him in the desert. (The Christian scripture denies that „Jesus "Christ" " complied with Satan's terms of business. Very "credible" for liars! Well, could Christian scripture tell something else, regardless whatever happened? That what is vomited here is the same as that baloney that the death penalty convict allegedly was sentenced, innocently. Do not make me laugh!). Therefore, Christian can exalt themselves to whatever they like because faith

shifts mountains and the truths, anyway! For those faking of shifting mountains they use god as spectre or bugaboo!

If everything is possible to faith (see: Mt 17:20), then also foolishness is possible to kid oneself to be „god’s“ son or being „sons of the Holy Ghost“ . Then everybody can foster conceits, deceits and megalomania like the underhand foul players’ sect’s instigator did. The fact that a very early Christian scripture relates Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") advised his henchmen to become better than he was provides evidence that this brute the Christian lifted up to the sect’s “god” already during his lifetime was known as a spiteful little devil belonging to the morals scum of the Earth. That is why he advises his henchmen to become better than he is. This further means that according to the admittance of his own he only is a paragon of depravity.

Even the following statement turns out to be genuine Christian desperadoes’ ideology:

“Woe to those who have seen the Son of Man! Blessed are those who have not seen the Man, and who have not consorted with him, and who have not spoken with him, and who have not listened to anything from him. Yours is life!”^[iii]

“Woe to you who are in want of an advocate! Woe to you (Christians) who are in need of grace! Blessed are those who have spoken freely and have produced grace for themselves.”^[iv]

Hereby, Jesus "Christ" admits what already Roman emperor Julian (332 – 363 C.E.) watched:

„You Christian foul mouths are like the leeches that extract the worst blood and leave back the cleaner one.”^[v]

Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") is rightly says that everybody shall become better than he is and that it would be better that he never had been born and the world never would have heard about him. Those are the right advises of a pied piper for his henchmen. That is very typical of desperadoes’ fooling themselves that everything is possible to them. Even these quotations prove „Jesus Christ’s“ godlessness and that of his Christian sect. What do Christian rogues in frocks or frogs in frocks else as to accomplish grace

for themselves by that sinister "potestas ligandi et solvendi" ("authority to bind and to loose")? Christian rogues in frock provide grace for themselves by lifting up themselves as slaveholders of humankind! Hereby they earn a good living; the sect becomes measureless rich while it is feigning to be a sect of the "poor ones" ...!"

In truth, Christian objectifications (incarnations) of perfidy only believe in themselves and that they can do everything they want, in particular, if they fake their depravity as „moral excellence" and all their perfidy and infamy as "boons" and "blessing" and lie that god allegedly sides with the felons, rogues and Mafiosi or the "the sick needing a physician" (Lu 5: 31). Those losers never can loose and they rather misuse the name of god to put the world into ruins than to lower their signs to that what they really are: the lastor "the sick needing a physician" (Lu 5:31). Yehoshua-ben-Pandera („Jesus "Christ" ") is right when saying that the world and human beings would do much better if this monstrosity and deformity never would have been born and this Christian Mafia never would have come into existence.

So, Paul is right calling the Christian ungodly. Do not forget that this saying is taken from the Christian foul mouths' "god's word" – not from any denounced "apocryphe" gospel ...!

Everything is possible to us (Christian Mafiosi) means further that the matters, the terms (and even that one of god, truth, love etc.) only are that what we allow them to be. Thus, the meaning of the terms becomes designed corresponding Christian hypocrisy, perfidy, crimes, atrocities, abominations and other barbarities. Pertaining to the term of god and religion that is atheism, megalomania and if still something else, then it is lie, deception, perfidy, crime, infamy, foul play etc.!

Oh yeah, Paul rightly calls the Christian foul mouths the ungodly! My word, "Jesus "Christ" " died for the ungodly, if he died on the cross and not a double of his ...! Why are the Christian foul mouths ungodly? Because they fabricated a "god" of their own! Paul is right: Everybody replacing god by a fabricated "god" of his own, does not believe in god. The Christian foul mouths try replacing "god" by the sect's instigator "Jesus "Christ" " and hereby want to get rid of god.

Since "Jesus "Christ" " has been exalted "god" in Christian sect, god has to shut up ... In the same manner, truths are not allowed wherever Christian foul mouths gather or dominate societies. Truths are occupied by lies and deception and in Christianity. In Christian enslaved countries one only is allowed to call lies "truths" and deceit "honesty" and Satan or his Christ "god" etc. Everybody resisting that perfidy and insidiousness becomes denounced, libeled and character assassinated or even assassinated, e.g., burnt while being alive by this always, steadily and on the spot "persecuted" ones, "martyrs", "saints" (of Satan),

“holy fathers” (of Satan) worshiping the Christ (of Satan) etc.

One perfidy and infamy has another one in its wake. Below we will produce evidence from the Christian foul mouths’ “New Testament” how the Christian foul mouths put upside down and downside up and how they try soothing their bad conscience

A person believing in god would imagine what happened to angels that wanted to be like god and thus would think about the punishments that are awaiting him in the life hereafter before exalting himself or one of his fellows to the “god”. Satan’s, “Jesus Christ’s” and the Christian foul mouths’ program is to put upside down and downside up.

Finally, according to Christian doctrines Satan is a former angel who was expelled from heaven because he was the first Christian. What does it mean that Satan was the first Christian? As “Jesus "Christ" ” and all the Christian foul mouths he did not consent with god who was first (god) and who the last . Satan remarkably wanted to accomplish Christ’s program making the last one as the “first” one. Punishing Satan for his insurrection, god took away all beauty Satan kept before as angel. Since this time Satan is as ugly as his (Jesus) Christ. That is why presumably “Jesus Christ’s” (mark of Cain of) ugliness is the most secrets (“mysteries”) in Christian sect. Satan and generally the Christian foul mouths deem their ugliness to be a mark of Cain, pardon, of “excellence”.

