Melody according "Aloha 'Oe" by Queen Lili'uokalani

on: http://www.ingeb.org/songs/aloha_oe.html

1st Strophe

In the black night of the universe,
Is a jewel circling its course!
Oceans and pulsated lives we have,
Space worth living that we get nowhere else.

The earth does shine,
If we're striving fine,

To tend it with our heart and mind!
(Refrain is repeated once)

2nd Strophe

To the open sea the rivers flow,
Peaks of mountains lift up to the snow!
In the valleys all over plants,
Nature wants to be homo sapiens' friend!

The earth does shine,
If we're striving fine,
To tend it with our heart and mind!
(Refrain is repeated once)

3rd Strophe

We united very in that way,
Happiness, truths and beauty shall always stay!
Forming a powerful field of force,
That Earth remains the best place, yes of course!

The earth does shine,
If we're striving fine,
To tend it with our heart and mind!
(Refrain is repeated once)

Two Anthems for Christendo(o)m

First Anthem:

"Christ is Satan's fake"

*Melody according to the Austrian Song: "Seemann, Deine Heimat ist das Meer..." by Werner Scharfenberger
on: <http://singen.euro-oldies.de/seemann.htm>*

Text by: © Hans Henning Atrott (2002)

Original German version on: d801.htm

Christ is Satan's fake

1st Strophe

Christian foul mouths, full of lying!

Stop your brainwashing!

Human rights are waiting,

For all humans, now!

Death penalty convict is your "god",

Most outrageous all your murders!

And only to them you're dear,

Until you die!

2nd Strophe

Off with befouling n' molesting,

Let the sun come through.

Stop Christian terrorists,

Life shall be so good.

Counterfeited your money is ,

Full of turpitude your features.

And you don't get rid of that,
Until you're dead.

3rd Strophe

Boss is schmuck of priest,
Plotting up in Rome.
Heinous all his soldiers,
Skilled in each pogrom.

Turpitude is his job,
Success due to assassinations.
With a firebug as "god",
Feigns holiness.

4th Strophe

Stinking are the corpses,
They perpetrated.
Those are their veiled fruits,
Masking is debunked.

You shall know them by their fruits,
Their boss is us well advising.
And nothing else we do here,
Fiends they are sheer.

5th Strophe

Punished by yourself,
Revenge on others.
Making slaves their neighbors,
That's their intercourse.

Last will never be the first
But remain the last of worst!
The victims cry at the stake:
Christ is Satan's fake.

Second anthem for Christian barbarians' sect:

"Oh head, full of deception"

Melody according to "Oh Haupt voll Blut und Wunden" by Johann Sebastian Bach

Oh head, full of deception,
And vile of beastliness!
That skilled in art of lying,
Names good for wickedness.

Oh head, itself punishing,
By his heart's ugliness.
The garden path up leading,

You base insidiousness.