Since Satan or his Messiah (Greek: Christos) is „god“ of the Christian foul mouths, they are convinced that Satan, pardon, „god“ dotes on all the miscarriages, deformities (like Jesus "Christ"), the evil, the felons and all other sorts of damp squibs of nature, viz, on the “the sick needing a physician” (Lu 5:31). Satan, pardon, Satan as Christian “god“ can only be pleased about foul mouths and felons ... He releases from abiding by god’s commandment! Where would Satan, where would “Jesus "Christ" ” be if they could not lie and deceive any longer? Lying and deceiving are the existence of Satan, his (Jesus) Christ and all his Christian foul mouths!

Satan did not like god to be reputed as the first one. He – the less endowed one by god – wanted to be reputed as the “first” one and so does his misshapen (Jesus) Christ and all their henchmen, viz, the Christian foul mouths. Since that insurrection of Satan on god the first mentioned one is only atoned with god and the world when he himself is god and that is why he (Jesus) Christ contrives that “god“ dotes on the misshapen, ugly, evil etc. ones.

Precisely in that context of his “Epistle to the Romans” where Saul (Christian jargon: Paul) writes the Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") died for the ungodly Christian foul mouths, he adds:

Ro 5:10 NRSV

10 For if while we (Christian) were enemies (of god), we (Christians) were reconciled to God through the death of his Son, much more surely, having been reconciled, will we be saved by his life.

This means that the enemies of god, the ungodly, viz, Satan, his Messiah (Greek: Christos) and their henchmen (Christians) are only reconciled with "god", i.e., nature and their fellow human beings, if they are themselves or one of their fellow-desperadoes are, respectively, is "god". This means further: Satan, his (Jesus) Christ and all their followers (Christians) are only reconciled if "all authority in heaven and on Earth" (*Mt 28:18*) and the authority to bind and to loose on Earth what simultaneously is bound and loosed in heaven" (*Mt 16:19*) is up to them and not to god!

This is exactly Satan's mind according to the Christian foul mouths' doctrines of their own. Satan and his Christian foul mouths are only reconciled with the universe if they successfully could put upside down and downside up. Christian bedlam generously allow god to be god if the power is up to themselves and god obedient to them, viz, that they, in particular their leaders (popes) are acting "god". The fake of "resurrection from the dead" of Yehoshua-ben-Pandera ("Jesus "Christ" ") serves the fake of being "god". That is why the Christian foul mouths cover Yehoshua-Ben-Pandera's stunt of "rising from the dead" ...

Satan, his Christ and their henchmen (Christian) are only reconciled with "god", i.e., with the universe, life and their fellow human beings, if they (themselves) or one of their fellows are reputed to be "god" and have the omnipotence of god, viz, that "all authority on Earth and in heaven" and the "authority to bind and to loose on Earth what is also bound and loosed in heaven" is not up to god but up to them. Otherwise the enemies of god (Satan, his Christ and their fellow desperados (Christians) are determined to set fire to Rome and the whole world and to blame other for those abominations and barbarities ... Why do they blame others for the atrocities of theirs? Because they want to fake to be god and not to be Satan or the henchmen of the latter!

That is Satan's "brotherly love", that is the Christian foul mouths' "brotherly love", in particular, the way how that scum of god's or nature's creature "love" their most enemy: god! Enemy is everybody that does not knuckle under to those rogues in frocks or frogs in frocks, those bastards n' dastards or those schmucks n' thugs with a mask over their mug!

Satan, his (Jesus) Christ and their henchmen (Christian) are that much besotted with „god“ for being "god" themselves, i.e., owner for the world and humankind's slaveholders ...

Satan and Christ resemble that much each other so that one cannot surely say that it is about two "items". Satan has become man by Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") ... Cur Satan homo?

Since "Jesus "Christ" " has been exalted "god" in Christian sect, god has to shut up ... In the same manner, truths are not allowed wherever Christian foul mouths gather or dominate societies. Truths are occupied by lies and deception in Christianity. Wherever – even if only two -- Christian foul mouths gather Satan promises to be among them, instantly! In Christian enslaved countries one only is allowed to call Christian lies "truths" and deceit "honesty" and Satan or his Christ "god" etc. Everybody resisting that perfidy and insidiousness becomes denounced, libeled and character assassinated or even assassinated, e.g., burnt while being alive. The slaves or "sheep" in Christianly enslaved countries are allowed to call those Mafiosi the "persecuted ones", "martyrs", "saints" or "holy fathers" etc. Those are the "martyrs", "saints", "holy fathers" and "angels" of evil or Satan ...! That is life when Satan and his (Jesus) Christ has become worshiped as "god" what Christian Mafia provides!

One perfidy and infamy has another one in its wake. Below we will produce evidence from the Christian foul mouths' "New Testament" how the Christian foul mouths put upside down and downside up and how they try soothing their bad conscience.

Secondly: How Christianly enslaved Countries try replacing Christian felons' "morals"

Obviously the Anglo-Saxons recognized it. They establish real morals beside Christian fake of "morals". This they call fairness or fair play. Thus, unspokenly the Anglo-Saxon opposed Christian "morals" that precisely match that what the Anglo-Saxons call foul play in their system of morals: hypocrisy, spite, perfidy, crimes, felons, infamy, abomination, barbarities. The latter stands for Christian "brotherly love" and Christian "enemy love" and is that what the Anglo-Saxon term of foul play comprises.

Religious bastards that are that perfidious and insidious dastards n' bastards -- like, for instance, the Christian ones -- try avoiding fair play and any fair contention. They know that they are the born losers or as Yehoshua-ben-Pandera (Jesus "Christ" ") words it: "the sick needing a physician" (Lu 5:31). What the Christian foul mouths are used to concealing is that their chieftain they exalt to their "god" ("Jesus "Christ" ") belongs with them, viz, to those "the sick needing a physician" ... He is not different from them. The Christian foul mouths' chieftain is that bundle of misery n' mischief the Christian foul mouths are, on an average. Yehoshua-Ben-Pandera is looking for companions in grudge, envy, hatred and avenge and what he finds

are Christian foul mouths!

Christian "morals", "brotherly love" and all other strange sorts of "love" Christian foul mouths contrive is foul play in its very principle and from the very outset!

Everything Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") contrives, blathers and pukes would be much more credible, if he would not be one of those he is favoring and thus favors himself or promotes the selfishness of his and of his fellow objectifications (incarnations) of perfidy. Because he is one of those bundles of misery, viz, a Christian foul mouths, his fellow objectifications (incarnations) of perfidy (Christian) concealed most part of his biography and the knowledge about his outward appearance or forged it [\[vi\]](#). The outward appearance of "Jesus "Christ" " became the most kept secret in Christian organized crime. Nobody shall know that Christian objectifications (incarnations) of perfidy exalt themselves to be "god" by faking him as "god" ... The duped shall not realize that no "god" but a Mafioso of theirs is praising Christian Mafiosi all over and so to speak promising the universe to them - like Satan did so to Jesus "Christ" when both encountered in the desert.

Each "candy" "Jesus "Christ" " scatters to them he only does under the condition of being worshiped as "god", in exchange!

- No money , no honey!
- No worshiping of "Jesus "Christ" " as "god", no (empty) promise from him, if not foul play (perfidy, infamy, slaughtering).

Those are the terms of business of Christian organized crime! Each organization has its terms of business and so each successful Mafia! That is his "modesty" and "humbleness" of mendacious religious Christian rogues ...!

- Whoever says that an organized crime, in particular, a religious one cannot be successful?

The Christian foul mouths know that fair play means defeat for them and that their only chance is foul play from the very outset, in principle and thoroughly.

When the author tried writing this treatise in German he had difficulties to describe Christianity.

- Christianity is depravity but not only that.
- Christianity is perfidy but not only that.
- Christianity is hypocrisy, lies, mendacity but not only that.
- Christianity is infamy and bestiality but not only that.
- Christian foul mouths are desperadoes but not only that.
- Christianity is terrorism but not only terror.

- Christianity is abomination but not only that.

In English there is not problem to find an expression. Conspicuously there is an Anglo-Saxon notion that sufficiently comprises Christian "morals" and behavior: foul play! No other term in any other language does it better! Therefore, the author is convince that the Anglo-Saxons invented fairness and tacitly as rightly called Christian morals foul play without expressing opposition to Christian bestiality. Very obviously, very practically the Anglo-Saxons thought that the most important thing is that they have morals that can work for good and humane interpersonal relationship.

Knowing that fair play was to replace Christian foul play or „morals“, Christian objectifications (incarnations) of perfidy certainly would have waged war of extermination on their fellow Anglo-Saxon quite according to the Christian slogan: The world shall perished if it resists to become Christianly enslaved and to worship a deformity, spiteful little devil, felon and death penalty convict as "god" ("fiat iusticia ut pereat mundus"). Regarding fairness or fair play one even cannot speak that this is a kind of parallel morals to Christian "morals" because the latter is despised by the term of "foul play" in this Anglo-Saxon system of morals.

Therefore, the Anglo-Saxons – as far they are not depraved, dunces or the weak-minded -- gallantly let the Christian schmucks in frocks puke all the mud n' mire they admire and do something else, something reasonable. Thus, the Anglo-Saxon became that what they had been at the end of the second millennium C.E.

Anglo-Saxon fair play proves that by Christian "morals" no humane society can work. The fact that fair play means an opposition to Christian "morality" as bestiality is revealed by its legitimating. Fair play is based on "common sense" and that means on reason! Basing morals on reason is an act of sacrilege to Christian Mafiosi. Therefore, Anglo-Saxon fairness means reason versus Christian Satanism or Christian foul play.!

The French evenly realized that one cannot base a humane society on Christian Satanism. The French opposed Christian bestiality faked as "morality" by human rights. Unlike, the Anglo-Saxons the French consciously and expressively opposed Christian bestiality or Satanism as "morality" by human rights.

Christian Mafiosi oppose French proclamation of human rights by vomiting that human beings make themselves like god, i.e., everywhere where this scum of the world or those spiteful little devils have spread they produce their very well know venomous psychological projection. The Christian foul mouths always produce venom, perfidy spite, infamy and abomination! The only human beings that exalted an individual to fake the „god“ are those Christian "the sick needing a physician" (Lu 5:31), viz, those Christian Mafiosi

and underhand foul players. Wherever there are Christian foul mouths there is foul play.

Because the French did not shrink from fighting Christian bestiality and Satanism as feigned „morality“ they very likeable to each that is engaged in human rights. The French become reputed to be masters of life (savoir vivre). If god would choose a nation in the Western hemisphere, he surely would choose the French!

However, whether the contention was carried out openly (like the French did) or concealedly (like the Anglo-Saxon did it) the result was the same: That the modern Western societies could not advance by Christian foul play but by reason, i.e., by fair play and human rights. In addition, with regard to economic development the occident become the leading part of our globe by fighting for human rights and fair play (against Christian Mafia). Of course, Christian bastards n' dastards, duffers n' bluffers, creeps n' crook, schmucks n' mugs, fools n' goofs ("the sick needing a physician") fancy something else ...!

Well, by what we shall replace Christianity?

By human rights and fair play!

Those bigger nations that did not oppose morals of reason to Christian bestiality and Satanism as "love" and "morals" became most bastards and barbarians, for instance, the Germans and even the Spaniards. Those countries, for instance Germany, Spain, Italy and Portugal were inclined to fascistic regimes. All racist arguing to explain this scum of nature (Christianity) is nothing but absurd and unfounded.

The whole pestilence of Christianity and its bestiality we owe to the Italians and not to the Jews!

The Jews never coerced other ones to become Christian foul mouths but the ancient Romans since emperor Constantine.

If this problem would be a racist one, then this sect only would had disseminated in Israel. The truth teaches quite the reverse: Christianity considerably did not spread among Jews but in particular among Europeans. Already this fact sufficiently refutes any racist arguing.

More over, it is also a kind of self-deception or incompetence to refer this scum of nature to economic or social circumstances. Christianity is absorbing the scum among human beings whatever nations, ages or social class they belong with. Christian foul mouths are the born evil and the born losers. Nobody and nothing can change this scum of nature. That is what Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") recognized and made his success. He does not change himself and/or his henchmen (Christians) .

He just gives the illusion to his henchmen (Christian Mafiosi) staying with their depravity while being reputed as "reverends", "holy fathers" or even "saints". "Jesus "Christ" " only changes the clichés of the terms and notions by lying and deceiving, e.g., that hatred is reputed to be "brother love", felons as "martyrs", megalomania as "humbleness", presumption as "modesty", Satan as "god", lies as "truths" etc. However "Jesus "Christ" " changes no individual and at least no Christian underhand foul player! This is true even if those bundles of misery (Christian foul mouths and those they can dupe) fool themselves something else! That is "Jesus Christ's"" success: That his henchmen (Christians) get rid of the tooth ages and can keep their rotten teeth. That is why Christian worship him as the "god" even if they die. Dying for the purposes of one's Mafia is not unusual for Mafiosi!

Depravity is not connected to a social class, necessarily!

While hating the Jew the Christian foul mouths only hated projectively themselves, in particular, their Christian swineherds. They could not express their hatred on the superior Christian foul mouths (e.g. "holy fathers") and other Christian swineherds. Therefore, the Jews had to serve as scapegoats!

The way the Spaniards disseminated Christian bestiality in South America or the Philippines is past comprehension. However, the Latin nations have the term of desperado describing the nature of Christian foul mouths very excellently - without the Christian foul mouths' awareness.

The Germans become the most Christian foul mouths robots in the Western world. Presumably because of their paltriness the Germans are the best machines among human beings: killing machines, working machines, war machines, torture machines, Christian swineherds' machines etc. Everything one can do without heart and soul the Germans are champions. The Germans are soulless individuals.

From 1618 -1648 Christian Germans committed a genocide on two thirds of their German fellows, just because the one German Christian suspected the other German Christian not to be the right Christian. This is one of the most genocides in human history, at all. In the 20th century the German committed a genocide on the Jews in all over Europe murdering more than six millions Jews. More over, in the 20th century the German desperadoes started two world wars. The German desperado machines wanted to be the greatest, even if our globe perishes while attempting that.

Christian underhand foul players' and desperadoes' mind apparently match German mind. Today, German public life is dominated by Christian desperado parties being ready for

any crime of Christian sect as in centuries ago. To get rid of them will not happen without barbarities and atrocities because those German robots are programmed that way by their Christian brainwashers!

By the notion of desperado the Latin nations obviously recognized what it is about with Christian sect. Desperado stems from despair, i.e., a desperado is a perpetrator out of despair or a „sick one needing a physician“ as Jesus "Christ" said according to Lu 5:31. To those type of felons (objectifications of perfidy) Jesus "Christ" belonged himself and to those type of felons he aims. That is why he knows the restrained piano of the feeling of those miserable or “the sick needing a physician”, precisely. “Jesus "Christ" ” knows what “lard” his fellow objectifications of perfidy need already before they pray to him ...

The Latin notion of desperado corresponds to the Anglo-Saxon underhand foul player. Desperado is a megalomaniac one being as long affable as he gets his own way. If this is not the case everything is possible starting from tiny hidden fouls up to terror, terrorism, murder, mass-murders and genocide. Desperadoes prefer to lay the world into ruins than to lower their signs or eat humble pie. Christians are typical desperadoes. Desperadoes are that what brings Christian sect into existence. The rests are hoodwinked sheep. However, unlike the Anglo-Saxons and French, the other Latin nations and the German “machines” did not develop an alternative morality to Christian bestiality that is pretended as „morality“.

Typical desperadoes are not only Christian foul mouths but also Germans. One is very mistaken when inferring from some German outstanding philosophers of the past to the average German. The German desperado's mind is due to the already described paltriness. E. g., the Anglo-Saxons „common sense“ constitutes fairness and fair play. The corresponding German term of “gesundes Volksempfinden” (verbatim: folks' sound sense) constitutes German outrages, atrocities, barbarities and abominations, i.e., desperadism. When German desperadoes, clumsy oafs and machines start talking about “gesundes Volksempfinden” (“people's sound mind”) one rather pack up one's belongings for emigration ...

Desperadoes are no idiots, which unmotivated and arbitrarily will stab everybody they meet. As already said, they even can be sociable folks as long as they get their own will. However, if they do not get it, one better shows them a clean pair of heels. Desperadoes are used to craving for power to domineer others so that they cannot loser. They are the worst sorts of bad losers. If desperadoes lose, then lottery is more predictable than that scum of all creatures. The Germans' inclination towards desperadism obviously German philosopher Friedrich Nietzsche (1844 - 1900) realized when writing:

" These Germans, I confess, are my enemies: I despise all their uncleanness in concept and valuation, their cowardice before every honest yea and nay. For nearly a thousand years they have tangled and confused evervthing their fingers have touched: they have on their conscience all the half-

*way measures, all the three-eighths-way measures, that Europe is sick of,--they also have on their conscience the uncleanest variety of Christianity that exists, and the most incurable and indestructible--Protestantism. . . . **If mankind never manages to get rid of Christianity the***

[\[vii\]](#)

Germans will be to blame. . .

Of course, one cannot say that each German is a desperado and/or a clumsy oaf and/or similar to a pig's head but the majority of the Germans constituting their national character nevertheless is to call that. In recent time, many immigrants came to Germany, in particular, the Turks so that there is a chance of genetic improvement. If there are conflicts in Anglo-Saxon countries one is used to considering how to settle them fairly. E.g., if there is trial in a city that is under much pressure of local media, one often relocates the trial to another town. Unimaginable for German desperadoes! They would say: Now, all the more and precisely because etc.!

A nation of objectifications (incarnations) of perfidy means a nation full of felons! A sect of objectifications (incarnations) of perfidy means a sect of foul play, from the very outset in very principle.

Thirdly: How the apparent crucified one wants to crucify the World

One of the most requirement for foul play is to make the targeted victim defenseless before attacking him. The abominable Christian dastards know that they lose each contention by fair play and that they only can resort to foul play.

Therefore, the Christian bastards n' dastards at first have to worm themselves into the opponents' and victims' confidence and gull them into lay down their weapons of defense. As soon as the gullible one is inattentive a moment he is assaulted by the Christian foul mouths "full of brotherly" and all of a sudden in a headlock and is questioned: Either you are now our subservient pet (sheep) or slave and acknowledge us to be you slaveholder ("shepherd") or you now will be sent to kingdom come. Even god cannot help you to change that ... Such defenseless ones insidious, perfidious and infamous Christian bastards n' dastards can assault to their heart's content. That is the coach for foul play: Jesus "Christ" ! That is the „divine mercy“ of underhand foul players' coach Jesus "Christ" how to defeat those Christian creeps n' crooks, bastards n' dastards, goofs n' fools, schmucks n' thugs cannot hold a candle. What is the program of foul play's coach Jesus "Christ" ? The answer: How

to win by insidiousness, perfidy, unscrupulousness and infamy! Let us remember when the underhand foul player's "god" and coach lost his mask:

*Jesus said, "The kingdom of the father is like a certain **man who wanted to kill a powerful man**. In his own house he drew his sword and stuck it into the wall in order to find out whether his hand could carry through. **Then he slew the powerful man.**"[\[viii\]](#)*

Killing the better one, taking revenge on those the Christian bastards, dastards and miscarriages of nature cannot hold a candle that is what Yehoshua-ben-Pandera (Jesus "Christ") and his fellow felons (Christians) want. That is what they camouflage by "brotherly love", "truths", "god", "heaven", "spiritual welfare" etc. Hoodwinking other by foul play, unscrupulousness, insidiousness, perfidy and infamy for the selfishness of one's own – that is Jesus "Christ" with a mind of spite!

*Jesus "Christ"!
Full of spite!*

Criminality of Christianity is comparable to a perfidious wife that is stabbing her husband while he is sleeping in bed. Those are the successes and victory of these creeps n' crooks. The sword Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") is gauging are his contrivances of semantic simulations („juggling with names“) of Christian „morals“ and their dummies of „god“, „god's son“, „Armageddon“, „Satan“ etc. If he win sufficient recognition for that, i. e., enough duffers n' bluffers, skunks n' monks, rogues n' frogs, goofs n' fools believe those spoofs and let themselves be intimidated by it, then the slaughter and burning of individuals at the stakes can start ...

Precisely concerning the just mentioned quotation (of logion 98 of „The Gospel of Thomas“) even contemporary Christian „theologians“ take the view that the here openly expressed truths made the Christian foul mouths not only to declare this „gospel“ to be “non-authentic“ but also try destroying it, for ever. The latter belongs with the matter if one wants to destroy the „house“ that nobody shall be able to restore it, again. We already said that the Christian foul mouths inadvertently and indirectly admit to be liars, deceivers and thus underhand foul players when alleging that from about hundred chronicles (Christians' cant: "gospels") only four shall be authentic. Hence, they admit that lying and deceiving is the rule among Christian underhand foul players and terrorists and truth the rare exception.

Christian foul mouths conceal that they forge and destroy only for the benefit of their own, even if they imploringly want to make us believe the contrary. More over, one has to take into

account that those scriptures were not written by anti-Christian foul mouths but by Christian foul mouths. They wanted to promote the benefit of Christian sect but not to do harm to it. Hence, no honest one can allege that the authors of such so-called „non-authentic“ chronicles (Christians' cant: "gospels") are stories concocted by malicious anti-Christian foul mouths – as Christian underhand foul players try giving impression, today. The chronicle (Christians' cant: "gospel") imputed to Thomas demonstrates too genuine a phrasing as to be fudged.

By spiting those chronicles (Christians' cant: "gospels") the Christian foul mouths finally failed to get rid of them, they admit that Christian foul mouths are underhand foul players that lie, forge and deceive so that even other Christian underhand foul player cannot trust them. Thus, indirectly and inadvertently, they further concede that Christian foul mouths are underhand foul players son that no Christian trusts in his fellow Christian underhand foul players, i.e., nobody trusts in nobody ...! That is the underhand foul players' love by which the Christian foul mouths can be known! What else should a sect do who cannot bear the truths (etc. Joh 16:12), even according to the testimony of the instigator of its own?

Assumed, once more: assumed that Jesus "Christ's"accomplices Thomas did not write this gospel, then this writing would not be void of significance. Then undoubtedly, it was written by an early Christian, who indirectly and inadvertently debunks that the early Christian foul mouths and from the very outset were aware of perpetrating lies, deceits, foul play and other abominations. Where is no smoke, without fire! Whoever bumps off human beings for saving his lies and deceits evenly bumps off chronicles (Christians' cant: "gospels") for the same purpose.

Precisely in the context of the logion 98 of „The Gospel of Thomas“ the German translator of this „Gospel“ -- a Christian – writes:

*„Because many sayings evenly are of the EvTh ("The Gospel of Thomas") passed on in the synoptic gospels, there is to put the question if the EvTh depends on the synoptic gospels ... or if it preserves words of Jesus independently from the canonized scripts. For both, its dependence and its independence there are interceders. In the meantime, thesis of its independence prevails. Thus, it is likely that the EvTh keeps unknown and genuine words of Jesus that were not admitted to the canonized scriptures... An example is Log 98 that might have fallen victim to moral censorship because of its radicalness. **Due to its very likeness to genuine words of Jesus of which Log 98 witnesses, precisely the enormous radicalism points to Jesus as author.**" [\[ix\]](#)*

Here, the Christian translator says that Christian foul mouths obviously declared this writing to be „non-authentic“ because it is very authentic, too authentic! On top of everything, the

Christian foul mouths wanted to destroy this gospel as a precaution because it often shows an unmasked Jesus "Christ". As already demonstrated, the evidence of Christian "love" as foul play does not depend only on this "gospel". However, this one illustrates this impressively! Why should not a death penalty convict want to be worshiped as "god" by a underhand foul players' sect?

In logion 98 of „The Gospel of Thomas“ Jesus "Christ" in his very person admits what philosophers, like, for instance, Celsus (um 178 C.E.), Porphyry (232/3 – 304 C.E.) and by Porphyry even the great philosopher Plotinus (205 – 270 C.E.), Baruch Spinoza (1632 - 1677), Friedrich von Schiller (1759 -1805), Johann Gottlieb Fichte (1762 – 1809), Feuerbach (1804 -1872), Schopenhauer (1788 - 1860) and last not least Friedrich Nietzsche (1844 – 1900) said about this bestiality appearing in the disguise of religion: In Christian sect it is about organized crime of hatred and avenge of those, who turned out badly by nature on those that allegedly or really turned out better by nature. This is what Yehoshua-ben-Pandera (underhand foul player's name: Jesus "Christ") is admitting and corroborating in Logion 98 of "The Gospel of Thomas".

*Because they deem god a mean sod,
They exalted Jesus "Christ" to their god!*

*While god was burning on a Christian stake,
Atrott came and debunked Christ as Satan's fake!*

As each deceit, this organized crime only is successful if it can withhold and hide its real goals, its real intentions. A deceiver always has to blind his victims to his real intentions. Yes, he has to give the impression that he was completely incapable of that what he really is about to do. Here, the underhand foul players have tell their victims that it was not about revenge of those that turned out badly by nature but about "brotherly love" ... This intrinsic intents the Christian underhand foul players have to keep secret as each deceiver has to conceal the aims of his. That is why the chronicle (Christians' cant: "gospel") imputed to Thomas that never was written by anti-Christian foul mouths but by very Christian foul mouths was not only declared to be „non-authentic“ but the Christian underhand foul players also tried to destroy it so that their mask was fastened again. The deceit's victims must be fooled that it is about „love“, „truths“, „god“, „morals“ and even "love" of the enemies etc. ...

Therefore, the Christian declare and even try for destroying scriptures of their own (!!!) where Yehoshua-ben-Pandera (Christian jargon: Jesus "Christ") partly is presented with a loosened mask. Why do the Christian foul mouths even try for destroying the scriptures of theirs? The answer: Because a scripture one declares to be „non-authentic“ does not lose its danger for Christian bestiality, if willing reader or investigator reads those objections and reproaches from the instigator and „god“ of this sect what precisely a clear conscience and reason object and reproach to this perfidious and infamous organized criminality. In

Logion 98 of „The Gospel of Thomas“ Yehoshua-ben-Pandera (underhand foul player's name: Jesus "Christ") says about himself and his sect what most outstanding philosophers objected and reproached to Christian foul play, since this bestiality came into existence. In addition, they did not know the chronicle (Christians' cant: "gospel") imputed to Thomas, since the Christian succeeded at that time to keep it secret to the public.

Authenticity or no authenticity of the chronicle (Christians' cant: "gospel") imputed to Thomas, the Christian underhand foul players knew from the very outset perpetrating mean, perfidious and infamous crimes of hatred and avenge on their fellow human beings by their terms of "god", "heaven", "hell", "morals", "religion", "love", "doomsday", "ascension" etc. This is passed on by Yehoshua-ben-Pandera (underhand foul player's name: Jesus "Christ") saying that he wants to „destroy the house so that nobody will be able to restore“ it or that it is about to defeat and slaughter the better one by plots, insidiousness, perfidy and infamy. **Even if „The Gospel of Thomas“ really would be non-authentic** (What is authentic in a liars' n' deceivers' sect?) anyway, **here is the evidence that very early Christian foul mouths already knew that one can summarize the muck of this schmuck (Jesus "Christ")** and the mire the Christian foul mouths admire (and palm off as "love") **that way, exactly ...** This says everything!

*Jesus "Christ" has never-ending muck,
For the world's perfidious schmucks!*

*And he fabricated a lot of mire,
The Christian sheep rapturously admire!*

*Nobody ever produced more feces,
As the felon condemned to the gallows: Jesus!*

- Even the early Christian foul mouths realized that is why they did not content themselves with declaring it to be „non-authentic“ but also tried for destroying it and they almost but only almost succeeded in doing so.

The ploy declaring everything incriminating to be „non-authentic“ does not help that much, since the liars and deceiver turns out the other way. That is why this underhand foul players' sect tried destroying those writings forever. This is unparalleled! There is no other sect that his known having tried destroying the scriptures of their own. Only liar, deceivers and cooks destroy pieces of evidence! Christian foul mouths are not somewhat criminals? Christianity is the most abominable criminality, the most atrocious organized bestiality!

Yehoshua-ben-Pandera (underhand foul player's name: Jesus "Christ" ") trains his chosen dastards, wimps, weaklings, failures and miscarriages of nature, how they can win by lies, deceits, foul play, perfidy, insidiousness and infamy, i.e., by everything the Christian foul mouths themselves and entire humankind despises:

Mt 12:29 NRSV

*Or how can one enter a strong **man's house and plunder his property, without first tying up the strong man?** Then indeed the house can be plundered.*

Mr 3:27 NRSV

*27 But no one can enter a strong man's house and **plunder his property without first tying up the strong man; then indeed the house can be plundered.***

*Jesus said, "It is not possible for anyone to enter **the house of a strong man and take it by force unless he binds his hands;** then he will (be able to) ransack his house."^[x]*

Not in the least, such a underhand foul player and a underhand foul players' coach is not interested in the „Ten Commandments“ of god he otherwise feigns to fulfill:

Ex 20:17 NRSV

*17 **You shall not covet your neighbor's house;** you shall not covet your neighbor's wife, or male or female slave, or ox, or donkey, or **anything that belongs to your neighbor.***

What goes to make a criminal is to break the laws? So what, where is the “innocent lamb“ ending up on the gallows or cross? There only is hanging a felon, a cunning, crafty, perfidious and infamous criminal, a poor sod, a cripple regarding body, mind and soul -- in particular concerning morals, a miscarriage of nature, as far as this smooth customer did not replace himself by a double.

Gal 3:13 NRSV

*3 **Christ redeemed us from the curse of the law** by becoming a curse for us (Christians) – for it is written, "Cursed is everyone who hangs on a tree"*

Felon's heart, what else do you desire but redeemed from the curse of god's law? Now, you can break any law while blaming the others to be lawless as Christian Mafiosi are used to doing so! In addition, the felon can fake the „innocent“ one, even the „innocent lamb on the cross“ ... Why? Because the lawless Christian underhand foul players cannot behave lawfully since their leader Yehoshua-ben-Pandera (Jesus "Christ" ") has become a curse to them and they are always suffering under this curse ... That is why Christian underhand foul players cannot play fairly but have to perpetrate foul play ...! Oh yeah, those poor old sod of Christian foul mouths, one never knows what they have to suffer even the curse of Yehoshua-ben-Pandera (Jesus "Christ" ") ... Oh no, those “martyrdom” of Christian underhand foul players ...!

In another contest we will argue the very important information that a hanged one is no son and no other part of god but a cursed one like Satan is cursed onto god ...

Yehoshua-ben-Pandera (underhand foul player's name: Jesus "Christ" ") offered a lot of plots enabling perfidious Christian bastards n' dastards

- to make their adversaries, their victims defenseless,
- while the perpetrators or even Mafiosi can fake to be the persecuted ones, i.e., “martyrs”, “saints”, “holy fathers” etc. and
- Mafiosi even can set “moral” standards of societies and
- the victims are blamed to be the persecuting ones, the “perpetrators”.

Of course, everything of that is “presented” only that he the top most Mafiosi and miscarriage of nature, this insidious cripple is worshiped as “god” ,in exchange. Without the latter this “humble”, “modest”, perfidious and infamous offer is not given to the rats in the sewers (“the sick needing a physician”, Lu 5:31). Saul (Christian jargon: Paul) certainly expressed what his gang leader Yehoshua-ben-Pandera (Jesus "Christ" ") was thinking, when saying:

Phil 1:18 NRSV

*18 What does it matter? **Just this, that Christ is proclaimed in every way, whether out of false motives or true;** and in that I rejoice. Yes, and I will continue to rejoice,*

Oh yeah, for whatever reason worshiped as „god“ does not matter. Main thing is to be worshiped as “god”. That is what counts. The end justifies the mean.

How does Jesus "Christ" get his victims defenseless? For this purpose semantic simulations („juggling with names“) become eminently significant.

Fourthly: The faked Relationship to "God" as Satanic Weapon of Christian foul Play

Let us consider: How or by what we can fight crimes? Apart from laws that can be and are manipulated in countries that are conquered by this objectifications (incarnations) of perfidy, there are only morals and in earlier times: god, today: human rights by which one can fight spite, perfidy, infamy, crimes, felons, outrages, abominations, barbarities, atrocities etc., if one does want to apply the raw law of the jungle. E.g., god's commandments prohibit to steal and also the categorical imperative of reason does so. The latter says that one never shall inflict something on someone else one does not want to get inflicted on oneself. For instance, whoever wants to be burgled or robbed? Therefore, one cannot inflict that on other.

We said that the deceiver always has to hide his real (evil) intentions he is going to perpetrate in order to make his victims firstly inattentive and thus secondly defenseless. If a deceiver reveals that what he is going to perpetrate than the victims would forearm themselves against him and his intentions, insidiousness, perfidy, respectively, infamy. That is precisely what the deceivers want to avoid. In order to make his victims inattentive or to lull them into a false sense of security, the deceiver always is used to feigning the reverse of that what he really has in mind or is about to perpetrate. Nobody models this pattern of deceivers better than the planet's most deceiver: Yehoshua-ben-Pandera (Christian jargon: „Jesus "Christ" "):

Firstly: *I (Jesus and/or Christian) praise poorness in order to become rich.*

Secondly: *I (Jesus and/or Christian) fake to be servant to exalt myself to "god" and my slaveholders to ("shepherd") and to abase my deceits' victims to be animals ("sheep") or slaves.*

Thirdly: *I (Jesus and/or Christian) preach humbleness to nip the resistance of my „sheep“, slaves or robot conditioning, respectively, programming in the bud.*

Fourthly: *I (Jesus and/or Christian) plunge folks into misfortune to fob myself off as their „redeemer“.*

Fifthly: *I (Jesus and/or Christian) fetter my victims in advance before assaulting them, i.e., occupy the terms of „truths“, „morals“, „love“ in advance so that unhinderedly and inhibitedly can assault and torment them to my heart's content and never being debunked as human's foe and fiend.*

Sixthly: *I (Jesus and/or Christian) feign to be „god“ to make my and my accomplices' crimes unassailable and hence perfect..*

In this manner, Jesus "Christ" starts to deceive. In advance, he occupies the corresponding concepts by which the victims can fight the Christian foul mouths' crimes and defend themselves against the Christian perpetrators. The term of morals is occupied that by the Christian foul mouths so that among Christian foul mouths and in Christianly enslaved

countries only the Christian hoodlums' „morals“ exists. At least, that is the aim! In the same manner Christian foul mouths annihilate god by an own fabricated “god” (Jesus "Christ"). Who does not acknowledge the Christian atheism's fabricated “god” is libeled to be “godless”, although those are “godless” that make a god of their own or associate a fellow felon of their own as upper “god”.

1.Jo 2: 22 NRSV

22 Who is a liar but he who denies that Jesus is the Christ? He is antichrist who denies the Father (god) and the Son.

2.Jo 7 NRSV

7 ¶ For many deceivers have gone out into the world who do not confess Jesus "Christ" as coming in the flesh. This is a deceiver and an antichrist.

Stop thief! Now everybody that is no “sick one needing a physician” (Lu 5:31) is a deceiver, evil one and to slander, denounce or to kill ...! Why is somebody a “liar” and “deceiver” that according to De 21:23 believes that a hanged one on a piece of wood like Jesus "Christ" allegedly did is accursed by god? Only the perfidious scum of the world can libel other individuals that way! The “deceivers” are the healthy that do not need a physician from the sort of Jesus "Christ" (see: Lu 5:30ff) that who stay with the truths ...! Only the perfidious scum of the world can libel other individuals that way! Everybody that believes in god now is a “liar” since the liars fabricated a “god” of their own! Only the perfidious scum of the world can libel other individuals that way! By the term of god now god is abolished by the Christian foul mouths. That is the perfidy and infamy of a religious Mafia!

- That way interpersonal relationships are poisoned by foul play, indeed thoroughly. In addition to make this venom unassailable this perfidy and infamy is camouflage as “brotherly love”!
- That is the way the Christian start sowing violence, outrages and atrocities!
- Now, the “liars” are those ones staying with the truths and the “truthful” ones are the liars. And so perfidy and infamy continue and do not stop even at murder, mass-murder or genocide!
- Here, “god” only has become a weapon that sides with all the Christian underhand foul players’.

Hence, all their hypocrisy, mendacity, perfidy, infamy, atrocities, murders, mass-murders and other abominations and barbarities of these Mafiosi are sneered as “god’s will” . Only the perfidious scum of the world can blather that way! Thus, the Christian deceivers and Mafiosi fancy to checkmate god or to render him powerless by their idol, respectively, „god“

of their own! That is why semantic simulations come into operation. Thus, the Christian fancy having tricked god as a threat to their Mafia.

Truth is not allowed because it is occupied by Christian lies and deceits that are juggled as „truths“. Everybody, who withstands that perfidy and infamy is libeled, denounced by character assassination, if not assassinated by the “martyrs” and “saints” ... Each other crime is possible because by referring to the sect’s own „god“ the opponent or enemy always is the “evil” one, the “felon” and not (the Christian) felons. Thus, foul play becomes unassailable why shammed as „brotherly love“ etc. semantic simulations („juggling with names“) serves the purpose to make the victim defenseless before it is assaulted by insidious and perfidious Christian Mafiosi.

However, liar and deceiver are afraid that some day truths may come out. They are afraid that some day the “house” will be restored that Jesus "Christ" wanted to destroy once forever! That is why they insidiously resort to perfidy and infamy!

Therefore, semantic simulations („juggling with names“) serves the purpose

Firstly: Making the victims defenseless already before they are attacked and assaulted.

Secondly: Putting upside down and downside up (passing off lies as „truths“, truths as „lies“, Satan (and his son) as „god“ and god as „Satan“, megalomania as „humbleness“, insolence as „modesty“, avenge “justice”, hatred “love” etc.) .

Thirdly: Making foul play, in particular crimes, perfidy and infamy of one’s own unassailable.

Fourthly: Deceiving oneself being not that depraved what indeed one is.

Thus, the fettered victim that is going to be plundered is no victim or martyr but the spiteful Christian underhand foul players (i.e., robbers, criminals, felons) are the “martyrs” and “victims” that are “unjustly persecuted” ...

That is the way, if Satan or his son wants to crucify the world that he introduces himself as the crucified one to his victims. Let us remember what the chronicle (Christians' cant: "gospel") imputed to Philip reports:

[xi]
“... for Jesus came to crucify the world.”

This bogus, perfidious and infamous perpetrator even does not shrink from using compassion

for his foul play and terrorism to crucify the world. We said that a deceiver is only successful if his victims think him to be incapable of that what he really is plotting in his mind. Any insidious, perfidious and infamous underhand foul players are submitted to the same premises in order to be successful. Only under this condition deceptions work. Whoever thinks an alleged or real tortured one that he wants to torture, to crucify the world? Thus, repulsive, bogus and perfidious deceiver Yehoshua-ben-Pandera ("Jesus "Christ" ") only complies with the law of deception but not with the god's laws! Criminality of Christianity worked because hardly a victim gets the idea that this what he sees on the cross exactly is that what shall be inflicted on him. Thus, Jesus "Christ" and his Christian foul mouths want to lull their victims into a false sense of security, so that they put their trust in their -- like parrots disguised -- tormentors! Hereby, the victims become inattentive and defenseless -- and that precisely is what he and his accomplices (Christians) want.

Well, for such purpose serve the Christian underhand foul players fake terms of „god“, „truths“, „love“, „heaven“, „hell“ etc. as „accomplices“ of their foul play, i.e., Christian organized crime. The victims shall make themselves defenseless before they get tortured by the Christian swineherds („shepherds“) and before getting abused to be their pets („sheep“) or slaves. That is the way they become defenseless against an underhand foul players sect, i.e., the most organized crime of our planet.

That is the answer of the very question of Christian „theology“: Cur deus homo? – why did „god“ become man in this underhand foul players' sect? Truthfully the question is to word in the following manner: Cur Satan homo? Why Satan became human? I suppose because there are Christian foul mouths and there are Christian foul mouths because there is evil among human beings. And that evil even exists because inferiority depraves mind, in particular, that one of objectifications (incarnations) of perfidy! Quite the contrary of that what Christian goofs are used to disseminating by their spoofs (that the inferior ones are very „morals“ ones). Christian foul mouths, do not make me laugh ...! Do not forget, here it is about those who „are poor in spirit“ (Mt 5:3) ...

<http://wwwuser.gwdg.de/~rzellwe/nhs/node85.html#SECTION00017000000000000000> . German text: „*Da viele Sprüche des EvTh (Evangelium des Thomas) auch in den synoptischen Evangelien überliefert sind, stellt sich die Frage, ob das EvTh von den synoptischen Evangelien oder Q abhängig ist oder ob es Jesusworte unabhängig von den kanonischen Texten bewahrt hat. Sowohl für die Abhängigkeit als auch für die Unabhängigkeit haben sich viele Fürsprecher gefunden; es scheint sich jedoch mittlerweile die These von der Unabhängigkeit des EvTh durchzusetzen. Damit ist es sehr wahrscheinlich, daß das EvTh unbekannte, echte Jesusworte bewahrt hat, die keinen Eingang in die kanonischen Schriften gefunden haben.. Ein Beispiel stellt Log 98 dar, das wegen seiner Radikalität einer moralischen Zensur zum Opfer gefallen sein könnte. In seiner großen Ähnlichkeit zu echten Jesusworten weist jedoch gerade der unerhörte Radikalismus, von dem Log 98 zeugt, auf Jesus als Urheber hin.*“
